SETUP AND PAIRING

Initial Pairing

1. Ensure the headphones are fully charged before first use.
2. Power on the headphones by pressing and holding the power button until the LED indicator flashes.
3. The headphones will automatically enter pairing mode, indicated by a flashing blue and red LED.
4. On your device (smartphone, tablet, laptop), navigate to the Bluetooth settings.
5. Search for available devices and select "boAt Rockerz 412" from the list.
6. Once connected, the LED indicator will show a steady blue light, and you will hear an audio confirmation.

Reconnecting

The headphones will automatically attempt to reconnect to the last paired device when powered on. If reconnection fails, manually select "boAt Rockerz 412" from your device's Bluetooth settings.

OPERATING INSTRUCTIONS

Basic Controls

- **Power On/Off:** Press and hold the Power button.
- **Play/Pause:** Press the Multi-function button once.
- **Volume Up/Down:** Press the Volume + / Volume - buttons.
- **Next Track:** Press and hold Volume + button.
- **Previous Track:** Press and hold Volume - button.
- **Answer/End Call:** Press the Multi-function button once.
- **Reject Call:** Press and hold the Multi-function button.
- **Activate Voice Assistant:** Triple press the Multi-function button.

Special Modes

- **BEAST Mode (Low Latency):** Activate for reduced audio delay during gaming or video playback. Refer to the product's specific button combination for activation (usually a dedicated button or a long press of a specific control).
- **ENx Technology:** This feature is automatically active during calls to enhance voice clarity by suppressing environmental noise.

CHARGING

The boAt Rockerz 412 headphones offer up to 60 hours of playback on a single charge. To charge your headphones:

1. Connect the provided charging cable to the charging port on the headphones.
2. Connect the other end of the cable to a USB power source (e.g., wall adapter, computer USB port).
3. The LED indicator will show a red light during charging and turn off or change color when fully charged.

Note: Use a compatible charger to avoid damage to the device. Fast charging is supported.

MAINTENANCE

To ensure the longevity and optimal performance of your headphones, follow these maintenance guidelines:

- Keep the headphones dry. Avoid exposure to water or excessive moisture. While water-resistant, they are not waterproof.
- Clean the earcups and headband with a soft, dry cloth. Do not use abrasive cleaners or solvents.
- Store the headphones in a cool, dry place when not in use.
- Avoid extreme temperatures.
- Do not attempt to disassemble or repair the headphones yourself. This will void the warranty.

TROUBLESHOOTING

Problem	Possible Solution

Problem	Possible Solution
Headphones do not power on.	Ensure the headphones are charged. Connect to a power source and try again.
Cannot pair with device.	- Ensure headphones are in pairing mode (flashing blue/red LED). - Turn off and on Bluetooth on your device. - Forget "boAt Rockerz 412" from your device's Bluetooth list and try pairing again. - Ensure headphones are within range (10 meters) of your device.
No sound or low volume.	- Increase volume on both headphones and connected device. - Ensure headphones are properly connected to your device. - Try playing different audio sources.
Call quality is poor.	- Ensure the microphone is not obstructed. - Move to a quieter environment to allow ENx Technology to function optimally. - Check network signal strength on your phone.
Audio lag during gaming/video.	Activate BEAST Mode (Low Latency) if not already enabled. Ensure your device supports low latency Bluetooth profiles.
