Sillbird Magical Creatures Building Set Instruction Manual

Model: CA-I92218

INTRODUCTION

This manual provides detailed instructions for assembling and understanding the features of your Sillbird Magical Creatures Building Set. Designed for individuals aged 10 and up, this 1212-piece set allows you to construct a unique fantasy animal with floral elements, perfect for display.

SAFETY INFORMATION

WARNING: CHOKING HAZARD - Small Parts.

This building set contains small parts and is not suitable for children under 3 years of age due to potential choking hazards. Adult supervision is recommended during assembly, especially for younger builders.

WHAT'S IN THE Box

- 1212 Building Pieces (sorted into numbered bags)
- Instruction Manual

ASSEMBLY INSTRUCTIONS

Follow the step-by-step instructions provided in the included manual. The building pieces are organized into numbered bags to streamline the assembly process. It is recommended to open only the bags corresponding to the current step to avoid mixing pieces.

General Assembly Tips:

- **Organize:** Keep your workspace clear and sort pieces by color or shape if needed, although numbered bags should simplify this.
- **Follow Steps Carefully:** Each step in the manual builds upon the previous one. Ensure all connections are firm.
- **Patience is Key:** This is a challenging build with many pieces. Take your time and enjoy the process.

OPERATING AND FEATURES

Your completed Magical Creature features realistic poses and movement thanks to its poseable joints. This allows for dynamic display options and interactive engagement.

Poseable Joints and Movement:

- **Wings:** The creature's wings can be folded out for flight poses or adjusted to various positions.

- **Legs:** Adjust the legs to simulate walking, bowing, or standing poses.
- **Display:** Once assembled, the model serves as a whimsical floral home decor piece, adding a magical touch to any space.

MAINTENANCE

- **Cleaning:** To clean your assembled model, gently wipe it with a dry, soft cloth. Avoid using harsh chemicals or abrasive materials.

- **Storage:** Store the model in a stable location away from direct sunlight and extreme temperatures to prevent discoloration or material degradation.
- **Disassembly:** If disassembling, keep all pieces organized to facilitate future reassembly.

TROUBLESHOOTING

- **Missing Pieces:** In the rare event of missing pieces, please contact Sillbird customer support with details of the missing part and your purchase information.
- **Difficulty Connecting Pieces:** Ensure pieces are aligned correctly and apply gentle, even pressure. Avoid forcing pieces together, as this may cause damage.
- **Model Instability:** Double-check all connections, especially at the base and major joints, to ensure they are firmly attached as per the instructions.
