Pamray S10

Pamray S10 64-Inch L-Shaped Gaming Desk User Manual

Model: S10

1. Introduction

This manual provides detailed instructions for the assembly, operation, and maintenance of your Pamray S10 64-inch L-Shaped Gaming Desk. Please read this manual thoroughly before assembly and use to ensure proper function and safety.

2. Safety Information

Important Safety Instructions:

- Always assemble the desk according to the provided instructions.
- Ensure all parts are securely fastened to maintain stability.
- Do not use the desk until it is fully assembled.
- The desk can support a maximum weight of 150 pounds. Exceeding this weight limit may cause instability and potential damage.
- Keep children and pets away from the assembly area.
- Do not stand or sit on the desk.

3. Package Contents

Before beginning assembly, verify that all components listed in the packing list are present and undamaged. If any parts are missing or damaged, please contact customer support.

4. Assembly Instructions

Assembly of the Pamray S10 desk requires careful attention to detail. All necessary installation tools are included in the accessory bag. For a visual guide, comprehensive installation videos are available from the seller. You can typically find these by scanning the transparency label on the packaging or visiting the product page online.

Key Assembly Tips:

- Identify all parts and hardware before starting.
- Follow the step-by-step instructions provided in the included manual.
- Ensure all screws and fasteners are tightened securely but do not overtighten.
- Pay attention to the orientation of parts, especially those with letter stickers, as indicated in the instructions.

5. Operating Instructions

5.1. Power Outlets and USB Charging Ports

The desk is equipped with a built-in power strip for convenient device charging and power supply.

- **4 AC Outlets:** Provides 125V/12A power for standard electronics.
- **2 USB Charging Ports:** Delivers 5V/2A for charging phones, tablets, and other USB-powered devices.
- The power cord is 4.92 feet long.
- Rated Power: 1500W.

5.2. LED Lights

The integrated LED light strip offers customizable lighting options to enhance your workspace ambiance.

- **Control:** Remotely controlled via a dedicated app.
- **Modes:** Features 213 dynamic multicolor lighting modes.
- **Colors:** Over 10,000 color options available.
- **Adjustments:** Brightness and hues can be adjusted to suit your preference.

5.3. Pegboard and Hooks

The desk includes a pegboard and hooks for organizing gaming gear and accessories.

- Use the provided hooks to hang controllers, headphones, and other items.
- The pegboard helps keep your workspace tidy and essential items within easy reach.

Image: A close-up of the desk's pegboard section, showing gaming controllers and headphones neatly hung on the included hooks. This highlights the organizational capabilities of the pegboard.

6. Maintenance

To ensure the longevity and appearance of your Pamray S10 desk, follow these maintenance guidelines:

- **Cleaning:** Wipe the desk surface with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals that could damage the finish.
- **Spills:** Promptly clean up any spills to prevent staining or damage to the tabletop. The tabletop is designed to be water-resistant.
- **Fasteners:** Periodically check all screws and connections to ensure they remain tight. Retighten if necessary.
- **Weight Distribution:** Distribute weight evenly across the desk surface to prevent stress on any single point.

7. Troubleshooting

This section addresses common issues you might encounter with your Pamray S10 desk.

- **Desk Wobbles:** Ensure all screws are securely tightened. Check that the desk is on a level surface. The adjustable feet can be used to stabilize the desk on uneven floors.
- **LED Lights Not Working:** Verify that the power adapter for the LED strip is properly connected to a working outlet. Check the app connection and settings.
- **Power Outlets Not Functioning:** Confirm the desk's main power cord is plugged into a live wall outlet. Test the outlet with another device.
- **Missing Parts:** If you discover missing parts during assembly, refer to the package contents list and contact customer support for assistance.
