DOMICON MK-19

DOMICON 55 Inch Gaming Desk (Model MK-19) Instruction Manual

Brand: DOMICON | Model: MK-19

1. Product Overview

The DOMICON 55 Inch Gaming Desk (Model MK-19) is a versatile computer desk designed for gaming and home office use. It features a space-saving design, ample storage options, integrated LED lighting, and a convenient power outlet station. Constructed with a durable carbon fiber textured desktop and a stainless steel frame, this desk offers stability and longevity.

2. Safety Information

- Always assemble the desk according to the instructions provided.
- Ensure the desk is stable and secure before use.
- Be cautious when using the power outlets and do not overload them.
- Keep the desk and its components away from heat sources and liquids.
- Do not place heavy objects on the desk that could cause it to tip over.
- Always unplug the desk from the power source before making any adjustments or cleaning.

3. Setup and Assembly

Assembly of the DOMICON 55 Inch Gaming Desk is designed to be straightforward. Please follow the step-by-step instructions provided in the video below and refer to the component diagrams for clarity. It is recommended to have two people for easier and safer assembly.

4.4 PS5-Ready Monitor Stand

A dedicated monitor stand is included, optimized to securely hold your PS5 display, providing an ergonomic setup for gaming or studying.

5. Operating Instructions

5.1 LED Light Operation

The LED lights are controlled via a remote or integrated switch. Use the controls to select from 21 flashing modes, 20 static colors, and 7 brightness levels to achieve your desired lighting effect.

5.2 Power Outlet Usage

Plug your devices into the 4 AC outlets, 2 USB-A ports, or 1 Type-C port located on the desk. Ensure that the total power consumption of connected devices does not exceed the desk's rated capacity to prevent overloading.

6. Maintenance

- Regularly wipe the carbon fiber textured desktop with a soft, damp cloth to remove dust and spills. Avoid abrasive cleaners.
- Check all screws and connections periodically to ensure the desk remains stable. Tighten if necessary.
- Keep liquids away from the power outlets and LED light strip to prevent electrical hazards.
- Avoid placing extremely hot items directly on the desktop to prevent damage to the carbon fiber texture.

7. Troubleshooting

7.1 Stability Issues

If the desk feels wobbly, check that all screws are securely tightened. Ensure the adjustable height legs are properly adjusted to compensate for uneven ground.

7.2 LED Lights Not Working

Verify that the LED light strip is correctly plugged into a working USB port on the power outlet station. Check the connections and ensure the power outlet is receiving power.

7.3 Power Outlets Not Functioning

Ensure the main power cord for the desk's power outlet station is securely plugged into a wall outlet. Check if the wall outlet is functional by testing it with another device. Avoid overloading the outlets.

8. Specifications

Feature	Detail
Brand	DOMICON
Model Number	MK-19
Product Dimensions	50.6"D x 3.5"W x 23.5"H (Note: Product title states 55 inch width, please refer to product listing for exact dimensions)
