jmhdyc Corner TV Stand User Manual

Model: N-0003BS-WH

Brand: jmhdyc

1. INTRODUCTION

This manual provides detailed instructions for the assembly, setup, operation, and maintenance of your jmhdyc Corner TV Stand, Model N-0003BS-WH. Please read all instructions carefully before assembly and use to ensure safe and proper functionality of the product.

2. SAFETY INFORMATION

Important Safety Instructions:

- Always assemble furniture according to the provided instructions.
- Ensure the product is stable and secure before use.
- Keep electrical components away from water and do not attempt to repair or modify them.
- Unplug the product when not in use or when performing maintenance.
- Keep the product away from heat sources and flammable materials.
- Do not place heavy objects on the product that could cause it to tip over or become unstable.
- This TV stand is designed to support TVs up to 65 inches and a maximum weight of 200 lbs on the tabletop. Do not exceed this weight limit.

3. PACKAGE CONTENTS

Before beginning assembly, verify that all parts listed in the included assembly guide are present and undamaged. If any parts are missing or damaged, please contact customer support.

Typical package contents include:

- Wood panels for the frame, shelves, drawers, and cabinet doors.
- Hardware kit (screws, dowels, cam locks, drawer slides, handles, hinges).
- Built-in power outlet unit with power cord.
- RGB LED lighting kit with controller.
- Assembly instruction manual.

4. ASSEMBLY INSTRUCTIONS

This TV stand requires assembly. A detailed step-by-step assembly instruction manual is included in the packaging. Please follow the diagrams and instructions carefully.

1. **Unpack and Identify Parts:** Lay out all components on a clean, soft surface to prevent scratches. Compare each part with the provided parts list in the assembly manual.
2. **Assemble Frame:** Begin by assembling the main frame of the TV stand, ensuring all connections are secure.
3. **Install Shelves and Dividers:** Insert shelves and dividers into their designated slots or attach them with the provided hardware.
4. **Assemble Drawers:** Follow the instructions to assemble the two storage drawers, including attaching the drawer slides and handles.
5. **Attach Cabinet Doors:** Install the glass cabinet doors using the provided hinges and handles.
6. **Install Power Outlet:** Secure the built-in power outlet unit into its designated slot on the tabletop.
7. **Install LED Lights:** Adhere the RGB LED strips to the interior of the side cabinets as indicated in the LED light instructions. Connect the LED controller.
8. **Final Checks:** Ensure all screws are tightened and the stand is stable before placing any items on it.

Product Dimensions

5. SETUP

After assembly, position the TV stand in your desired corner location. Ensure it is level and stable on the floor.

- **Power Connection:** Plug the TV stand's main power cord (from the built-in power outlet) into a wall socket.
- **TV Placement:** Carefully place your television on the spacious tabletop. This stand is suitable for TVs up to 65 inches.
- **Media Device Connection:** Utilize the cable management holes at the back of the stand to route cables from your TV and other media devices (e.g., DVD player, sound systems) to the power outlet and to each other.
- **LED Light Activation:** Connect the LED light power cable to the built-in power outlet.

6. OPERATING INSTRUCTIONS

Your jmhdyg Corner TV Stand offers convenient features for media management and ambiance.

6.1. Using the Built-in Power Outlet

- The integrated charging station includes 2 AC outlets (120V/12A) and 2 USB charging ports (5V/2A).
- Plug your TV, media players, and other electronic devices directly into these outlets for easy power access.
- The USB ports are suitable for charging smartphones, tablets, and other USB-powered devices.

6.2. Controlling the Smart RGB Ambient Lights

The side cabinets are equipped with RGB LED lighting. These lights can be controlled via a dedicated mobile application or a physical button.

- **App Control:** Download the specified mobile application (refer to the LED light instruction manual for app name and QR code). Connect your smartphone to the LED controller via Bluetooth. The app allows access to over 60,000 static colors, brightness adjustment, and various lighting modes including music synchronization and timing functions.
- **Button Control:** A physical button on the LED controller allows for basic control, such as cycling through preset colors and modes.

6.3. Storage Features

- **Display Cabinets:** The two side cabinets with glass doors are ideal for displaying decorative items or storing media.
- **Open Compartments:** Four open compartments in the center provide space for media players, game consoles, or other accessories.
- **Storage Drawers:** Two deep drawers located under the open compartments offer concealed storage for remote controls, books, or other small items.

7. MAINTENANCE

Proper care and maintenance will extend the life of your TV stand.

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners that may damage the finish.
- **Spills:** Immediately wipe up any spills to prevent staining or damage to the wood.
- **Electrical Components:** Ensure the power outlet and LED lights remain dry. Do not immerse in water. If any electrical component is damaged, discontinue use and contact customer support.
- **Hardware:** Periodically check all screws and fasteners to ensure they are tight. Retighten if necessary to maintain stability.
- **Avoid Direct Sunlight:** Prolonged exposure to direct sunlight can cause fading or discoloration of the finish.

8. TROUBLESHOOTING

If you encounter issues with your TV stand, refer to the following common solutions:

- **Instability:** If the stand wobbles, check that it is on a level surface. Verify all assembly hardware is securely tightened.
- **LED Lights Not Working:**
 - Ensure the LED light power cable is properly connected to the power outlet and the outlet is receiving power.
 - Check the connection between the LED strips and the controller.
 - If using the app, ensure Bluetooth is enabled on your device and the app is correctly paired with the controller.
- **Power Outlet Not Functioning:**
 - Verify the main power cord is securely plugged into a working wall outlet.
 - Check if the wall outlet itself is functional by plugging in another device.
 - Ensure no circuit breaker has tripped.
- **Drawers Sticking:** Check that the drawer slides are correctly installed and free of obstructions. Ensure the drawer is not overloaded.

For issues not covered here, please contact jmhdyg customer support.
