Qecnato S10

Qecnato S10 Military Smart Watch User Manual

Model: S10

1. PRODUCT OVERVIEW

The Qecnato S10 Military Smart Watch is a rugged and versatile device designed for active lifestyles. It features Bluetooth calling, comprehensive health monitoring, multiple sports modes, and a durable, waterproof design. This manual provides detailed instructions to help you get the most out of your new smartwatch.

2. WHAT'S IN THE BOX

Upon opening your Qecnato S10 package, you should find the following items:

- S10 Smart Watch (1 unit)
- Magnetic Charging Cable (1 unit)
- User Manual (1 unit)

3. SETUP GUIDE

3.1 Initial Charging

Before first use, fully charge your Qecnato S10 Smart Watch. Connect the magnetic charging cable to the charging points on the back of the watch and plug the USB end into a standard USB power adapter (not included). A full charge typically takes approximately 2 hours.

Long Battery Life

2 Hrs

Charging duration

30 Days

3.2 App Download and Pairing

To unlock the full functionality of your smartwatch, you need to download and connect it with the **Gloryfit** application on your smartphone.

1. **Scan QR Code:** Use your smartphone's camera to scan the QR code provided in the watch's packaging or on the watch screen to download the Gloryfit app. Alternatively, search for "Gloryfit" in your phone's app store (compatible with Android 5.0+ and iOS 9.0+).
2. **Install and Open App:** Follow the on-screen instructions to install the app. Once installed, open the Gloryfit application.
3. **Enable Bluetooth:** Ensure Bluetooth is enabled on your smartphone.
4. **Pair Device:** In the Gloryfit app, navigate to the device section and select "Add Device" or "Bind Device." The app will search for nearby devices. Select "S10" from the list to pair.
5. **Confirm Pairing:** Follow any prompts on both your phone and watch to confirm the pairing. Once successfully paired, the watch will synchronize time and data with your phone.

3.3 Bluetooth Call Function Setup

For the call function, you need to connect the watch's Bluetooth audio separately:

1. After successful pairing with the Gloryfit app, go to your smartphone's Bluetooth settings.
2. Look for a device named "S10_Audio" or similar in the list of available devices.
3. Tap to connect to this audio device. Once connected, you can make and receive calls directly from your watch.

4. OPERATING INSTRUCTIONS

4.1 Basic Navigation

- **Touchscreen:** Swipe left/right, up/down to navigate through menus and functions. Tap to select.
- **Side Buttons:** The watch features physical buttons for quick access to certain functions or to return to the home screen. Refer to the watch's on-screen prompts for specific button actions.

4.2 Bluetooth Calls & Notifications

Once the Bluetooth audio is connected, you can:

- **Make Calls:** Access the dial pad, contacts, or call history directly on the watch.
- **Receive Calls:** Answer or reject incoming calls from your wrist.
- **Notifications:** Receive instant alerts for calls, SMS, and app notifications (e.g., Facebook, WhatsApp, Instagram, Twitter) directly on your watch. Manage notification settings within the Gloryfit app.

Convenient Smart Watch Interaction

4.3 Health Monitoring

The S10 watch provides 24-hour non-stop data monitoring for various health metrics:

- **Heart Rate:** Continuous heart rate tracking.
- **Sleep Monitoring:** Tracks sleep duration and quality.
- **Breathing Exercises:** Guided breathing sessions.
- **Blood Oxygen (SpO2):** Measures blood oxygen levels.

View detailed health data and trends in the Gloryfit app.

Health Fitness watch

24-hour non-stop data detection, focusing on and understanding your health status.

4.5 Other Practical Functions

The S10 smart watch includes a variety of additional features:

- **Camera Control:** Remotely control your phone's camera.
- **Music Control:** Play, pause, skip tracks on your phone.
- **Alarm:** Set multiple alarms.
- **Weather Forecast:** Get real-time weather updates.
- **Sedentary Reminder:** Alerts you to move after periods of inactivity.
- **Calculator:** Basic calculator function.
- **Timer & Stopwatch:** For timing activities.

5. MAINTENANCE

5.1 Cleaning Your Watch

Regularly clean your watch and strap to prevent skin irritation and maintain device longevity. Use a soft, lint-free cloth. If necessary, slightly dampen the cloth with water. Avoid using harsh chemicals or abrasive materials.

5.2 Water Resistance (IP68)

The Qecnato S10 Smart Watch is IP68 waterproof, dustproof, and shockproof. This means it can withstand rain, sweat, and brief immersion in water (up to 1.5 meters for 30 minutes). However, it is not suitable for hot water, saunas, or deep diving. Avoid pressing buttons underwater.

Image: The Qecnato S10 Smart Watch highlighting its robust military-grade features, including dustproof, IP68 waterproof, temperature resistance, and anti-impact capabilities.

5.3 Battery Care

To maximize battery life, avoid extreme temperatures and do not leave the watch fully discharged for extended periods. Charge the watch using the provided magnetic cable only.

6. TROUBLESHOOTING

If you encounter issues with your Qecnato S10 Smart Watch, please refer to the following common solutions:

- **Watch not turning on:** Ensure the watch is fully charged. Connect it to the charger for at least 10 minutes.
- **Unable to pair with phone:**
 - Ensure Bluetooth is enabled on your phone.
 - Make sure the watch is within Bluetooth range (typically 10 meters).
 - Restart both your phone and the watch.
 - Clear Bluetooth cache on your phone (if applicable).
 - Ensure you are connecting to both the watch (via Gloryfit app) and the audio device (via phone's Bluetooth settings).
- **Notifications not appearing:**
 - Check notification permissions for the Gloryfit app in your phone's settings.
 - Ensure notifications are enabled within the Gloryfit app for specific applications.
 - Verify that the watch is properly connected via Bluetooth.
- **Inaccurate health data:**
 - Ensure the watch is worn snugly on your wrist, not too tight or too loose.
 - Clean the sensor on the back of the watch.
 - Note that smartwatches are not medical devices and readings are for reference only.
- **Short battery life:**
 - Frequent use of Bluetooth calls, continuous heart rate monitoring, and bright screen settings can reduce battery life.
 - Reduce screen brightness and turn off unnecessary features.

For more detailed troubleshooting or persistent issues, refer to the Gloryfit app's help section or contact customer support.

7. SPECIFICATIONS

Feature	Specification
Brand	Qecnato
