1.2 Charging

Before first use, fully charge your earbuds and charging case. The case supports both wireless charging and Type-C fast charging.

- **Wireless Charging:** Place the charging case on a compatible wireless charging pad (not included).
- **Type-C Charging:** Connect the included Type-C cable to the charging port on the case and a power source.

The dual LED display on the charging case shows the battery level of the case and each earbud. A quick 15-minute charge provides up to an hour of listening time. The earbuds offer 8 hours of playtime on a single charge, with the charging case providing multiple recharges for a total of up to 80 hours of playtime.

2.3 Call Management

Enjoy crisp, clear call performance with the integrated microphone. Manage calls directly from the earbuds using the control buttons.

2.4 Audio Playback

The earbuds deliver high-fidelity stereo sound with punchy bass, suitable for music, audiobooks, and podcasts.

3. MAINTENANCE

3.1 Cleaning

To ensure optimal performance and hygiene, regularly clean your earbuds and charging case.

- Wipe the earbuds and charging case with a soft, dry, lint-free cloth.
- Remove eartips and clean them with mild soap and water, then dry thoroughly before reattaching.
- Gently clean the charging contacts on both the earbuds and the case with a dry cotton swab.

3.2 Storage

When not in use, store the earbuds in their charging case to protect them from dust, damage, and to keep them charged.

4. TROUBLESHOOTING

If you encounter issues with your GOLREX T59 earbuds, try the following:

- **No Sound/Poor Sound Quality:** Ensure earbuds are properly seated in your ears and connected to your device. Check volume levels on both the earbuds and your device.
- **Pairing Issues:** Make sure Bluetooth is enabled on your device and the earbuds are in pairing mode. Try forgetting the device in your Bluetooth settings and re-pairing.

- **Charging Issues:** Verify that the charging cable is securely connected or the wireless charging pad is active. Clean charging contacts if necessary.
- **Earbuds Not Turning On:** Ensure the earbuds are charged. Place them in the charging case and close the lid, then open it again.

For further assistance, refer to the contact information in the Support section.
