## SAFETY INFORMATION

Please read and understand all safety warnings and instructions before assembly and use. Failure to follow these instructions may result in serious injury or property damage.

- **Adult Assembly Required:** This product requires assembly by at least two adults.
- **Wall Mounting:** The Murphy bed must be securely anchored to a wall stud or appropriate structural support. Do not attempt to use the bed without proper wall mounting.
- **Weight Capacity:** Do not exceed the maximum bed weight capacity of 600 lbs (including mattress and occupants).
- **Mattress Compatibility:** Use a mattress with a recommended thickness of 8-10 inches. Using a mattress outside this range may affect the bed's operation and safety.
- **Clearance:** Ensure adequate clearance around the bed when extending and retracting. Keep children and pets

away during operation.

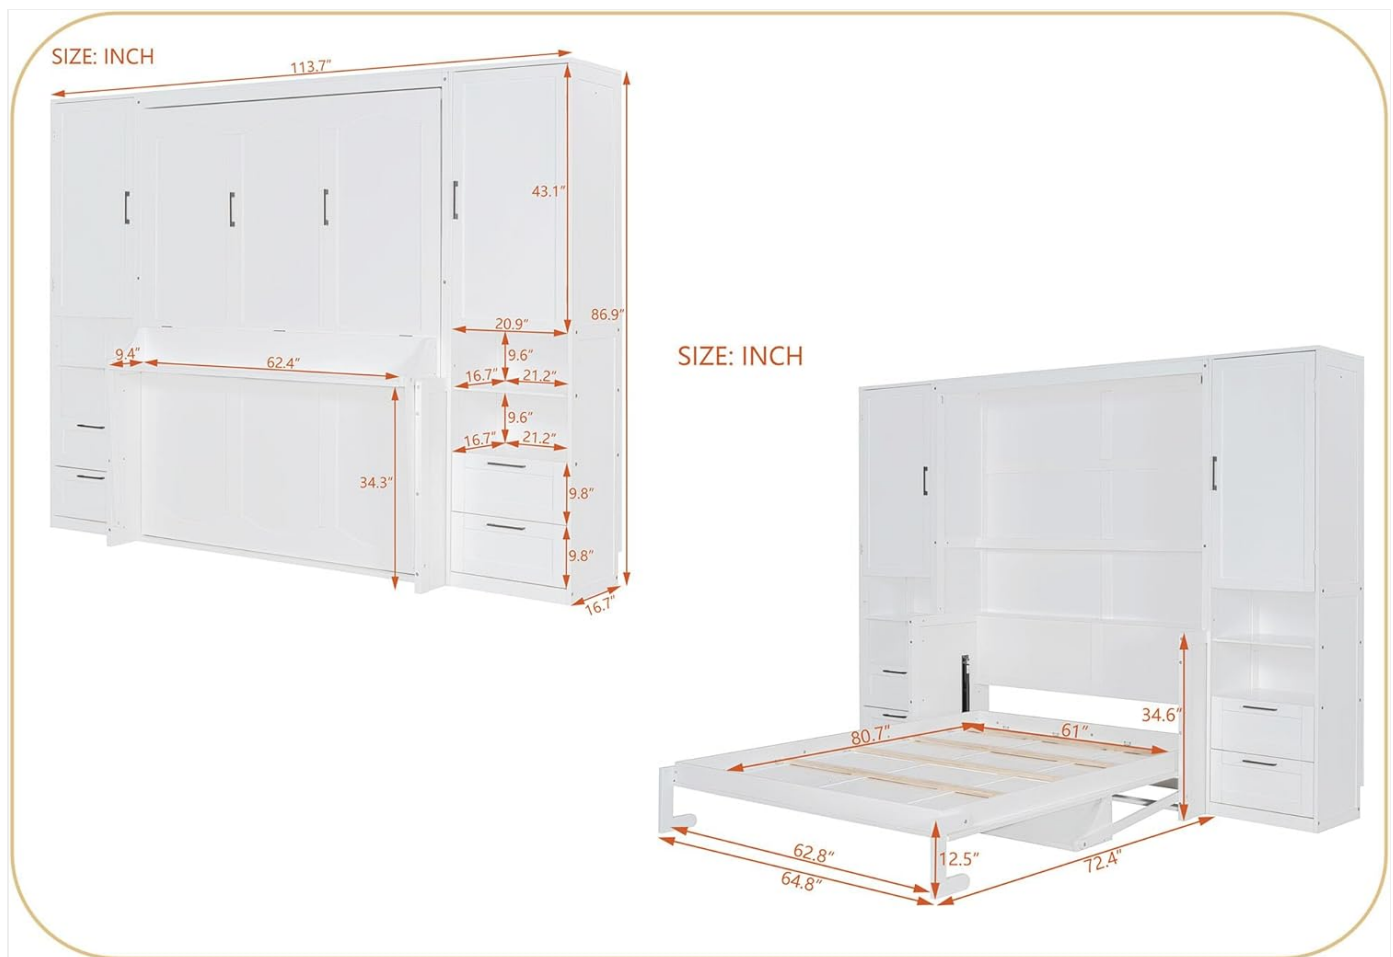

- **Regular Inspection:** Periodically check all fasteners and connections to ensure they remain tight and secure.
- **No Jumping:** Do not jump on the bed.

## SETUP AND ASSEMBLY

---

Your Polibi Murphy Bed system arrives in 4 separate packages. All necessary hardware and detailed assembly instructions are included. It is highly recommended to have at least two adults for assembly.

1. **Unpack Components:** Carefully unpack all components from the 4 packages. Verify all parts are present against the included parts list.
2. **Prepare Workspace:** Clear a spacious area for assembly, preferably near the intended installation wall.
3. **Assemble Cabinet Frame:** Follow the step-by-step instructions to assemble the main cabinet frame, including the side wardrobes and central bed housing.
4. **Install Bed Mechanism:** Carefully install the bed frame and its folding mechanism into the cabinet. Ensure all sliding tracks and support legs are correctly aligned and secured.
5. **Attach Storage Components:** Assemble and install the 4 drawers and shelves into their designated locations within the side wardrobes.
6. **Secure to Wall:** This is a critical step. Securely anchor the assembled unit to a wall stud or appropriate structural support using the provided hardware. This prevents tipping and ensures safe operation.
7. **Insert Mattress:** Once fully assembled and secured, place your queen-size mattress (8-10 inches thick recommended) onto the bed frame.

## OPERATING INSTRUCTIONS

### Converting from Cabinet to Bed

To convert the unit from its cabinet configuration to a bed:

1. Ensure the area in front of the cabinet is clear of obstructions.
2. Gently pull the bed frame downwards from the top center of the cabinet. The hydraulic mechanism will assist in a smooth, controlled descent.
3. As the bed lowers, the support legs will automatically extend and lock into place.
4. Once fully extended, the bed is ready for use.

### Converting from Bed to Cabinet

To convert the unit from bed to cabinet:

1. Remove any bedding or pillows that might obstruct the folding mechanism.
2. Gently lift the bed frame upwards from the foot end. The hydraulic mechanism will assist in lifting the bed back into the cabinet.
3. Ensure the support legs retract fully as the bed folds.
4. Push the bed frame completely into the cabinet until it is flush and securely closed.

## Using the Built-in Desk

When the bed is in its cabinet configuration, a convenient desk surface is available for work or study.

- The desk surface is integrated into the front panel of the bed when folded up.
- Simply pull out a chair and utilize the desk space.
- Ensure all items are removed from the desk surface before converting the unit to a bed.

## Murphy Bed with Desk

When not in use, simply fold it up that provides a table for you to study or work at, which is very convenient. .

## Utilizing Integrated Storage

The Polibi Murphy Bed system includes extensive integrated storage to help keep your space organized.

- **Side Wardrobes:** Two spacious wardrobes are located on either side of the main unit, ideal for hanging clothes.
- **Drawers:** Four smooth-gliding drawers provide concealed storage for various items.
- **Shelves:** Four open shelves offer convenient access and display space for books, decor, or other essentials.

# Integrated Storage

Keep your essentials organized and within reach with 2 side wardrobe, and 4 storage drawers, 4 shelves providing ample space for clothes, books, and more.

## MAINTENANCE

Proper maintenance will ensure the longevity and continued smooth operation of your Polibi Murphy Bed.

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners that could damage the finish.
- **Hardware Check:** Periodically inspect all screws, bolts, and connections. Tighten any loose fasteners to maintain structural integrity.

- **Mechanism Care:** Keep the bed's folding mechanism and sliding tracks free of dust and debris. Do not lubricate the hydraulic pistons unless specifically instructed by the manufacturer.
- **Environmental Conditions:** Avoid exposing the furniture to extreme temperature changes or high humidity, which can cause warping or damage to the wood and MDF components.

## TROUBLESHOOTING

If you encounter any issues with your Polibi Murphy Bed, refer to the following common solutions:

Problem	Possible Cause	Solution
Bed does not fold/unfold smoothly.	Obstruction in mechanism; loose hardware; incorrect mattress thickness.	Check for any items blocking the mechanism. Ensure all assembly hardware is tight. Verify mattress thickness is within 8-10 inches.
Drawers are sticking or difficult to open.	Overloaded drawers; debris in tracks; misaligned tracks.	Reduce contents of drawers. Clean tracks. Realign drawer slides if necessary.
Unit feels unstable.	Not properly anchored to wall; loose assembly hardware.	Ensure the unit is securely anchored to wall studs. Tighten all assembly bolts and screws.

If you are unable to resolve an issue using the troubleshooting guide, please contact Polibi customer support for assistance.
