› [Dreo Smart Ceiling Fans with Lights, 52 Inch Black Ceiling Fan, 12 Speeds & 3 Fan Modes, Stepless Color Tones, Dimmable LED Light, 1-12H Timer, Quiet DC Motor, Remote/APP/Alexa/Wall Switch Control Black 52inch](#)

### Dreo DR-HCF004S Black

# Dreo Smart Ceiling Fans with Lights

Model: DR-HCF004S Black

## INTRODUCTION

---

The Dreo Smart Ceiling Fan with Lights offers advanced control and comfort for your living space. This manual provides essential information for setting up, operating, and maintaining your fan to ensure optimal performance and longevity. Control your fan effortlessly through the DREO app, remote control, or voice commands via Alexa and Google Home.

## SETUP

---

The Dreo Smart Ceiling Fan is designed for simplified installation, often taking less than 20 minutes. It features pre-wired connections and a pre-assembled design to reduce the need for extensive manual wiring and screws.

# Set it up in Less than 20 mins.

## Simplified Installation

Less screws needed

## Pre-wired Connections

Less manual wiring

## Pre-assembled Design

4 steps less to install

**Figure 1:** Simplified installation of the Dreo Smart Ceiling Fan.

The fan blades are packaged separately and require attachment during installation. This fan is suitable for both indoor and outdoor settings, providing versatile placement options. However, when used outdoors, be mindful that prolonged exposure to heat may cause the blades to bend over time.

## OPERATING THE FAN

## Control Methods

- **DREO App:** Offers comprehensive control, including 12 fan speeds, 3 fan modes (Normal, Natural, Sleep), stepless brightness adjustment (5%-100%), and a wide color temperature range (2700-6500K). You can also schedule auto-scenes like sunrise/sunset.
- **Remote Control:** Provides convenient access to 6 fan speeds, light control, and a 1-12 hour timer.
- **Voice Control:** Compatible with Alexa and Google Home for hands-free operation.
- **Wall Switch:** A non-dimmable wall switch is recommended for basic on/off functionality.

### MAINTENANCE

To ensure your Dreo Smart Ceiling Fan continues to operate efficiently and maintain its aesthetic appeal, regular cleaning is recommended. Gently wipe the fan blades and light cover with a soft, damp cloth to remove dust and debris. Avoid using harsh chemicals or abrasive cleaners, as these may damage the finish or electrical components. Ensure the fan is turned off and disconnected from power before performing any cleaning or maintenance.

## TROUBLESHOOTING

If you encounter any issues with your Dreo Smart Ceiling Fan, please refer to the troubleshooting section within the DREO app for common solutions. For persistent problems or technical assistance, contact Dreo customer support directly.

## SPECIFICATIONS

Feature	Specification
Brand	Dreo
Model Name	DR-HCF004S Black
Color	Black
Electric Fan Design	Ceiling Fan
Power Source	DC
Style	Wifi
Product Dimensions	52.05"D x 52.05"W x 13.2"H
Room Type	Bedroom, Dining Room, Home Office, Kids Room, Living Room
Special Feature	Adjustable Color Temperature, App Operable, Dimmable, Quiet Operation, Remote Controlled
Recommended Uses	Air Circulation, Ventilating
Item Weight	9.2 Pounds
Light Type	LED
UPC	810142857932
Manufacture Year	2025
Diameter	52 inches
Downrod Height	6 inches
Light Diameter	10.2 inches
Max Air Volume	5189 CFM
Noise Level	Quieter than 31dB
Energy Efficiency	50% less energy (FTC certified)
Slope Mount	15°
Timer	1-12 Hours
