Kiivakii bed1201

Kiivakii Full Size Bed Frame with Headboard, LED Platform Bed, and Charging Station - Instruction Manual

Model: bed1201 | Brand: Kiivakii

INTRODUCTION

This manual provides detailed instructions for the assembly, operation, and maintenance of your Kiivakii Full Size Bed Frame. Please read all instructions carefully before beginning assembly and retain this manual for future reference.

SAFETY INFORMATION

- **Weight Capacity:** Do not load more than 800 pounds on the bed frame.
- **Assembly:** Ensure all screws are tightened to 80% first, then fully tighten all screws to 100% after all parts are assembled.
- **Electrical Safety:** Ensure the charging station is properly installed and connected to a suitable power outlet. Do not overload the outlets.
- **Sharp Edges:** Exercise caution during assembly and use to avoid injury from metal edges.
- **Children:** Keep small parts and packaging materials away from children.

PACKAGE CONTENTS

Before assembly, verify that all components listed below are present and undamaged. If any parts are missing or damaged, please contact customer support.

- Headboard components (metal frame, wooden panel, charging station)
- Footboard component (wooden panel)
- Side rails (metal)
- Center support beams and legs (metal)
- Bed slats (metal)

- 4 Storage Drawers (wire baskets with wooden fronts and wheels)
- LED light strip and remote control
- Assembly hardware (screws, Allen wrench)
- Instruction Manual

Image: All components of the Kiivakii Full Size Bed Frame, including metal frame parts, wooden panels, hardware, and the charging station, laid out for inspection.

ASSEMBLY INSTRUCTIONS

Please follow these steps carefully. It is recommended to have two people for assembly. Do not fully tighten screws until all parts are loosely assembled.

Assembly Video Guide

Step-by-Step Written Instructions

1. **Assemble the Headboard Frame (Part 1):** Connect the main headboard frame pieces (parts 1, 4) using the provided screws and Allen wrench. Ensure connections are secure but do not fully tighten yet.

RGB LED BED FRAME

Image: Close-up of hands attaching two metal frame pieces together with a screw and Allen wrench, forming part of the headboard structure.

- 2. Attach Headboard Panel (Part 2):** Secure the main wooden headboard panel (part 5) to the assembled headboard frame using screws.

Image: A person attaching a dark wooden panel to the metal frame of the headboard, securing it with screws.

- 3. Install Charging Station (Part 3):** Insert the charging station (part K) into the designated cutout on the headboard panel and secure it with screws.

Charging Station Headboard

**1 USB/1 Type-C
Ports**
(5V 2A)

2AC Outlets
(125V/12A)

**7.9FT Power
Cord**

11. **Install LED Light Strip:** Adhere the LED light strip (part L) to the underside of the top headboard panel and connect it to the power source.

Image: Hands carefully pressing the LED light strip into place along the underside of the headboard's top shelf.

12. **Final Tightening:** Once all parts are assembled, go back and fully tighten all screws to 100%.

OPERATING INSTRUCTIONS

LED Lighting System

The integrated RGB LED lighting system offers customizable ambiance for your bedroom.

- **Control:** The LED lights can be controlled via a dedicated mobile application or the included remote control.
- **Color Options:** Choose from over 60,000 color options to match your mood or decor.
- **Brightness & Modes:** Adjust brightness levels and select from various flash modes.
- **Timer Function:** Set timers for automatic on/off functionality.
- **Music Sync:** Sync the lights with music for an immersive audio-visual experience.

Built-in Charging Station

The headboard features a convenient charging hub for your electronic devices.

- **Outlets:** Includes 2 standard AC plug outlets (125V/12A).
- **USB Ports:** Features 1 USB port and 1 Type-C port (5V 2A) for charging smartphones, tablets, and other USB-powered devices.
- **Usage:** Simply plug your devices into the appropriate ports for convenient bedside charging.

MAINTENANCE

- **Cleaning:** Wipe metal and wooden surfaces with a soft, damp cloth. Avoid harsh chemicals.
- **Fasteners:** Periodically check all screws and bolts to ensure they remain tight. Re-tighten as necessary to maintain stability and prevent noise.
- **LED Lights:** If LED lights malfunction, check the power connection. If issues persist, contact customer support.
- **Charging Station:** Ensure the charging station is free from dust and debris. Do not attempt to repair electrical components yourself.

TROUBLESHOOTING

Issue: Bed frame is noisy or squeaks.

Solution: Check all assembly screws and bolts. Fully tighten any loose fasteners. Ensure bed slats are properly seated in their clips. The design includes silent cotton to minimize noise, but loose connections can still cause sound.

Issue: LED lights are not working.

Solution: Verify that the LED light strip is securely connected to the power source and that the power cord for the charging station is plugged into a working wall outlet. Check the remote control battery if applicable. If using the app, ensure Bluetooth connection is active.

Issue: Charging station is not providing power.

Solution: Ensure the main power cord for the charging station is firmly plugged into a functional wall outlet. Test the outlet with another device. If the issue persists, contact customer support.

Issue: Drawers do not slide smoothly.

Solution: Check that the drawer wheels are properly installed and not obstructed. Ensure the bed frame is on a level surface. Clear any debris from the drawer's path.

SPECIFICATIONS

Feature	Detail
Name	Full Size Bed Frame with LED 4 Drawers Charging Station
Model Number	bed1201
Brand	Kiivakii
Color	Black
Material	Metal, Wood
