1. ACCESSING YOUR AUDIOBOOK (SETUP)

To begin listening to *The Blighted Stars*, follow these steps to access it through the Audible platform:

1. **Audible Account:** Ensure you have an active Audible account and that *The Blighted Stars* is part of your library.

2. **Download Audible App:** Install the Audible application on your smartphone, tablet, or compatible device. The app is available on major app stores.
3. **Sign In:** Open the Audible app and sign in using your Audible account credentials.
4. **Locate Audiobook:** Navigate to your "Library" within the app. *The Blighted Stars* should be listed there.
5. **Download or Stream:**
 - **Download:** Tap on the audiobook cover or title to initiate the download. This allows for offline listening.
 - **Stream:** If you prefer not to download, you can stream the audiobook directly, requiring an active internet connection.

Once downloaded, the audiobook is ready for playback.

2. LISTENING TO YOUR AUDIOBOOK (OPERATING)

The Audible app provides various controls for an optimal listening experience:

- **Play/Pause:** Tap the central play/pause button on the player screen to start or stop playback.
- **Skip Forward/Backward:** Use the 30-second forward and backward skip buttons to quickly navigate through the audio.
- **Chapter Navigation:** Access the "Chapters" icon (often represented by a list or three lines) to view and jump to specific chapters.
- **Playback Speed:** Adjust the listening speed (e.g., 0.75x, 1x, 1.25x, 1.5x) using the speed icon (often "1.0x").
- **Sleep Timer:** Set a sleep timer to automatically pause playback after a specified duration (e.g., 15 minutes, 30 minutes, end of chapter).
- **Bookmark:** Use the bookmark feature to mark specific points in the audiobook for future reference.

3. MANAGING YOUR AUDIOBOOK

Efficient management of your audiobook ensures a smooth listening experience and optimizes device storage:

- **Offline Listening:** Once downloaded, *The Blighted Stars* can be listened to without an internet connection. This is ideal for travel or areas with limited connectivity.
- **Archiving:** If you finish the audiobook and wish to free up device space, you can archive it from your device. It will remain in your Audible cloud library for re-downloading at any time.
- **Deleting Downloads:** To remove the downloaded file from your device, locate the audiobook in your library, tap the three-dot menu, and select "Remove from Device."
- **App Updates:** Regularly update the Audible app to ensure you have the latest features, performance improvements, and bug fixes.
