Aoxun G37004BK04A-HJ

Aoxun 12x10 FT Metal Outdoor Storage Shed Instruction Manual

Model: G37004BK04A-HJ | Brand: Aoxun

1. Important Safety Information

Please read and understand all instructions before assembly and use. Failure to follow these instructions may result in injury or property damage.

- Always assemble with at least two people.
- Use caution when handling sharp edges and heavy components.
- Always follow the provided instructions for safe assembly and use.
- Wear work gloves, eye protection, and long sleeves during assembly.
- Do not attempt assembly on days with strong winds or low temperatures.

2. Product Overview & Features

The Aoxun 12x10 FT Metal Outdoor Storage Shed is designed for versatile outdoor storage, offering ample space and durable construction to protect your belongings.

Key Features:

- **Durable Large Shed:** Constructed from galvanized steel, this waterproof shed withstands harsh weather. Thick metal roof and walls ensure long-term durability and resistance to deformation, even in heavy snow and wind.
- **Sloping Roof & Lockable Doors:** The sloping roof design prevents rainwater accumulation and includes specially designed air vents for optimal ventilation. Pad-lockable doors provide convenient access and enhanced security.
- **Multifunctional Use:** Ideal as a garden storeroom, pet shelter, or organized garbage collection chamber. Perfect for backyards, gardens, patios, and poolside areas.
- **Multiple Storage Modes:** Measuring 12x10 FT, it offers up to 560 CU.FT of internal capacity. Suitable for snow blowers, shovels, outdoor chairs, bicycles, and toy cars. Storage racks can be added for organizing items like shovels, umbrellas, and more.

3. Site Preparation

Proper site preparation is crucial for the stability and longevity of your shed. A level and stable base is required.

- Choose a flat, level area for installation.
- Clear the area of any debris, rocks, or vegetation.
- It is highly recommended to construct a wooden or concrete base as a foundation for optimal stability and to prevent moisture issues. The shed does not include a floor.

4. Assembly Instructions

The shed comes with a step-by-step manual and all parts are labeled. Assembly requires at least two people. Two pairs of gloves are provided to assist with installation.

General Assembly Tips:

- Unpack all components and lay them out on a clean work surface.
- Verify all parts against the parts list in the manual before starting.
- Follow the numbered steps in the provided manual carefully.
- Use appropriate tools as listed in the manual.

5. Operating Instructions

The Aoxun shed is designed for ease of use and security.

- **Doors:** The shed features double hinged doors that can be opened wide for easy access. An internal latch allows for securing one door while the other is in use, or both can be opened for maximum entry space.
- **Locking Mechanism:** The doors are pad-lockable, allowing you to add your own padlock for enhanced security of your stored items.
- **Ventilation:** Integrated air vents ensure proper airflow, preventing moisture buildup and maintaining a suitable environment inside the shed.

6. Maintenance

To ensure the longevity and optimal performance of your Aoxun metal shed, regular maintenance is recommended.

- **Cleaning:** Periodically clean the exterior with mild soap and water to remove dirt and debris. Avoid abrasive cleaners that could damage the galvanized steel finish.
- **Inspection:** Regularly check all bolts, screws, and connections to ensure they are tight. Tighten any loose fasteners.
- **Rust Prevention:** The galvanized steel construction is designed to resist rust. However, if any scratches or damage occur to the protective coating, touch up with rust-inhibiting paint to prevent corrosion.
- **Ventilation:** Ensure the air vents remain clear of obstructions to maintain proper airflow and prevent moisture buildup.

7. Troubleshooting

- **Difficulty during assembly:** Ensure all parts are correctly identified and oriented according to the manual. Assembly requires at least two people.
- **Water accumulation inside:** Verify that the shed is installed on a perfectly level surface and that a proper base (wooden or concrete) has been constructed to prevent water ingress from below. Ensure all roof panels are correctly overlapped and secured.
- **Loose panels:** Check and tighten all screws and bolts regularly, especially after initial assembly and severe weather conditions.

8. Product Specifications

Brand	Aoxun
Color	Black
Product Dimensions	137.99"D x 113"W x 77.99"H
Style	Garden
Base Material	Alloy Steel
Top Material Type	Galvanized Steel
Water Resistance Level	Waterproof
Frame Material	Alloy Steel
Door Style	Hinged Doors
Assembly Required	Yes
Item Weight	109 pounds
Item Model Number	G37004BK04A-HJ
