KEY FEATURES

- **Next-generation Bluetooth 5.4:** Equipped with a Bluetooth 5.4 chip for faster and more stable data transfer, improving issues like audio cuts, skips, and delays. Ideal for music, calls, gaming, and video viewing.
- **Open-Ear Design:** Unlike traditional in-ear headphones, these open-ear earphones do not block your ear canal, offering good ventilation and preventing stuffiness. Comfortable for extended wear.
- **Dual Modes:** Features a large 14.2mm dynamic driver for clear mid-high tones and powerful bass. Offers a high-quality music experience faithful to the original sound. Also includes a Game Mode to reduce audio-video delay for a stress-free gaming experience.
- **Clear Calls:** Each earphone has a built-in microphone, ensuring your voice is clearly picked up and transmitted during calls, providing a better call experience.
- **Sound Leakage Prevention:** Utilizes directional sound transmission technology to minimize sound leakage,

ensuring that only you can clearly hear the audio. Enjoy music or calls discreetly in public places or offices.

- **Comfortable Fit:** The ear hooks are made of soft material and shape-memory alloy, allowing adjustment to fit your ear shape. Provides a natural fit, almost making you forget you're wearing them. Reduces ear burden during long periods of use.
- **Up to 25 Hours Playback:** A single full charge provides approximately 7 hours of playback for the earphones. Combined with the 400mAh charging case, total playback time extends up to 25 hours.

MAINTENANCE

Proper maintenance ensures the longevity and optimal performance of your Nakamichi OP-TW009 earphones.

- **Cleaning:** Regularly wipe the earphones and charging case with a soft, dry, lint-free cloth. Do not use abrasive cleaners or solvents.
- **Storage:** When not in use, store the earphones in their charging case to protect them from dust and damage.
- **Avoid Water:** While designed for active use, avoid submerging the earphones in water. If they get wet, dry them thoroughly before placing them back in the charging case.
- **Temperature:** Avoid exposing the earphones to extreme temperatures (hot or cold) or high humidity.

TROUBLESHOOTING

If you encounter any issues with your Nakamichi OP-TW009 earphones, please refer to the following common solutions:

- **No Sound/Connection Issues:**
 - Ensure the earphones are charged.
 - Make sure Bluetooth is enabled on your device and the earphones are selected.
 - Try unpairing and re-pairing the earphones with your device.
 - Restart your device.
- **Earphones Not Charging:**
 - Ensure the charging cable is securely connected to both the case and the power source.
 - Check if the charging contacts on the earphones and inside the case are clean and free of debris.
 - Try a different charging cable or power adapter.
- **Poor Sound Quality:**
 - Ensure the earphones are properly seated on your ears.
 - Check the audio source quality.
 - Move closer to your device to avoid interference.
- **Microphone Issues:**
 - Ensure the microphone is not obstructed.
 - Check your device's settings to ensure the earphones are selected as the input device.

If the issue persists after trying these steps, please contact customer support.
