SETUP

1. Charging the Earbuds and Case

Before first use, fully charge the earbuds and the charging case. Connect the provided USB-C cable to the charging case and a power source. The LED display on the case will show the charging status and battery levels.

- **Charging Time:** Approximately 1.5 hours for a full charge.
- **Battery Life:** Up to 8 hours of playback on a single charge, and up to 36 hours total with the charging case.

3. Pairing with Your Device

1. Open the charging case. The earbuds will automatically power on and enter pairing mode.
2. On your device (smartphone, tablet, laptop), enable Bluetooth.
3. Search for "G21 Pro" in the list of available Bluetooth devices and select it to connect.
4. Once connected, the earbuds will automatically pair with the last connected device when removed from the case.

One Step Pairing & Smart Touch

Latest Bluetooth 5.4 technology for fast pairing without waiting.

Audio Playback

Experience high-fidelity stereo sound with 14.2mm dynamic drivers and AAC/SBC audio decoding technology.

- **Play/Pause:** Double tap either earbud.
- **Next Track:** Long press the right earbud for 2 seconds.
- **Previous Track:** Long press the left earbud for 2 seconds.

MAINTENANCE

Cleaning

Regular cleaning helps maintain sound quality and hygiene.

- Gently wipe the earbuds and charging case with a soft, dry, lint-free cloth.
- Remove ear tips and clean them with mild soap and water if necessary. Ensure they are completely dry before reattaching.

- Use a cotton swab or a small, soft brush to clean the mesh and charging contacts.
- Avoid using abrasive materials, solvents, or harsh chemicals.

Storage

Store the earbuds in their charging case when not in use to protect them and keep them charged.

Water Resistance (IP7)

The Rinsmola G21 Pro earbuds are IP7 waterproof, meaning they are resistant to sweat and rain. They are suitable for daily use, including exercise. However, they are not designed for swimming or prolonged submersion in water.

Image: The Rinsmola G21 Pro earbuds shown with water splashing around them, signifying their IP7 waterproof capability, making them resistant to sweat and rain.

TROUBLESHOOTING

Earbuds Not Pairing

- Ensure both earbuds are charged.
- Place both earbuds back into the charging case, close the lid, then open it again to reset them.
- Turn off and on your device's Bluetooth.
- Delete "G21 Pro" from your device's Bluetooth list and try pairing again.
- Ensure the earbuds are within the 20-meter Bluetooth range of your device.

No Sound or Low Volume

- Check the volume levels on both your device and the earbuds.
- Ensure the earbuds are properly connected to your device.
- Clean the earbud mesh to remove any obstructions.
- Try different sized ear tips to ensure a proper seal in your ear canal.

Call Quality Issues

- Ensure the microphones are not obstructed.
- Move to a quieter environment if possible, although ENC helps reduce background noise.
- Check your device's network signal.

Earbuds Not Charging

- Ensure the charging cable is securely connected to both the case and the power source.
- Verify the power source is active.
- Clean the charging contacts on both the earbuds and inside the case.
- Check if the charging case itself has sufficient battery.
