1. INTRODUCTION

Thank you for purchasing the HUAHUU Vanity Desk with LED Lights & Sliding Mirror. This manual provides essential information for the safe assembly, operation, and maintenance of your new vanity desk. Please read these instructions thoroughly before beginning assembly or use, and retain them for future reference.

2. SAFETY INFORMATION

To ensure safe use and prevent damage, please observe the following safety precautions:

- **Adult Assembly Required:** This product contains small parts and requires adult assembly. Keep children and pets away during assembly.
- **Secure to Wall:** For stability and to prevent tipping, it is highly recommended to secure the vanity desk to a wall using appropriate anti-tip hardware (not included, but recommended for safety).
- **Weight Capacity:** Do not overload drawers or shelves. Distribute weight evenly. Refer to specifications for maximum load capacities if available in the physical manual.
- **Electrical Safety:** Ensure the power outlet is connected to a grounded electrical source. Do not use damaged cords or plugs. Keep liquids away from electrical components.
- **Placement:** Place the vanity desk on a flat, stable surface. Avoid direct sunlight, excessive moisture, or extreme temperature changes.
- **Mirror Care:** Handle the mirror with care. Avoid striking or dropping it. Clean with a soft, damp cloth and mild glass cleaner.

3. PACKAGE CONTENTS

Before beginning assembly, verify that all parts and hardware are present. Refer to the detailed parts list provided in your physical assembly manual. Typically, the package includes:

- Desk panels and components (MDF, Engineered Wood)
- Sliding mirror with integrated LED lights
- Power outlet strip (1 Type-C, 2 AC, 2 USB ports)
- Drawers and cabinet hardware
- Assembly hardware (screws, dowels, cam locks, etc.)
- Assembly instructions manual

If any parts are missing or damaged, please contact customer support immediately.

4. ASSEMBLY INSTRUCTIONS

Assembly of the HUAHUU Vanity Desk requires careful attention to detail. It is recommended to have two people for assembly. Please follow the step-by-step instructions and diagrams provided in the separate physical assembly manual included with your product.

1. **Prepare Your Workspace:** Clear a spacious area and lay out all components on a soft, clean surface to prevent scratches.
2. **Identify Parts:** Match all parts and hardware to the provided list in the physical manual. Each part is typically labeled.
3. **Follow Step-by-Step:** Adhere strictly to the sequence of steps outlined in the assembly manual. Do not skip steps.
4. **Tighten Fasteners:** Ensure all screws and fasteners are securely tightened, but do not overtighten to avoid damaging the material.
5. **Install Anti-Tip Hardware:** Once assembled, secure the vanity desk to a wall using appropriate anti-tip hardware for safety.

Note: Assembly can be time-consuming due to the number of parts. Patience and careful adherence to instructions will ensure a successful build.

5. OPERATING INSTRUCTIONS

5.1 LED Lighting Modes

The integrated LED mirror offers three color lighting modes and adjustable brightness to suit your preference.

- **Power On/Off:** Tap the touch switch located on the mirror surface to turn the LED lights on or off.
- **Change Color Mode:** While the lights are on, tap the touch switch repeatedly to cycle through the three color modes: Cold White, Warm White, and Warm Yellow.
- **Adjust Brightness:** To adjust brightness, long-press the touch switch. The brightness will gradually increase or decrease. Release the switch when the desired brightness is reached.

5.2 Sliding Mirror and Hidden Storage

The mirror is designed to slide left and right, revealing hidden storage compartments behind it. This feature allows for discreet storage of items and helps maintain a clutter-free countertop.

- **Sliding Operation:** Gently push the mirror frame to the left or right to access the hidden shelves. Ensure the path is clear of obstructions.
- **Hidden Storage:** Utilize the space behind the mirror for storing perfumes, skincare products, or other personal items.

LED LIGHTED SLIDING MIRROR

5.3 Integrated Power Outlet

The vanity desk includes a convenient power outlet strip for charging devices and powering beauty tools.

- **Components:** The power outlet consists of:
 - 1 x Type-C outlet (PD 20W)
 - 2 x Standard AC outlets (125V / 12A)
 - 2 x USB ports (5V / 2A)
- **Usage:** Plug in your phone, tablet, hair dryer, curling iron, or other electronic devices directly into the vanity desk's power strip.
- **Safety:** Always ensure devices are compatible with the provided power specifications. Do not exceed the maximum load capacity of the outlets.

BUILT-IN CHARGING STATION

Convenient for Your Life

Image 5.3: The built-in charging station with various power outlets.

5.4 Storage Features

The vanity desk is equipped with extensive storage options to keep your items organized.

- **Drawers:** Features 7 large-capacity drawers for cosmetics, accessories, and personal items.
- **Open Shelves:** Includes 6 open storage shelves for displaying frequently used items or decorative pieces.
- **Cabinets:** Two storage cabinets provide additional enclosed space for larger items.

POWERFUL STORAGE SPACE

Image 5.4: Overview of the vanity desk's powerful storage space, including drawers, shelves, and cabinets.

6. MAINTENANCE

Proper care and maintenance will extend the life and appearance of your vanity desk.

- **Cleaning Surfaces:** Wipe surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners that could damage the finish.
- **Mirror Cleaning:** Use a glass cleaner specifically designed for mirrors and a lint-free cloth to avoid streaks.
- **Spills:** Immediately wipe up any spills to prevent staining or damage to the MDF material.
- **Hardware:** Periodically check and tighten all screws and fasteners to ensure the desk remains stable.
- **Electrical Components:** Keep the power outlet and LED lights free from dust and moisture.

7. TROUBLESHOOTING

If you encounter any issues with your vanity desk, refer to the following common problems and solutions:

Problem	Possible Cause	Solution
---------	----------------	----------

Problem	Possible Cause	Solution
LED lights not turning on or flickering.	Loose power connection, faulty power source, damaged LED strip.	<ul style="list-style-type: none"> • Ensure the power cord for the LED lights is securely plugged into a working outlet. • Check if the touch switch is functioning correctly. • If the issue persists, contact customer support.
Power outlets (AC/USB/Type-C) are not working.	Desk's main power cord unplugged, circuit breaker tripped, faulty power strip.	<ul style="list-style-type: none"> • Verify the vanity desk's main power cord is fully inserted into a functional wall outlet. • Check your home's circuit breaker. • Test with different devices. If still not working, contact customer support.
Mirror not sliding smoothly.	Obstruction in the track, debris, misaligned track.	<ul style="list-style-type: none"> • Inspect the sliding tracks for any debris or objects. • Gently clean the tracks with a soft cloth. • Ensure the mirror is properly seated in its tracks.
Desk feels wobbly or unstable.	Loose fasteners, uneven floor.	<ul style="list-style-type: none"> • Re-tighten all assembly screws and fasteners. • Ensure the desk is placed on a level surface. Use shims if necessary. • Confirm the anti-tip hardware is correctly installed and secured to the wall.

For issues not listed here or if troubleshooting steps do not resolve the problem, please contact HUAHUU customer support.
