CHARMAID CD10994-UH

CHARMAID Vanity Desk with LED Mirror and Stool

Model: CD10994-UH

Instruction Manual

IMPORTANT SAFETY INFORMATION

Please read and understand all instructions before assembly and use. Failure to follow these instructions may result in injury or damage to the product.

- Always unplug the vanity desk before assembly or disassembly.
- Be cautious of sharp edges and pinch points during assembly and usage.
- Do not exceed the weight capacity of the tabletop (44 lbs) and stool (220 lbs).
- Keep the power cord away from heat sources and liquids.
- Do not use the vanity desk with a damaged cord or plug.
- Always turn off the vanity desk when not in use.

PACKAGE CONTENTS

Ensure all components are present before beginning assembly.

- 1 x Vanity Desk
- 1 x Vanity Stool
- 1 x User Guide (This document)

ASSEMBLY INSTRUCTIONS

Assembly is required for this product. Please follow these general steps. Refer to the included user guide for detailed diagrams and specific hardware.

- 1. Unpack Components:** Carefully remove all parts from the packaging. Lay them out on a clean, soft surface to prevent scratches. Verify all parts are present against the package contents list.
- 2. Assemble Desk Frame:** Attach the solid wood legs to the main desk frame using the provided hardware. Ensure all connections are secure but do not overtighten initially.
- 3. Install Drawers:** Insert the desktop drawers and larger lower drawers into their respective slots. Ensure the metal drawer slides operate smoothly.
- 4. Attach Mirror:** Secure the LED mirror unit to the top of the desk. Connect any necessary electrical wiring for the mirror lights as instructed in the detailed manual.

5. **Assemble Stool:** Attach the legs to the stool base and secure the cushioned seat.
6. **Final Tightening:** Once all components are in place, carefully tighten all screws and bolts. Do not overtighten.
7. **Positioning:** Place the assembled vanity desk and stool in your desired location. Ensure it is stable and level.

OPERATING INSTRUCTIONS

LED Mirror Operation

The integrated LED mirror offers adjustable lighting to suit various makeup needs.

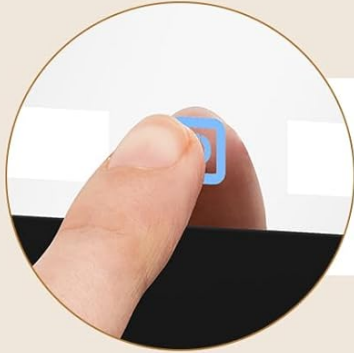

- **Power On/Off:** Locate the touch button on the mirror surface. A short press will turn the lights on or off.
- **Change Color Mode:** With the lights on, a short press of the touch button will cycle through the three color modes:
 - Cool White (6500K)
 - Natural White (4000K)

- Warm Yellow (3000K)

- **Adjust Brightness:** With the lights on, a long press on the touch button will adjust the brightness steplessly from 25% to 100%. Release the button when the desired brightness is achieved.

3 Color Lighting Modes

Meet your different needs

- ☀ Short press to switch the color
- ☀ Long press to change the brightness

○ 6500K
Cool White

○ 4000K
Warm White

● 3000K
Warm Yellow

Storage Drawer Usage

The vanity desk is equipped with multiple storage options for organization.

- **Desktop Drawers:** Two smaller drawers are located on the desktop for easy access to frequently used items.
- **Large Drawers:** Two spacious lower drawers provide ample storage for larger items or less frequently used cosmetics and accessories.
- **Open Shelf:** An open shelf area is available for display or quick access to items.

Ample Storage Space

Keep your cosmetics and other essentials tidy and organized

MAINTENANCE

Proper care will ensure the longevity and appearance of your vanity desk.

- **Cleaning Surfaces:** Wipe all surfaces with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals that may damage the finish.
- **Mirror Care:** Clean the mirror with a glass cleaner and a lint-free cloth. Do not spray cleaner directly onto the mirror to prevent liquid from entering the electrical components.
- **Drawer Maintenance:** Periodically check drawer slides for smooth operation. If needed, a small amount of silicone lubricant can be applied to the slides.
- **Tighten Hardware:** Occasionally check and tighten all screws and bolts to ensure stability.
- **Avoid Direct Sunlight:** Prolonged exposure to direct sunlight may cause fading or damage to the finish.
