2. SAFETY INFORMATION

Your child's safety is paramount. Please read and adhere to all safety guidelines before and during use of this play set.

- **Adult Supervision Required:** Always supervise children while they are using the play set. Never leave children unattended.
- **Age and Weight Limits:** This play set is suitable for toddlers aged 1 to 3 years. The maximum load capacity is 155 pounds (approximately 70 kg). Ensure that the combined weight of children on the play set does not exceed this limit.
- **Installation:** Ensure the play set is assembled correctly and all fasteners are securely tightened before use. Periodically check and tighten screws.
- **Placement:** Place the play set on a level, soft surface such as grass, rubber mulch, or play mats. Avoid hard surfaces like concrete or asphalt. Maintain a clear safety zone around the play set.
- **Material Safety:** Constructed from non-toxic and sturdy High-Density Polyethylene (HDPE). The product has passed ASTM Testing and is CPSIA and CPC Certified.
- **Design Features:** The play set features smooth edges, anti-slip surfaces, and a design that prevents foot or head entrapment, ensuring worry-free play.
- **Indoor/Outdoor Use:** Suitable for both indoor and outdoor environments. When used outdoors, ensure it is placed in a shaded area and protected from extreme weather conditions.

6. MAINTENANCE

Regular maintenance ensures the longevity and safety of your Mloong Toddler Play Set.

- **Cleaning:** The HDPE material is easy to clean. Use a mild soap and water solution with a soft cloth. Avoid abrasive cleaners or harsh chemicals. Rinse thoroughly and dry.
- **Inspection:** Periodically inspect all parts for wear, damage, or loose connections. Pay close attention to screws, joints, and the swing ropes.
- **Tightening:** Re-tighten any loose screws or fasteners as needed to maintain structural integrity.

- **Storage:** If storing outdoors for extended periods, consider covering the play set to protect it from harsh weather and prolong its lifespan.

7. TROUBLESHOOTING

If you encounter any issues with your play set, refer to the following common solutions:

- **Play Set Feels Unstable:** Ensure all screws and fasteners are securely tightened. Check that the play set is placed on a flat, level surface. For the swing, ensure the base is filled with water as instructed.
- **Missing or Damaged Parts:** If you find any parts missing or damaged upon unboxing or during assembly, please contact Mloong customer service immediately for assistance.
- **Difficulty Assembling:** Review the assembly instructions carefully. If issues persist, contact customer service for guidance or video tutorials.
