4. Assembly Instructions

Assembly is designed to be straightforward with clear instructions and all necessary hardware provided. It is recommended to have two people for assembly.

Required Tools (Not Included):

- Phillips head screwdriver
- Hammer (optional, for dowels)

Assembly Steps:

1. **Unpack and Organize:** Carefully unpack all components and lay them out on a clean, soft surface (e.g., a rug or blanket) to prevent scratches. Verify all parts against the parts list in the included manual.
2. **Assemble Main Frame:** Follow the step-by-step diagrams in the provided manual to connect the main panels using the designated hardware (dowels, screws, cam locks). Ensure all connections are tight.

3. **Install Drawer Slides:** Attach the drawer slides to the interior panels of the TV stand as indicated in the manual. Pay attention to the orientation of the slides.
4. **Assemble Drawers:** Construct the two drawers according to the instructions, ensuring the push-open mechanisms are correctly installed.
5. **Insert Drawers:** Carefully slide the assembled drawers onto the installed drawer slides. Test for smooth operation.
6. **Attach Extension Mechanism:** Connect the two main sections of the TV stand using the extendable rails. This allows the stand to adjust in length.
7. **Install Support Legs (Optional):** If desired, attach the included support legs to the designated points on the bottom of the stand.
8. **Final Placement:** Position the assembled TV stand in its desired location.

5. Operating Instructions

Adjusting the Length:

The TV stand features an extendable design, allowing you to adjust its length to suit your space. Gently pull or push the two main sections of the stand apart or together. Ensure the stand remains balanced and stable during adjustment. The stand can be set to any length between 80.6 inches (minimum) and 115.2 inches (maximum).

Adjustable Length

Min. Length 80.6''

Max. Length 115.2''

Using the Drawers:

The drawers are equipped with a push-open mechanism. To open a drawer, gently press on the center of the drawer front. The drawer will release and extend slightly. Pull the drawer out completely to access its contents. To close, push the drawer back until it clicks into place.

6. Maintenance and Care

Proper care will ensure the longevity and appearance of your TV stand.

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid harsh chemicals, abrasive cleaners, or polishes that may damage the finish.
- **Spills:** Clean spills immediately with a dry cloth to prevent staining or water damage.
- **Protection:** Use coasters or protective pads under hot or wet items to prevent marks.
- **Hardware Check:** Periodically check all screws and fasteners to ensure they remain tight. Retighten as necessary.
- **Movement:** When moving the stand, lift it rather than dragging to prevent damage to the legs or base.

7. Troubleshooting

If you encounter any issues with your TV stand, refer to the following common solutions:

- **Stand feels unstable:** Ensure the stand is on a level surface. Check all assembly hardware to confirm it is securely tightened.
- **Drawers do not open/close smoothly:** Verify that the drawer slides are correctly installed and free of obstructions. Ensure the push-open mechanism is aligned and functioning properly.
- **Difficulty extending/retracting:** Check the extension rails for any debris or misalignment. Ensure no items are obstructing the movement.
- **Missing parts or damaged components:** Contact customer support immediately with your purchase details.
