IDEALHOUSE Metal Locker Instruction Manual

Model: HWJiRcTva0

1. INTRODUCTION

This manual provides detailed instructions for the assembly, operation, and maintenance of your IDEALHOUSE Metal Locker. Please read all instructions carefully before beginning assembly and retain this manual for future reference.

Safety Information

WARNING: Do not exceed the weight limit of 70 lbs (approximately 31.75 kg) per shelf. Ensure all bolts are securely tightened during assembly to prevent tipping and ensure stability.

2. PRODUCT OVERVIEW

The IDEALHOUSE Metal Locker is constructed from cold-rolled steel, designed for durability and long-lasting use in various environments such as offices, schools, gyms, and homes. It features a single door with a secure locking mechanism and internal storage options.

Key Features:

- **Sturdy Steel Construction:** Made from cold-rolled steel for strength and longevity.
- **High Weight Capacity:** Each shelf supports up to 70 lbs (31.75 kg).
- **Secure Locking:** Each door includes a reliable locking mechanism with individual keys.
- **Internal Organization:** Features a hanging rod for coats and jackets, along with upper and lower shelves for bags, shoes, and personal items.
- **Ventilation:** Integrated ventilation holes promote air circulation.
- **Easy Identification:** Includes a name tag holder for quick content identification.
- **Easy to Clean:** Smooth finish allows for simple cleaning.

Product Dimensions:

Product Size

Image: The locker's external dimensions are approximately 71 inches (180.3 cm) in height, 15 inches (38.1 cm) in width, and 17 inches (43.2 cm) in depth. The internal depth is 15 inches (38.1 cm) and the door height is 69.7 inches (177 cm).

3. SETUP AND ASSEMBLY INSTRUCTIONS

The IDEALHOUSE Metal Locker is delivered flat-packed and requires assembly. Follow these steps carefully for proper installation. It is recommended to have two people for assembly.

General Assembly Guidance:

- Identify all parts and hardware before starting.
- Begin by loosely securing all bolts.
- Once all components are in place, tighten all bolts fully.
- Ensure the locker is placed on a level surface.

Assembly Video:

Your browser does not support the video tag.

Video: This video provides a visual guide to the assembly process of the metal storage cabinet. It demonstrates how to put together the various components to form the complete locker unit.

4. OPERATING INSTRUCTIONS

The IDEALHOUSE Metal Locker is designed for straightforward operation to secure your belongings.

Locking and Unlocking:

- Insert the provided key into the lock on the door handle.
- Turn the key to lock or unlock the door.
- Remove the key after locking to ensure security.
- Each locker comes with its own unique key for individual access.

Internal Storage:

- Utilize the hanging rod for coats, jackets, or other hanging garments.
- Place bags, shoes, or other personal items on the upper and lower shelves.
- The name tag holder on the door allows for easy identification of the locker's contents or owner.

5. MAINTENANCE

Regular maintenance will help preserve the appearance and functionality of your metal locker.

Cleaning:

- Wipe the exterior and interior surfaces with a soft, damp cloth.
- For stubborn marks, use a mild soap solution and then wipe dry immediately.
- Avoid abrasive cleaners or harsh chemicals, as these can damage the finish.

Inspection:

- Periodically check all bolts and fasteners to ensure they remain tight.

- Inspect the door hinges and locking mechanism for smooth operation. Lubricate if necessary with a silicone-based spray.

6. TROUBLESHOOTING

If you encounter any issues with your IDEALHOUSE Metal Locker, refer to the following common solutions.

Door Does Not Close Properly:

- Check if the locker is on a level surface. Adjust if necessary.
- Ensure all assembly bolts are tightened evenly. Uneven tightening can cause misalignment.
- Inspect hinges for any obstruction or damage.

Key Is Stuck or Difficult to Turn:

- Apply a small amount of graphite powder or a silicone-based lubricant into the keyhole.
- Ensure the key is fully inserted before turning.

Locker Feels Unstable:

- Verify that all assembly bolts are fully tightened.
- Ensure the locker is placed on a firm, level surface.
- Do not exceed the maximum weight capacity per shelf.

7. SPECIFICATIONS

Attribute	Detail
Brand	IDEALHOUSE
Model Number	HWJiRcTva0
Material	Alloy Steel
Color	Grey
Product Dimensions (D x W x H)	74.02" x 20.08" x 3.94" (Note: This appears to be package dimensions. Actual product dimensions are approximately 71"H x 15"W x 17"D as per product image.)
Item Weight	42.9 pounds (19.46 kg)
Weight Capacity (per shelf)	70 pounds (31.75 kg)
Number of Doors	1
Number of Shelves	1 (adjustable/removable, plus base and top for storage)
Mounting Type	Freestanding, Floor Mount
