Blackview Fitbuds H1

Blackview FitBuds H1 Over-Ear Bluetooth Headphones

USER MANUAL

Introduction

Thank you for choosing the Blackview FitBuds H1 Over-Ear Bluetooth Headphones. This manual provides essential information for setting up, operating, and maintaining your headphones to ensure optimal performance and longevity. Please read this manual thoroughly before use and retain it for future reference.

Controls and Ports (General)

- Power Button/Multi-function Button:** Used for powering on/off, play/pause, answering/ending calls, and activating voice assistant.
- Volume Up/Next Track Button:** Increases volume with a short press, skips to the next track with a long press.
- Volume Down/Previous Track Button:** Decreases volume with a short press, goes to the previous track with a long press.
- ANC Button:** Toggles Active Noise Cancellation on/off.
- USB-C Charging Port:** For charging the headphones.
- LED Indicator:** Displays power, charging, and pairing status.

Setup

1. Charging the Headphones

- Connect the provided USB-C charging cable to the charging port on the headphones.
- Connect the other end of the cable to a USB power adapter (not included) or a computer's USB port.
- The LED indicator will show charging status (e.g., red while charging, off or blue when fully charged).
- A full charge takes approximately 2 hours. The headphones offer up to 65 hours of playback with ANC off, or 36 hours with ANC on.

2. Power On/Off

- **Power On:** Press and hold the Power/Multi-function button for approximately 3 seconds until the LED indicator flashes blue and you hear a power-on prompt.
- **Power Off:** Press and hold the Power/Multi-function button for approximately 3 seconds until the LED indicator flashes red and you hear a power-off prompt.

3. Bluetooth Pairing

1. Ensure the headphones are powered off.
2. Press and hold the Power/Multi-function button for approximately 5 seconds until the LED indicator flashes blue and red alternately, indicating pairing mode.
3. On your device (smartphone, tablet, laptop), enable Bluetooth and search for available devices.
4. Select "Blackview FitBuds H1" from the list of found devices.
5. Once connected, the LED indicator will flash blue slowly, and you will hear a connection prompt.
6. The headphones support Bluetooth 5.4 for stable connections up to 15 meters indoors.

Operating Instructions

Music Playback

- **Play/Pause:** Short press the Power/Multi-function button.
- **Next Track:** Long press the Volume Up button.
- **Previous Track:** Long press the Volume Down button.
- **Volume Up:** Short press the Volume Up button.
- **Volume Down:** Short press the Volume Down button.

Call Management

- **Answer/End Call:** Short press the Power/Multi-function button.
- **Reject Call:** Long press the Power/Multi-function button.

Active Noise Cancellation (ANC)

- Press the dedicated ANC button to toggle Active Noise Cancellation on or off.
- When ANC is active, the headphones reduce up to 35dB of steady background noise.

Voice Assistant

- Triple-press the Power/Multi-function button to activate your device's voice assistant (e.g., Siri, Google Assistant).

Maintenance

Proper maintenance ensures the longevity of your headphones.

- **Cleaning:** Use a soft, dry cloth to clean the headphones. Do not use abrasive cleaners or solvents.
- **Storage:** When not in use, store the headphones in a cool, dry place, away from direct sunlight and extreme temperatures. The foldable design allows for compact storage.

Fold It, Pack It, Take It

Space-saving Folding Design

Whether you're heading to the office or on a weekend getaway, FitBuds H1's foldable, rotating design makes it easy to carry your headphones without sacrificing space or style.

Image demonstrating the foldable design of the Blackview FitBuds H1 headphones, being placed into a bag.

- **Water Resistance:** The headphones are water-resistant. Avoid submerging them in water or exposing them to heavy rain.

Troubleshooting

If you encounter issues, try the following solutions:

- **Headphones not powering on:** Ensure the headphones are fully charged.
- **Unable to pair with device:**
 1. Ensure the headphones are in pairing mode (LED flashing blue and red).
 2. Turn off Bluetooth on your device and turn it back on.
 3. Clear the Bluetooth pairing list on your device and try pairing again.
 4. Ensure the headphones are within the 15-meter Bluetooth range of your device.
- **No sound or low volume:**
 1. Check the volume levels on both the headphones and your connected device.
 2. Ensure the headphones are properly connected via Bluetooth.
 3. Try playing audio from a different application or device.
- **ANC not working effectively:** Ensure the ear cushions form a proper seal around your ears.

Specifications

Model Name	Fitbuds H1
Connectivity Technology	Wireless (Bluetooth 5.4)
Ear Placement	Over Ear
Noise Control	Hybrid Active Noise Cancellation (ANC)
Audio Driver Type	40mm Dynamic Driver

Safety Information

Please observe the following safety guidelines:

- Do not expose the headphones to extreme temperatures, humidity, or corrosive environments.
- Avoid dropping or subjecting the headphones to strong impacts.
- Do not disassemble or attempt to repair the headphones yourself. This may void the warranty and cause damage.
- Adjust volume to a moderate level to prevent hearing damage. Prolonged exposure to loud sounds can cause permanent hearing loss.
- Do not use the headphones in situations where inability to hear ambient sounds could be dangerous (e.g., driving, cycling, walking in traffic).

Warranty and Support

Blackview products are designed for reliability and performance. For warranty information or technical support, please refer to the warranty card included with your purchase or visit the official Blackview website. Please have your product model number (FitBuds H1) and purchase details ready when contacting support.
