SAFETY INFORMATION

Important Safety Instructions:

- Do not overload the wardrobe.
- Use the anti-tip device provided to prevent accidents.
- Handle all components with care to avoid injury from sharp edges.
- Keep small parts away from children during assembly.

PACKAGE CONTENTS

Before assembly, verify that all components are present and undamaged. The package typically includes:

- Wardrobe panels (shipped in two boxes: Box A and Box B)
- 3 Drawers with crystal knobs

- 1 Large mirror
- 1 Free hanging rod
- Soft-close hinges
- Smooth drawer slides
- Anti-tip accessories
- Assembly hardware (screws, dowels, etc.)
- Professional installation instructions

Note: Components are labeled for easier identification during assembly.

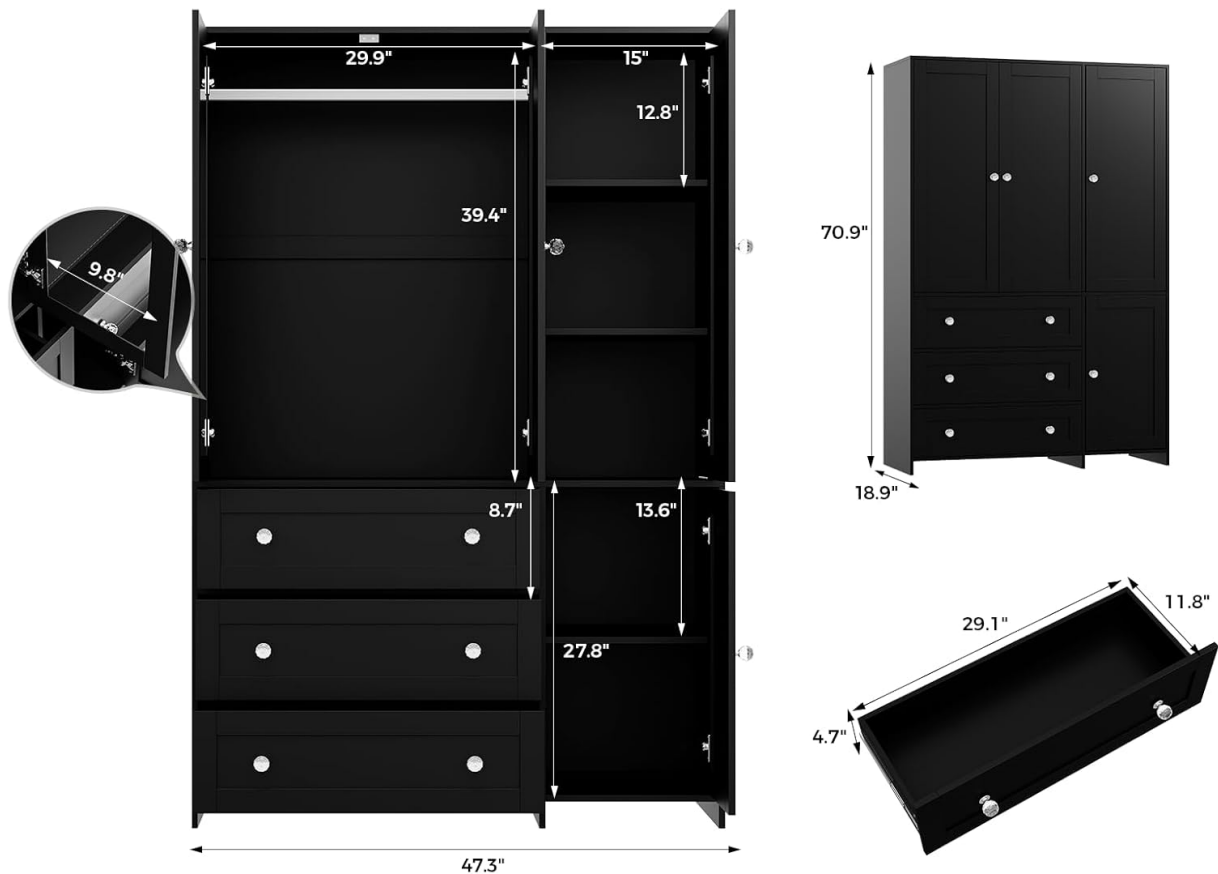

SETUP & ASSEMBLY

Assembly of the VOWNER Armoire Wardrobe Closet requires careful attention to detail. Follow the provided professional installation instructions and use the labeled boards and screws. It is recommended to have two people for assembly.

General Assembly Tips

- Unpack all components and lay them out on a clean, soft surface to prevent scratches.
- Identify all parts using the labels provided. Note that some side pieces may be distributed across different boxes (e.g., one from Box A, others from Box B).
- Do not use power drills set to high torque, as this may damage the engineered wood. Hand-tighten screws or use a drill with a clutch set to a low torque.

Key Features Overview

This image highlights important functional components: the removable metal clothes rail, soft-close hinges for quiet operation, smooth drawer slides for easy access, and the anti-tip accessories for safety.

OPERATING INSTRUCTIONS

The VOWNER Armoire Wardrobe Closet is designed for versatile storage of clothing and accessories.

Using the Hanging Rod

The wardrobe includes a free hanging rod, ideal for storing dresses, suits, shirts, and other garments that

require hanging. The load-bearing capacity of the hanging rod is approximately 88 lbs.

This image displays the interior organization of the wardrobe, featuring the hanging rod for garments and multiple shelves for folded items.

Utilizing the Drawers

The three large drawers provide ample space for folded clothing, undergarments, or other personal items. The smooth drawer slides ensure easy opening and closing.

This image shows the interior of two drawers, demonstrating their capacity for organized storage of smaller clothing items.

Using the Integrated Mirror

The large integrated mirror on one of the doors allows for a full view, adding functionality and elegance to your bedroom space.

MAINTENANCE

Cleaning

- Wipe surfaces with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals, which can damage the engineered wood finish.
- For the mirror, use a standard glass cleaner and a lint-free cloth.

General Care

- Periodically check all screws and fasteners to ensure they remain tight. Re-tighten if necessary.
- Ensure the anti-tip device remains securely attached to both the wardrobe and the wall.
- Avoid placing hot items directly on the surface.

- Keep the wardrobe away from direct sunlight and excessive moisture to prevent warping or discoloration.

TROUBLESHOOTING

Door Alignment Issues

If the wardrobe doors do not align properly or close smoothly, adjustments may be needed on the hinges. The soft-close hinges are adjustable to ensure correct door positioning.

Your browser does not support the video tag. This video demonstrates how to adjust the door gap on the wardrobe for proper alignment.

Drawers Not Sliding Smoothly

If drawers are stiff or do not slide smoothly, check the following:

- Ensure the drawer slides were installed correctly, with clips facing opposite directions as shown in the installation video.
- Verify that all screws securing the slides are properly tightened.
- Check for any obstructions within the drawer tracks.
- Avoid overloading drawers, as excessive weight can hinder smooth operation.

Wobbly or Unstable Wardrobe

If the wardrobe feels unstable:

- Confirm that all assembly screws are fully tightened.
- Ensure the wardrobe is placed on a level surface.
- Verify that the anti-tip device is correctly installed and secured to a wall stud.
