2. KEY FEATURES

- **Retro-Inspired Platform Design:** Features a classic lace-up silhouette with an extra lift for a stylish look.
- **Sustainably Crafted:** Fabric lining, footbed, and topcloth are partially made from recycled plastic bottles. The toe box and heel counter are also partially recycled.
- **Easy Clean Repellant:** Pre-treated with a topical spray applied to the sidewall of the shoe to help keep the sole cleaner longer. Individual results may vary.
- **Feel-Good Flex:** Equipped with ultra-flexible outsoles that offer extra grip and cushioning for enhanced movement.
- **Secure Fit:** Designed with a lace-up front and a padded heel for a secure and comfortable fit.
- **Sustainable Comfort:** Features anti-microbial and anti-odor Insole Technology with cushioning, comfort, and arch support. Insoles are partially crafted with 15% algae-infused BLOOM® foam.
- **Lightweight Construction:** Flexible design that moves naturally with your foot.

3. MATERIALS

- **Upper:** Faux leather, canvas, or fabric (or microfiber made from partially recycled plastic bottles).
- **Sole:** Rubber
- **Insole:** Foam, Other (Anti-microbial, Anti-odor, partially crafted with 15% algae-infused BLOOM® foam).
- **Lining & Topcloth:** Partially made from recycled plastic bottles.

4. CARE & MAINTENANCE

To maintain the appearance and longevity of your Dr. Scholl's Time Off sneakers, follow these care instructions:

- **Cleaning:** The sidewall of the shoe is pre-treated with Easy Clean Repellant. For general cleaning of the upper material, gently wipe with a damp cloth and mild soap. Avoid harsh chemicals that may damage the material.
- **Drying:** Allow shoes to air dry naturally at room temperature. Do not expose to direct heat or sunlight, as this can cause material degradation.
- **Storage:** Store shoes in a cool, dry place away from direct sunlight when not in use.

5. SIZING & FIT

The Dr. Scholl's Time Off sneakers feature a lace-up front for an adjustable and secure fit. The padded heel adds to overall comfort and helps prevent slippage. It is recommended to try on the shoes to ensure the best fit for your foot shape and size.
