## FORIOUS FF0068B

# FORIOUS FF0068B Classic Matte Black Kitchen Faucet Instruction Manual

Model: FF0068B

## INTRODUCTION

Thank you for choosing the FORIOUS FF0068B Classic Matte Black Kitchen Faucet. This manual provides detailed instructions for the safe and efficient installation, operation, and maintenance of your new faucet. Please read this manual thoroughly before installation and keep it for future reference.

## KEY FEATURES

- **Elevated Spout Design & Flexible Installation:** Features a streamlined high-arc spout rising 6.29 inches above the countertop, providing ample clearance for large pots and pans. Includes an optional deck plate to fit either 1-hole or 3-hole sink setups, making installation adaptable to various kitchens.
- **Sturdy Stainless Steel Construction with Protective Finish:** Crafted from premium SUS 304 stainless steel, this kitchen faucet features a multi-layer PVD coating that resists corrosion, scratches, and water marks, ensuring the surface stays smooth, glossy, and like new with minimal upkeep.
- **Long-Lasting Ceramic Valve:** Equipped with a lead-free ceramic cartridge tested for over 500,000 uses, this faucet ensures long-lasting, smooth operation without drips, delivering consistent water flow for everyday kitchen tasks.
- **Pull-Down Sprayer with Two Modes:** Easily switch between stream and spray modes with a single touch. The 360-degree rotating spout and 18-inch flexible hose reach all areas of the sink, perfect for washing dishes, filling containers, and cleaning corners.
- **DIY-Friendly Installation:** Comes with pre-assembled water hoses, premium mounting hardware, and a straightforward instruction guide. Set up your kitchen sink faucet in approximately 15 minutes without the need for professional assistance.

## SETUP AND INSTALLATION

Before beginning, ensure you have all necessary tools and components. Turn off the main water supply to your sink before starting installation.

## Components Overview

# PULL DOWN HOSE

With Dual Spray Modes

18" HOSE

Stream Mode

Spray Mode

Image: Detailed diagram illustrating the faucet's dimensions, including faucet height (15.27 inches), spout height (6.29 inches), and spout reach (8.35 inches). It also shows options for 1-hole or 3-hole installation with an optional deck plate, along with additional information on water supply connection (3/8 inch), minimum clearance to backsplash (2.5 inches), and mounting hole size (1.31-1.5 inches).

## Installation Steps

1. **Prepare the Sink:** Ensure the mounting hole size is between 1.31" and 1.50". If your sink has 3 holes, use the included deck plate to cover the unused holes.
2. **Assemble Faucet Body:** Connect the high-arc spout to the main faucet body. Ensure it clicks securely into place.
3. **Install Faucet:** Feed the water supply hoses and the pull-down sprayer hose through the mounting hole in the sink. Secure the faucet from underneath the sink using the provided mounting hardware (gaskets and gold ring).
4. **Connect Water Lines:** Connect the hot and cold water supply hoses to your home's hot and cold water valves. Ensure connections are tight to prevent leaks.
5. **Install Counterweight:** Attach the counterweight to the pull-down sprayer hose underneath the sink, ensuring it is positioned correctly to allow the sprayer head to retract smoothly.
6. **Test Faucet:** Turn on the main water supply and check for any leaks. Operate the faucet to ensure proper function of both stream and spray modes.

## Installation Video Overview

## OPERATING INSTRUCTIONS

### Water Flow and Temperature Control

- **Single Handle Operation:** The single lever handle controls both water flow and temperature. Lift the handle to turn on the water and adjust its height for flow intensity. Rotate the handle left for hot water and right for cold water.
- **360° Swivel Spout:** The high-arc spout can swivel 360 degrees, providing full sink access and flexibility for various tasks.

### Pull-Down Sprayer Functions

*Image: A visual representation of the faucet's pull-down sprayer head, clearly showing the two available modes: a steady 'Stream Mode' for*

filling and a powerful 'Spray Mode' for rinsing. The image emphasizes the versatility of the sprayer for different kitchen tasks.

- **Dual Function Sprayer:** The pull-down sprayer offers two distinct modes:
  - **Stream Mode:** Ideal for filling pots and general washing.
  - **Spray Mode:** Provides a powerful rinse for cleaning dishes and the sink.

To switch between modes, press the button located on the sprayer head.

- **Extended Reach:** The 18-inch flexible hose allows the sprayer to reach all areas of your sink, making cleaning and food preparation more convenient.
- **Smooth Retraction:** The integrated gravity ball ensures the sprayer head retracts smoothly and securely back into the spout after use.

### MAINTENANCE

- **Cleaning the Finish:** To maintain the smooth, glossy finish, clean the faucet regularly with a soft, damp cloth. Avoid abrasive cleaners, harsh chemicals, or scouring pads, as these can damage the PVD coating.
- **Ceramic Valve Care:** The lead-free ceramic cartridge is designed for long-lasting, drip-free performance. No special maintenance is typically required for the valve itself under normal use.
- **Sprayer Nozzle Cleaning:** If water flow from the sprayer becomes weak or irregular, check the sprayer nozzle for mineral buildup. Gently clean any debris using a soft brush or cloth.
- **Water Supply Maintenance:** Periodically check the water supply hoses for any signs of wear or leaks.

### TROUBLESHOOTING

This section addresses common issues you might encounter with your FORIOUS kitchen faucet.

Problem	Possible Cause	Solution
Low Water Flow	Clogged aerator or mineral buildup in sprayer nozzle.	Remove and clean the aerator/sprayer nozzle. Ensure water supply valves are fully open.
Leaking from Faucet Base	Loose mounting nut or worn gaskets.	Tighten the mounting nut underneath the sink. Check and replace gaskets if worn.
Sprayer Does Not Retract Fully	Counterweight improperly positioned or obstructed.	Adjust the position of the counterweight on the pull-down hose. Ensure there are no obstructions under the sink.
Water Temperature Issues	Incorrect hot/cold water line connection or issues with water heater.	Verify hot and cold water lines are connected correctly. Check your water heater settings.

### SPECIFICATIONS

**Brand:** FORIOUS

**Model Name:** Kitchen Faucet with Pull Down Sprayer

**Item Model Number:** FF0068B

**Finish Type:** Matte Black

**Material:** Stainless Steel (SUS 304)

**Number of Handles:** 1

**Hole Count:** 1 (compatible with 3-hole sinks using deck plate)

**Installation Type:** Single Hole, Widespread

**Spout Design:** High Arch Gooseneck

**Spout Height:** 6.29 Inches

**Spout Reach:** 8.35 Inches

**Hose Length:** 18 Inches

**Maximum Flow Rate:** 1.8 Gallons Per Minute

**Special Features:** 360 Swivel, Dual Function Sprayer, Lead Free, Leak Resistant, Pull Down Sprayer

**Item Weight:** 3.99 pounds

**Product Dimensions:** 10.23 x 9.84 x 15.27 inches
