Aheaplus 59-inch Gaming Desk

Aheaplus 59-inch Gaming Desk with LED Lights and Power Outlets User Manual

Model: 59-inch Gaming Desk | Brand: Aheaplus

INTRODUCTION

This manual provides comprehensive instructions for the assembly, operation, maintenance, and troubleshooting of your Aheaplus 59-inch Gaming Desk. This desk is designed for home office and gaming environments, featuring integrated LED lighting, power outlets, fabric file drawers, a monitor stand, and additional storage shelves.

IMPORTANT SAFETY INFORMATION

Please read and understand all safety instructions before assembly and use. Failure to follow these instructions may result in injury or damage to the product.

- Always follow the assembly instructions carefully.
- Keep children and pets away from the assembly area to prevent injuries.
- Ensure the desk is properly assembled and stable before use.
- Do not overload the desk or shelves beyond their weight capacity.
- Ensure all electrical connections for the power outlets and LED lights are secure and comply with local electrical codes.
- Avoid spilling liquids directly onto the power outlets or LED light strip.

SETUP AND ASSEMBLY

The Aheaplus Gaming Desk requires assembly. All necessary hardware and tools are included. Follow the step-by-step instructions provided in the packaging. The general assembly process involves:

1. **Unpacking and Inventory:** Carefully unpack all components and verify against the parts list.
2. **Frame Assembly:** Assemble the metal frame structure using the provided screws and tools.
3. **Desktop Installation:** Secure the engineered wood desktop to the assembled frame.
4. **Monitor Stand Attachment:** Attach the full-size monitor stand to the desktop.
5. **Storage Shelf Assembly:** Install the open storage shelves on the side.
6. **Drawer Unit Integration:** Assemble and integrate the fabric drawer units.
7. **Power Outlet and LED Light Installation:** Install the power outlet strip and LED light strip according to the specific instructions. Connect the power cord.
8. **Final Check:** Ensure all connections are tight and the desk is stable before placing items on it.

OPERATING INSTRUCTIONS

Power Outlets and USB Charging Ports

Your Aheaplus Gaming Desk is equipped with 3 AC power outlets (120V/12A) and 2 USB charging ports (5V/2A) for convenient device charging. The integrated 6.5ft power cord allows flexible placement.

- **To Use:** Plug the desk's main power cord into a wall outlet.
- **AC Outlets:** Insert device power plugs into the 3 AC outlets.
- **USB Ports:** Connect USB charging cables to the 2 USB ports for charging smartphones, tablets, or other USB-powered devices.

Figure 3: Detail of the integrated power strip, showing 3 AC outlets and 2 USB charging ports.

LED Lights Operation

The desk features an RGB LED light strip. Control is managed via a smart application on your mobile device.

- **App Download:** Refer to the specific instructions provided with the LED light kit for downloading and installing the control application.
- **Connection:** Pair your mobile device with the LED light strip via Bluetooth or Wi-Fi as instructed by the app.

- **Color and Mode Selection:** Use the app to select from over 60,000 colors and multiple lighting modes.
- **Timing Mode:** Set schedules for the lights to turn on or off.
- **Music Sync Mode:** Activate music sync mode to have the lights respond to audio rhythms.

Fabric File Drawers

The desk includes three durable fabric drawers for organized storage of documents, office supplies, or gaming equipment. The bottom drawer is designed for letter-size files.

- **Usage:** Pull the drawer handles to open and push to close.
- **File Storage:** Utilize the bottom drawer for hanging letter-size files.
- **Capacity:** Do not overload drawers beyond their intended capacity to ensure smooth operation and prevent damage.

Figure 4: The three fabric drawers, illustrating their capacity for various items including hanging files.

MAINTENANCE

Regular maintenance helps prolong the life and appearance of your desk.

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners.
- **Spills:** Clean up spills immediately to prevent damage to the engineered wood surface.
- **Hardware:** Periodically check and tighten all screws and fasteners to ensure stability.
- **Electrical Components:** Ensure the power cord and LED light connections are free from damage. Do not attempt to repair electrical components yourself.

TROUBLESHOOTING

This section addresses common issues you might encounter.

- **LED Lights Not Working:**
 - Ensure the desk's main power cord is securely plugged into a functional wall outlet.
 - Check if the LED light strip's power connection is secure.
 - Verify that the control application is correctly paired with the LED strip and that settings are active.
- **Power Outlets/USB Ports Not Functioning:**
 - Confirm the desk's main power cord is plugged in and the wall outlet is live.
 - Check if the device you are trying to charge is properly connected and functional.
 - Avoid overloading the outlets; ensure total wattage does not exceed the specified limits.
- **Desk Instability:**
 - Verify that all assembly screws are tightened.
 - Ensure the desk is placed on a flat, level surface.
 - Adjust any leveling feet if present.

SPECIFICATIONS

Feature	Detail
Brand	Aheaplus
Model	59-inch Gaming Desk

Figure 5: Product dimensions and key features diagram.

Note on Dimensions: The product title mentions "59 inch", which typically refers to width. However, the detailed specifications list "Product Dimensions: 18.5"D x 35"W x 34.6"H" and "Size: 35" W x 18.5" D x 34.6" H". This manual uses the detailed specification dimensions for accuracy. Please verify the exact dimensions upon receipt if this is a critical factor.

WARRANTY AND SUPPORT

Warranty Information

This Aheplus product comes with a **Limited Warranty**. For specific terms and conditions of the warranty, please refer to the

documentation included with your purchase or contact Aheaplus customer service.
