## 4. SETUP AND ASSEMBLY

Follow the detailed, step-by-step instructions provided in the included manual to assemble your City Pet Shop. The construction process is designed to be enjoyable for both individuals and teams.

1. **Unpack Components:** Carefully open the packaging and sort the building blocks. It is recommended to organize pieces by color or type to facilitate assembly.
2. **Follow Instructions:** Refer to the English language instruction manual. Each step is illustrated to guide you through the building process. Pay close attention to the orientation and placement of each block.
3. **Connect Blocks Securely:** Ensure that all blocks are firmly connected to maintain the structural integrity of the model.
4. **Integrate Details:** As you build, incorporate the various detailed elements such as the counter, shelves, pet accessories, and animal figures according to the manual.
5. **Install LED Lights:** The LED light strips are designed for easy integration. Follow the specific steps in

the manual for their placement to ensure proper functionality and aesthetic appeal.

## 5. OPERATING THE LED LIGHTS

The INSOON City Pet Shop features two independent LED light strips to illuminate your model, creating a cozy ambiance. The lights are powered by 3 Nonstandard Battery batteries, which are included.

1. **Battery Installation:** Ensure the 3 Nonstandard Battery batteries are correctly installed in the designated battery compartment(s) as shown in the instruction manual. Observe polarity (+/-).
2. **Activating Lights:** Locate the switch(es) connected to the LED light strips. Flip the switch(es) to the 'ON' position to activate the warm yellow light.
3. **Deactivating Lights:** To turn off the lights, flip the switch(es) to the 'OFF' position.

The independent design of the light strips allows for easy disassembly of the upper and lower floors without hindering the lighting function.

## 6. MAINTENANCE AND CARE

To ensure the longevity and appearance of your INSOON City Pet Shop model, follow these simple care guidelines:

- **Cleaning:** Gently wipe the model with a dry, soft cloth to remove dust. Avoid using abrasive cleaners or harsh chemicals, as these can damage the ABS plastic.
- **Storage:** Store the model in a cool, dry place away from direct sunlight and extreme temperatures to prevent material degradation or color fading.
- **Handling:** Handle the assembled model with care to avoid accidental disassembly of smaller components.
- **Battery Replacement:** If the LED lights dim or stop working, replace the 3 Nonstandard Battery batteries with new ones, ensuring correct polarity.

## 7. TROUBLESHOOTING

Should you encounter any issues with your INSOON City Pet Shop, please refer to the following common troubleshooting tips:

- **Missing Pieces:** If you find any pieces missing during assembly, carefully review the package contents and the instruction manual. If a piece is genuinely missing, please contact INSOON customer support for assistance.
- **LED Lights Not Working:**
  - Check if the batteries are correctly installed with the proper polarity.
  - Ensure the batteries are not depleted; replace them if necessary.
  - Verify that the light strip connections are secure and not damaged.
- **Model Instability:** If parts of the model feel loose or unstable, re-examine the connections in the affected area. Ensure all blocks are pressed firmly together as per the instructions.
