RADLEY OHE/102/03

RADLEY London Brook Avenue Shoulder Bag

INSTRUCTION MANUAL - MODEL OHE/102/03

1. Introduction

This manual provides essential information for the proper use, care, and maintenance of your RADLEY London Brook Avenue Women's Leather Medium Ziptop Shoulder Bag. Please read these instructions carefully to ensure optimal longevity and functionality of your product.

The Brook Avenue shoulder bag is crafted from grained leather, featuring an A-line shape, a secure set-down zip fastening, and a front slip pocket with a twist-lock closure. It includes a padded, tapered strap with adjustable buckled ends for comfortable wear.

2. Setup and Initial Use

- Unpacking:** Carefully remove the bag from its packaging. Retain any protective materials for future storage if desired.
- Strap Adjustment:** The shoulder strap features buckled ends. Adjust the strap length by moving the buckle to your preferred position for comfortable shoulder or cross-body wear.
- Familiarization:** Inspect the bag's features, including the main compartment zipper, front pocket twist-lock, and interior pockets.

3. Operating Instructions

- **Main Compartment:** The main compartment is secured with a set-down zip fastening. To open, pull the zipper tab along the track. To close, ensure the zipper teeth are aligned and pull the tab until fully closed. This design provides enhanced security for your belongings.
- **Front Slip Pocket:** Access the front slip pocket by rotating the twist-lock mechanism. Turn the metal bar to align with the slot, then lift the flap. To secure, close the flap and rotate the metal bar to lock it in place.
- **Interior Pockets:** Utilize the internal pockets for organizing smaller items such as keys, phone, or cards. The bag features a Radley canvas lining.

4. Maintenance and Care

To preserve the quality and appearance of your leather bag, follow these care guidelines:

- **Cleaning:** Wipe the leather surface with a soft, damp cloth. For deeper cleaning, use a specialized leather cleaner according to its instructions. Avoid harsh chemicals or abrasive materials.

- **Protection:** Protect the bag from prolonged exposure to direct sunlight, heat, and moisture. Rain or spills should be blotted immediately with a clean, dry cloth.
- **Storage:** When not in use, store the bag in a dust bag (if provided) in a cool, dry place. Avoid crushing or folding the bag to maintain its shape.
- **Avoid Overloading:** Do not overload the bag, as this can strain the seams, zippers, and strap, potentially affecting its shape and durability.

Figure 4.1: Rear view of the Brook Avenue shoulder bag, showing the continuous grained leather finish.

5. Troubleshooting

- Zipper Sticking:** If the main compartment zipper becomes stiff, gently rub a small amount of zipper lubricant (e.g., beeswax or a specialized zipper wax) along the teeth. Avoid forcing the zipper.
- Twist-Lock Difficulty:** Ensure the flap is properly aligned before attempting to engage or disengage the twist-lock. Do not apply excessive force.
- Strap Slippage:** If the adjustable strap slips, ensure the buckle is securely fastened and the leather is not excessively worn at the adjustment points.

6. Specifications

Feature	Detail
Model Number	OHE/102/03
Product Dimensions	4.33 x 11.42 x 8.86 inches
Weight	1.7 Pounds
Material (Exterior)	Grained Leather
Material (Lining)	Polyester (Radley canvas lining)
Closure Type	Ziptop (main compartment), Twist-lock (front pocket)
Strap	Adjustable, tapered with buckled ends
