

## Yofidra sku4H6486

# Yofidra Cordless 2-in-1 Nail Gun & Stapler

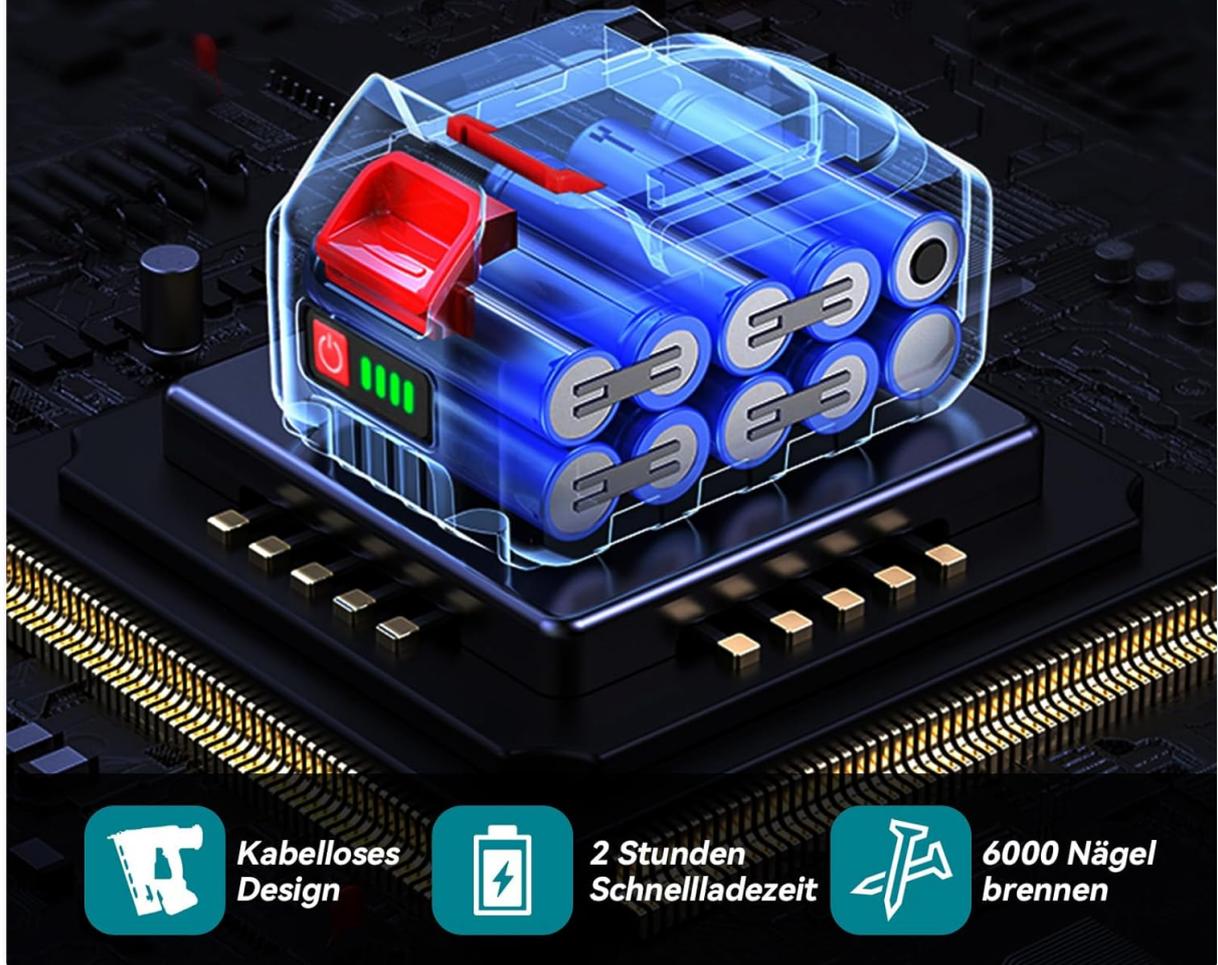

Model: sku4H6486 - Instruction Manual

## 1. IMPORTANT SAFETY INSTRUCTIONS

Read and understand all safety warnings and instructions before operating this tool. Failure to follow the warnings and instructions may result in electric shock, fire, and/or serious injury.

- **Eye Protection:** Always wear appropriate eye protection (safety glasses or goggles) that comply with current standards when operating this tool.
- **Hearing Protection:** Wear hearing protection during extended use to prevent hearing damage.
- **Hand and Body Placement:** Keep hands and body parts away from the firing area and the fastener discharge opening. Never point the tool at yourself or others.
- **Contact Safety Mechanism:** This tool is equipped with a contact safety mechanism. The tool will only fire when the nozzle is firmly pressed against the workpiece surface. Do not attempt to bypass or disable this safety feature.
- **Disconnect Power:** Always disconnect the battery pack before making adjustments, changing accessories, or storing the tool.
- **Work Area:** Keep the work area clean and well-lit. Cluttered or dark areas invite accidents.
- **Proper Fasteners:** Use only the specified types and sizes of nails and staples for this tool.

# 2x3.0AH Akku & Schnellladegerät

**Image:** Dual safety protection mechanism. The tool is designed to prevent unexpected firing by requiring the nozzle to be fully depressed against the work surface before the trigger can activate the firing pin.

## 2. PRODUCT OVERVIEW

The Yofidra Cordless 2-in-1 Nail Gun & Stapler is a versatile tool designed for various carpentry and DIY projects. It functions as both a nailer and a stapler, offering convenience and efficiency.

### Key Features:

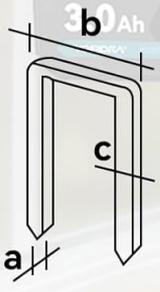

- **2-in-1 Functionality:** Operates as both a nail gun and a stapler.
- **High Speed:** Capable of driving up to 80 fasteners per minute.
- **Cordless Operation:** Powered by two 3000mAh Lithium-Ion batteries for extended use without power cords.
- **Brushless Motor:** Provides superior nail penetration for various materials.
- **Dual Safety:** Equipped with a contact safety system to prevent accidental firing.
- **Dual Firing Modes:** Supports both single-shot and continuous firing modes.

## Compatible Fasteners:

- **Nails:** 18GA F10/F15/F20/F25/F30/F32 (15–32mm length)
- **Staples:** 416K/419K/422K/425K (15–25mm length)

# 2-IN-1 Akku Nagelpistole & Tacker

Function	Fastener Length	Dimensions (mm)	Diagram
Tacker	5/8"-1"	15-25mm a=1.08-1.25mm c=5.7-6.0mm b=0.8-1.0mm	
Brad-Nagler	5/8"-1-1/4"	15-32mm a=1.25mm c=2.0mm b=1.0mm

# Einfach zu bedienen

**Image:** The tool comes with two 3.0Ah Lithium-Ion batteries and a fast charger, providing reliable power for continuous work.

## 3. SETUP

### 3.1 Battery Installation and Charging

1. Ensure the battery is fully charged before first use. Connect the charger to a power outlet and insert the battery. The indicator light on the charger will show charging status.
2. To install the battery, align the battery pack with the receptacle at the base of the tool handle. Slide the battery into place until it clicks securely.
3. To remove the battery, press the release button on the battery pack and slide it out.

### 3.2 Loading Fasteners (Nails or Staples)

1. Ensure the battery is removed from the tool for safety.
2. Locate the magazine latch at the rear of the fastener magazine. Press the latch to open the magazine.

3. Insert the strip of nails or staples into the magazine with the points facing forward. Ensure the fasteners are correctly oriented and fit snugly.
4. Close the magazine by sliding it forward until it locks securely with an audible click. Verify that the magazine is fully closed before re-inserting the battery.

**Image:** A visual guide demonstrating the simple steps to open the magazine, load fasteners, and securely close the magazine.

## 4. OPERATING INSTRUCTIONS

### 4.1 Selecting Firing Mode

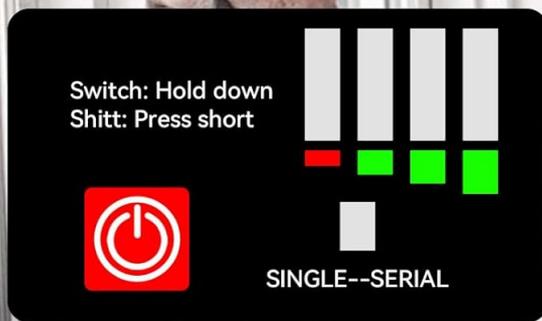

The tool offers two firing modes: single-shot and continuous. Use the mode selector switch, typically located near the trigger, to choose your desired mode.

- **Single-Shot Mode:** For precise fastener placement. The tool fires one fastener each time the trigger is pulled after the contact safety is engaged.
- **Continuous Firing Mode:** For rapid fastening. Hold the trigger down, and the tool will fire a fastener each time the contact safety is engaged by pressing the nozzle against the workpiece.

Kontaktzündung

## 2 Betriebsmodi

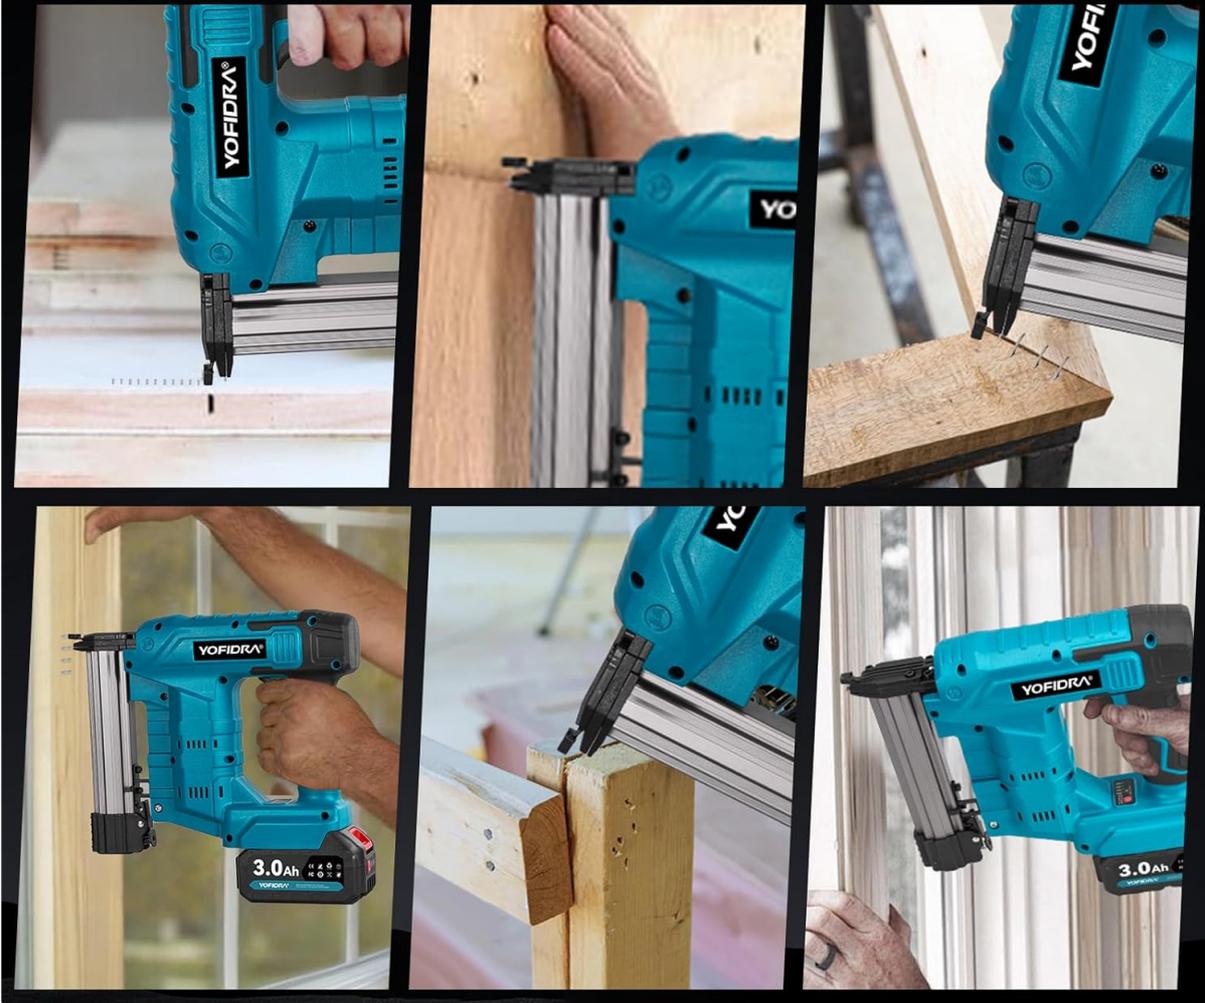

**Image:** The control panel showing the switch for selecting between single-shot and continuous firing modes, along with the battery charge indicator.

### 4.2 Firing the Tool

1. Ensure the correct fasteners are loaded and the battery is installed.
2. Select the desired firing mode (single or continuous).
3. Place the nozzle of the tool firmly against the workpiece surface where the fastener is to be driven. The contact safety mechanism must be fully depressed.
4. Pull the trigger to fire the fastener.
5. Release the trigger and lift the tool from the workpiece before moving to the next fastening point (in single-shot mode).

**Note on Depth Adjustment:** This model does not feature an adjustable depth control. The penetration depth of fasteners will depend on the material density and the pressure applied to the tool. For softer materials, fasteners may be driven deeper than desired. Consider using a sacrificial material or adjusting technique for optimal results.

# Breite Anwendungen

**Image:** Examples of the Yofidra nail gun being used in different woodworking and DIY scenarios, demonstrating its versatility.

## 5. MAINTENANCE

Regular maintenance ensures the longevity and optimal performance of your tool.

- **Cleaning:** Keep the tool clean and free of dust and debris. Use a soft, dry cloth to wipe down the exterior. Do not use harsh chemicals or abrasive cleaners.
- **Fastener Magazine:** Periodically inspect the fastener magazine for any obstructions or damage. Ensure it slides smoothly.
- **Air Vents:** Keep the air vents clear to prevent overheating of the motor.
- **Battery Care:** Store batteries in a cool, dry place. Do not expose them to extreme temperatures. Charge batteries fully before long-term storage.
- **Storage:** When not in use, store the tool in a secure, dry location out of reach of children. Remove the battery pack before storage.

## 6. TROUBLESHOOTING

If you encounter issues with your Yofidra nail gun, refer to the following common problems and solutions:

Problem	Possible Cause	Solution
Tool does not fire	Battery not installed or discharged; Fastener magazine empty; Contact safety not fully depressed.	Check battery charge and installation; Reload fasteners; Ensure nozzle is firmly pressed against workpiece.
Fasteners not driven deep enough or crooked	Material too hard; Incorrect fastener size; Tool not held firmly; No depth adjustment feature.	Ensure tool is held firmly and squarely; Verify fastener compatibility for material; Note that this model lacks depth adjustment, requiring technique adjustment for softer materials.
Misfires or jams	Incorrect fastener size; Damaged fasteners; Debris in magazine; Overheating (in continuous mode).	Use correct, undamaged fasteners; Clear magazine of debris; Allow tool to cool down if used continuously.
Battery not charging	Charger not plugged in; Damaged battery or charger; Battery too hot/cold.	Check power connection; Inspect battery and charger for damage; Allow battery to reach room temperature.

## 7. SPECIFICATIONS

<b>Brand</b>	Yofidra
<b>Model Number</b>	sku4H6486
<b>Material</b>	Metal and Plastic
<b>Operation Mode</b>	Automatic
<b>Battery Type</b>	2 x Lithium Ion (3000mAh each)
<b>Nail Compatibility</b>	18GA F10/F15/F20/F25/F30/F32 (15–32mm)
<b>Staple Compatibility</b>	416K/419K/422K/425K (15–25mm)
<b>Firing Speed</b>	Up to 80 fasteners per minute
<b>Product Dimensions</b>	44.4 x 26.8 x 9.7 cm
<b>Product Weight</b>	3.66 kg

## 8. WARRANTY AND SUPPORT

---

For warranty information and customer support, please refer to the documentation included with your purchase or contact Yofidra customer service directly. Keep your proof of purchase for any warranty claims.
