PRODUCT FEATURES

- **Integrated Power Outlets & LED Light:** Equipped with 2 AC outlets and 2 USB sockets for convenient power access. The RGB LED light offers over 60,000 colors and 29 flashing modes, controllable via an app or physical buttons.
- **Practical Design Elements:** Includes a solid metal coffee capsule holder designed to hold approximately 24 Vetuo pods. An adjustable towel rack can be fixed to any metal tube on the rack, optimizing space and accessibility.
- **Ample Storage Space:** Features 8 S-hooks, 10 open storage shelves, a coffee pod holder, a cabinet with mesh doors, and a pull-out wire basket, providing comprehensive storage solutions.
- **Sturdy & Reversible Construction:** Constructed from engineered wood and a robust metal frame for enhanced stability. Adjustable feet ensure stability on uneven floors, and an anti-tip device is included for safety. The kitchen storage cabinet offers two flexible installation methods (left or right) to suit various layouts.
- **Easy Assembly & Support:** All accessories are clearly labeled, and detailed instructions are provided for straightforward assembly. Stickers are included to cover wood holes. Professional pre-sales and

after-sales customer support is available, with responses typically within 24 hours.

Key Assembly Considerations:

- **Component Identification:** Match all parts to the provided diagrams using their labels.
- **Tool Requirements:** Ensure you have the necessary tools as specified in the manual.

- **Reversible Cabinet:** The lower cabinet can be installed on either the left or right side to best fit your space. Plan your preferred orientation before securing the cabinet.
- **Adjustable Feet:** Once assembled, adjust the feet at the base of the rack to ensure stability on uneven surfaces.
- **Anti-Tip Device:** For safety, securely attach the included anti-tip device to the wall as instructed.

OPERATING INSTRUCTIONS

Power Outlets

The bakers rack includes a built-in power strip with 2 standard AC outlets (125V/12A) and 2 USB ports (5V/2A). This allows you to power multiple kitchen appliances or charge devices directly from the rack.

- Ensure the rack is properly connected to a grounded wall outlet.
- Plug your appliances or charging cables into the available AC or USB ports.
- Do not exceed the maximum load capacity of the power strip.

4 AC Outlets
[125V/12A]

2 USB Ports
[5V/2A]

Power Cord
[6.6ft]

LED Lighting System

The integrated RGB LED light strip offers customizable illumination for your coffee bar or display area.

- **Control Methods:** The LED lights can be controlled via a dedicated mobile application or through physical buttons located on the unit.
- **Color & Mode Selection:** Choose from over 60,000 colors and 29 flashing modes to create your desired ambiance.
- Refer to the separate LED light instruction manual for detailed app pairing and control functions.

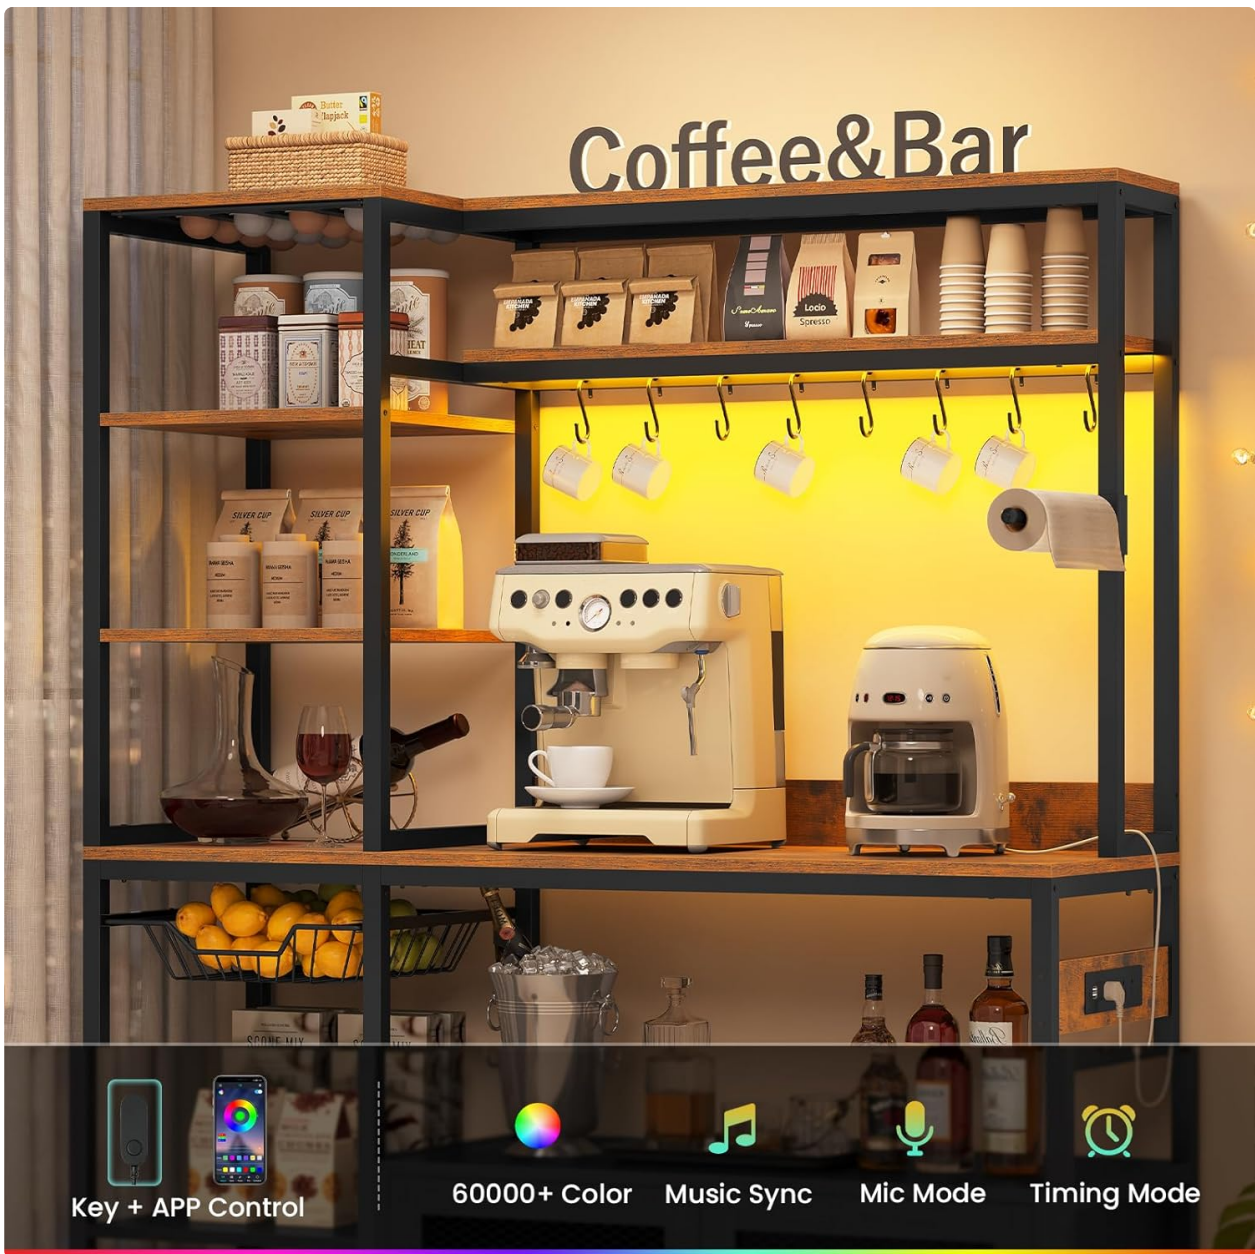

Figure 5: The baker's rack configured as a coffee bar, showcasing the vibrant LED lighting and various coffee appliances and accessories.

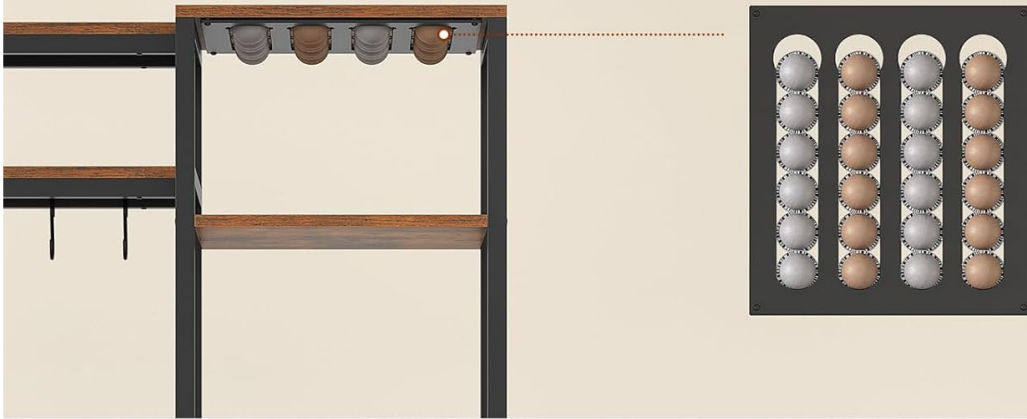

Coffee Pod Holder

The integrated coffee capsule holder is designed to store approximately 24 Vetuo pods, keeping them organized and easily accessible.

- Insert coffee pods into the designated slots.
- Ensure pods are placed securely to prevent them from falling.

Coffee Capsules Holder

It can hold about 24 coffee pods for vetuoline

Paper Towel Holder

Adjustable design makes paper towels within easy reach.

Figure 6: Detailed view of the coffee capsule holder for Vetuo pods and the adjustable paper towel holder.

Adjustable Paper Towel Holder

The paper towel holder can be adjusted and attached to any suitable metal tube on the rack for convenient access.

- Position the holder at a desired height and location.
- Securely fasten it to the metal frame.
- Slide a standard paper towel roll onto the holder.

Pull-Out Wire Basket

The wire basket provides additional storage and can be pulled out for easy access to its contents.

- Store fruits, vegetables, or other items in the basket.
- Gently pull the basket forward to access items, and push it back into place when done.

Pull-out Wire Basket

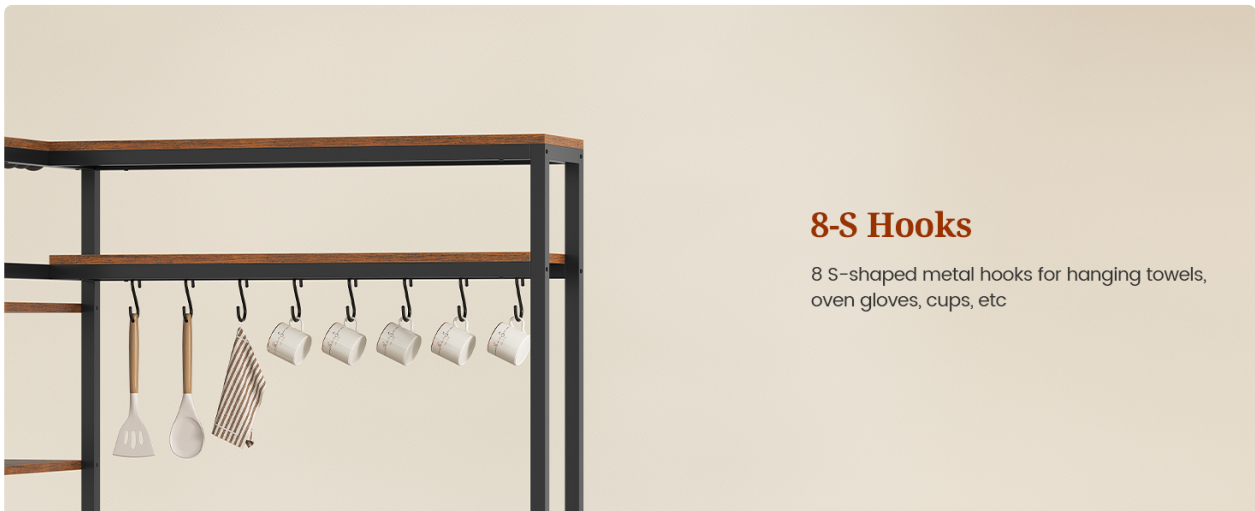

It is convenient for you to get daily necessities

MAINTENANCE

Regular maintenance will help preserve the appearance and functionality of your bakers rack.

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners that may damage the finish.
- **Spills:** Promptly clean up any spills to prevent staining or damage to the engineered wood.
- **Hardware:** Periodically check all screws and fasteners to ensure they are tight. Retighten if necessary.
- **LED Lights:** If the LED lights malfunction, refer to the specific LED light manual for troubleshooting or contact customer support.

TROUBLESHOOTING

If you encounter any issues with your bakers rack, please refer to the following common troubleshooting tips:

- **Instability/Wobbling:** Ensure the rack is placed on a flat, level surface. Adjust the leveling feet at the bottom of the unit until it is stable. Verify all assembly screws are securely tightened.
- **Power Outlets Not Working:** Check if the main power cord is securely plugged into a functional wall outlet. Ensure no circuit breakers have tripped. Do not overload the power strip with too many high-wattage appliances.
- **LED Lights Not Functioning:** Confirm the LED light power cable is properly connected. Check the LED light controller or app for any error messages or settings. Ensure the power outlet supplying the LED lights is active.
- **Missing Parts:** If you find any parts missing during assembly, please contact customer support immediately with your product details.

WARRANTY AND SUPPORT

UPOSOJA is committed to providing quality products and excellent customer service.

- **Customer Support:** For any questions, concerns, or assistance, please contact our professional pre-sales and after-sales customer support team. We aim to respond to all inquiries as soon as possible, typically within 24 hours.
- **Protection Plans:** Extended protection plans may be available for purchase separately to cover your product beyond the standard warranty. Please refer to your purchase documentation for details on available protection plans.
- **Contact Information:** Refer to your purchase receipt or the product packaging for specific contact details for customer support.
