

HOMYEDAMIC 9072-GREY-NHM

User Manual for HOMYEDAMIC Recliner Chair Rocker Swivel

Model: 9072-GREY-NHM

1. INTRODUCTION

Thank you for choosing the HOMYEDAMIC Recliner Chair Rocker Swivel. This manual provides essential information for the safe and efficient use, assembly, and maintenance of your new recliner chair. Please read it thoroughly before use and retain it for future reference.

Important Safety Information

- This chair is **not suitable** for the elderly, pregnant women, disabled individuals, or those with leg mobility issues due to the manual footrest closure mechanism.
- Suitable for individuals between 5'1" and 5'9" (154-180 cm) in height and weighing up to 330 lbs (150 kg).
- Ensure all components are securely assembled before use.
- Keep hands and feet clear of moving parts during operation.

2. PACKAGE CONTENTS

Your HOMYEDAMIC Recliner Chair is shipped in two separate boxes. It is common for these boxes to arrive at different times. Please ensure you have received both boxes before beginning assembly.

Expected components:

- Chair Base (Box 1)
- Backrest (Box 2 - often vacuum compressed)
- Armrests and other accessories (typically located under the chair base in Box 1)
- Handbag (Box 2 - often vacuum compressed)

Figure 2.1: Product Dimensions and Packaging Information. Note the two-box shipping.

3. SETUP AND ASSEMBLY

Assembly of the recliner chair is designed to be straightforward and typically requires no additional tools. Follow these steps:

1. Unpack all components from both boxes. Locate the armrests and other accessories, which are usually stored underneath the chair base.
2. Carefully slide the backrest onto the chair base. Ensure the connecting brackets align and click into place securely.
3. Connect any necessary cables for the vibration function (if applicable to your model).
4. Adjust the vacuum-compressed backrest and handbag to their full shape.

110°-130°-160° ROCKER RECLINER

4. OPERATING INSTRUCTIONS

4.1 Reclining Function

The recliner features a manual recline mechanism and an extendable footrest.

- **To Open the Footrest:** Locate the pull ring at the corner of the cushion (typically between the seat and armrest). Pull the ring firmly, and the footrest will pop up automatically.
- **To Recline:** Once the footrest is open, lean back into the chair, placing your elbows on the armrests. The chair will recline freely to your desired angle (up to 150° for sleeping).
- **To Close the Footrest:** Sit upright in the chair. Grasp the armrests with both hands. Use the force of your heels to push down and inward on the footrest until it locks back into place. This requires some leg force.

STYLISH BEAUTIFUL SHELL BACKREST

(NO MASSAGE & HEAT)

Requires Manual Foot Pedal Closure

not suitable for the elderly/pregnant women/disabled/legged people

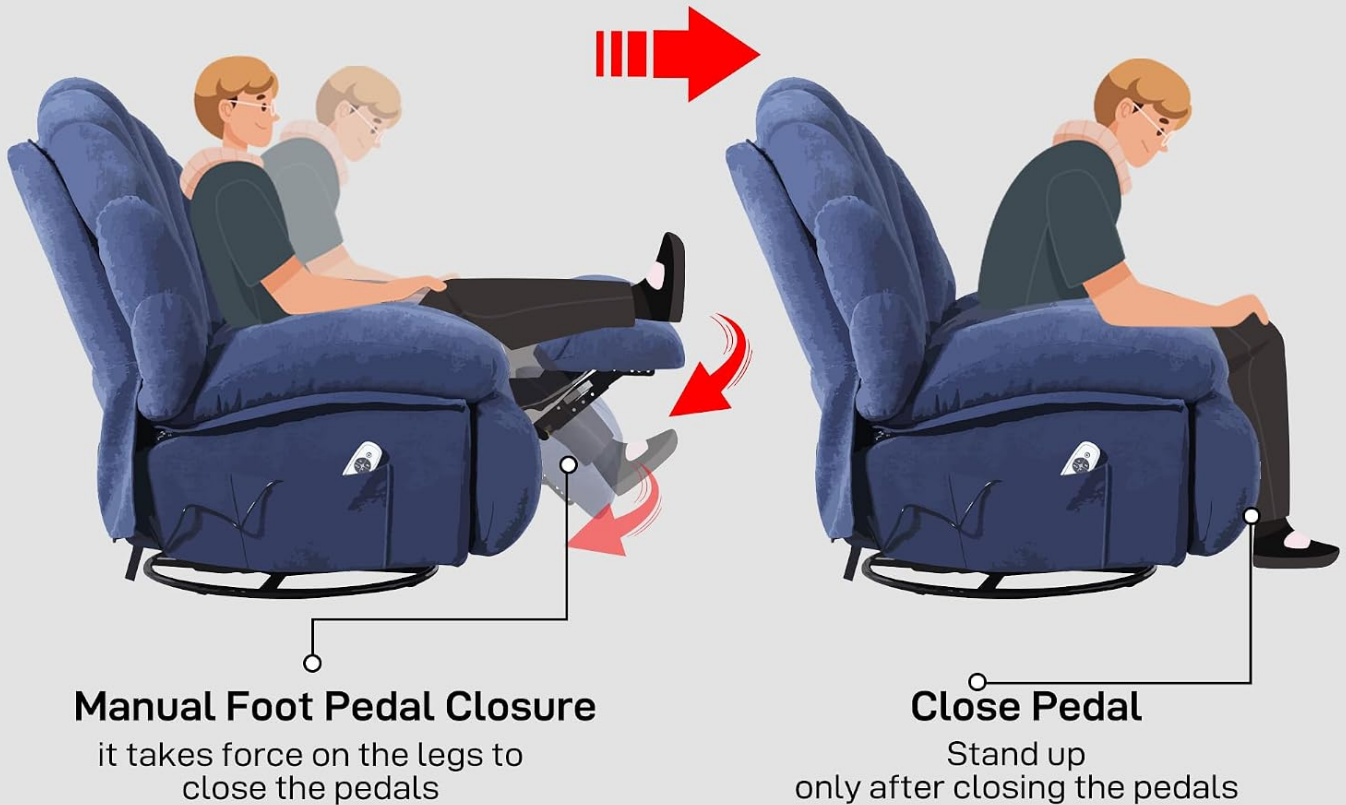

Figure 4.2: Manual Footrest Closure Method.

4.2 360° Swivel and Rocker Function

The chair is equipped with a 360° silent swivel base, allowing for full rotation without damaging your floor. It also features a gentle rocking motion for relaxation. The sturdy design prevents tipping during rocking.

**Fashionable good-looking
thickened shell backrest**

**Skin-friendly soft fabric
for comfortable seating**

**sitting width 56cm
≈ the long side of 1.8 A4s**

**Large storage pockets
on both s of the armrest**

Figure 4.3: Features including the shell backrest, soft fabric, and storage pockets.

4.3 Storage Pockets

The recliner includes four large side pockets, two on each armrest. These are convenient for storing magazines, remote controls, and other small items.

Figure 4.4: Side view highlighting the convenient storage pockets.

5. MAINTENANCE AND CARE

To ensure the longevity and appearance of your recliner chair, follow these care instructions:

- **Cleaning:** For general cleaning, gently vacuum the fabric to remove dust and debris. For spills, blot immediately with a clean, dry cloth. For tougher stains, use a mild fabric cleaner following the product's instructions, testing on an inconspicuous area first.
- **Frame:** The all-metal body is BIFMA certified for durability. Periodically check all bolts and connections to ensure they remain tight.
- **Fabric:** The comfortable fleece fabric is designed for durability. Avoid direct sunlight exposure for prolonged periods to prevent fading.

6. TROUBLESHOOTING

This section addresses common questions and issues you might encounter.

- **Only one box received:** The product is packed in two separate boxes. If you only receive one, the other is likely still in transit. Please allow a few more days for delivery.
- **Footrest is difficult to close:** The manual footrest closure requires using your heels to push the footrest back into place. This mechanism is designed to be firm to ensure stability. Ensure you are sitting upright and applying sufficient force.
- **Armrests or accessories missing:** Check thoroughly underneath the chair base, as these components are often stored there for shipping.
- **Backrest or handbag appear flat:** These items are vacuum compressed for shipping. They will expand to their full shape once unpacked.
