BELLEZE 5-Tier Corner Plant Stand with RGB Light Instruction Manual

Model: 014-HG-44806-NA

PRODUCT OVERVIEW

The BELLEZE 5-Tier Corner Plant Stand with RGB Light is designed to provide a stylish and functional display solution for your indoor plants. Its L-shaped design optimizes corner spaces, while the integrated RGB grow lights support plant health. Constructed from sturdy iron tubes and high-quality MDF boards, this stand offers durability and stability for various plant sizes.

SETUP AND ASSEMBLY

Assembly of the BELLEZE 5-Tier Corner Plant Stand is required. All necessary tools and hardware are included. Follow the step-by-step instructions provided in the manual for a smooth setup process.

Dimensions and Components

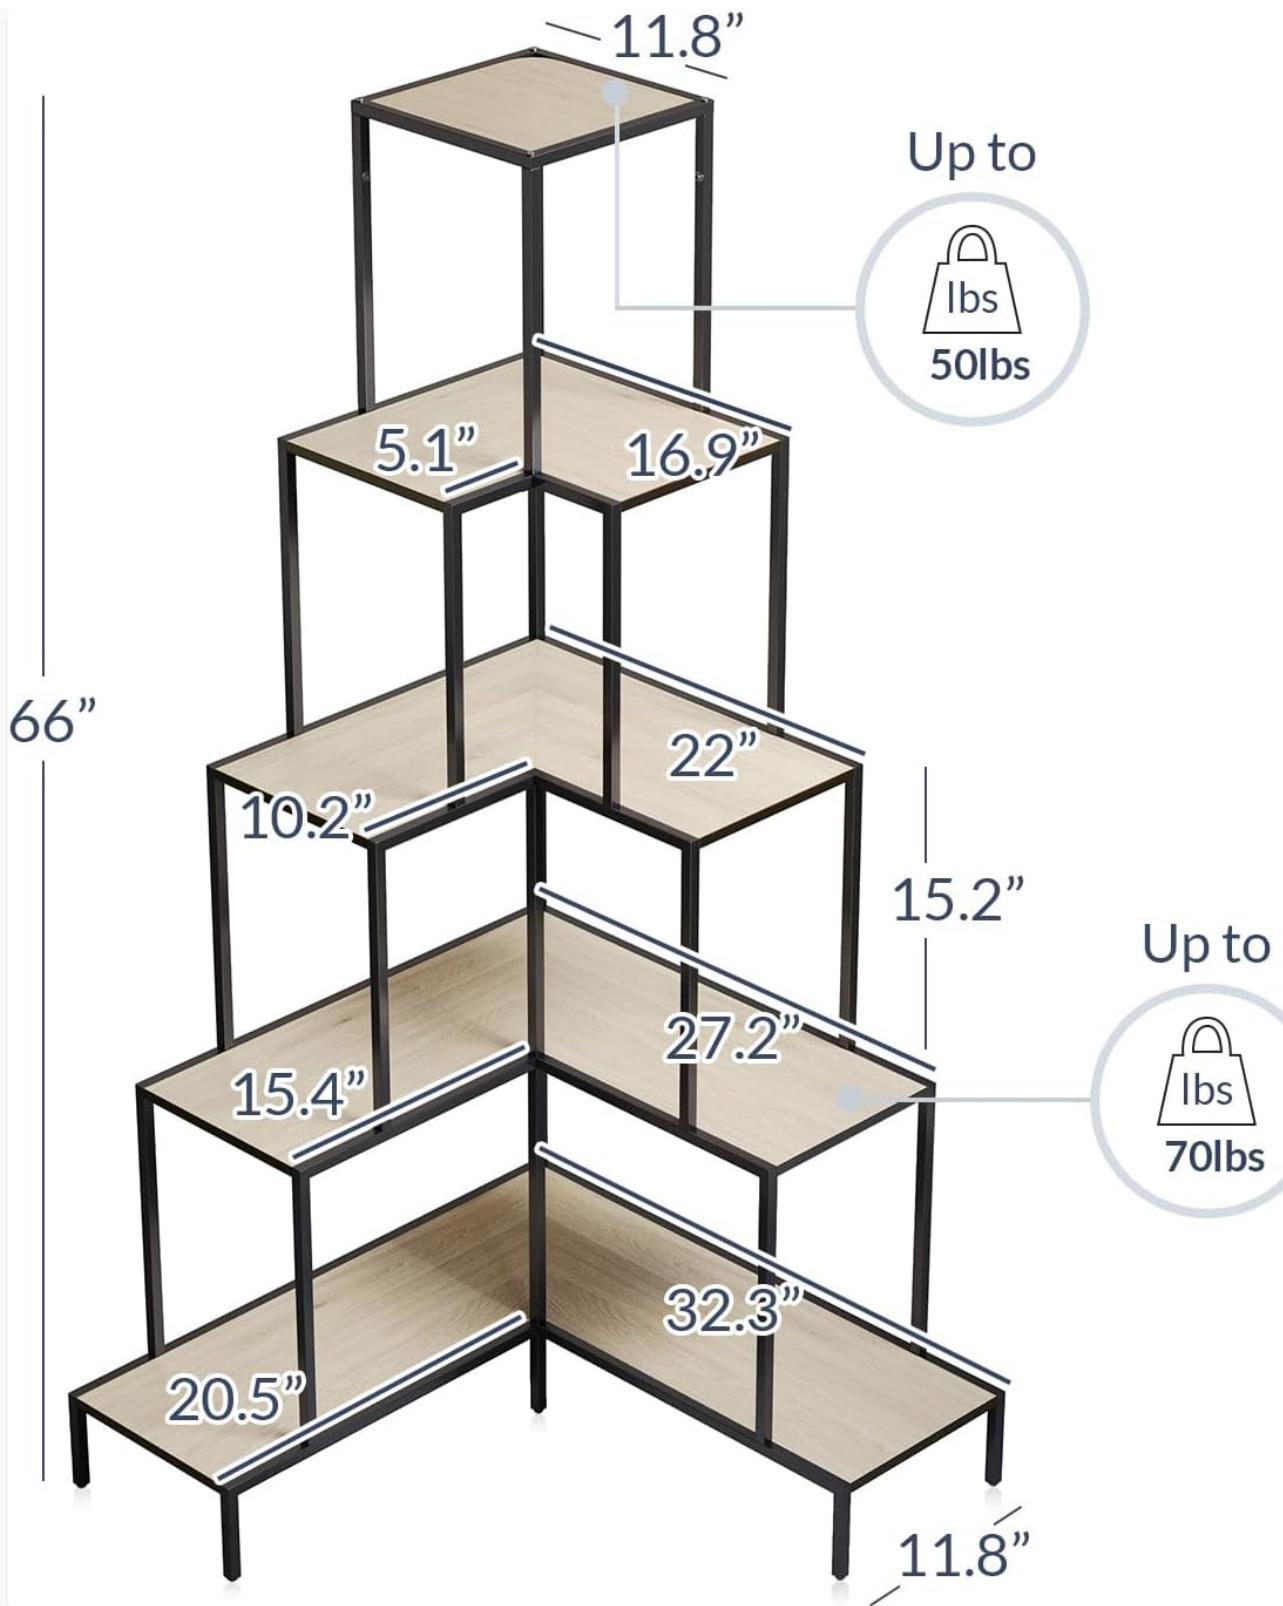

Image: A detailed diagram illustrating the dimensions of the plant stand, including its 66-inch height and various shelf measurements, along with indicated weight capacities of up to 50 lbs for upper shelves and 70 lbs for lower shelves.

The stand features an L-shaped design, specifically engineered to fit perfectly into 90-degree room corners, maximizing space efficiency.

90° RIGHT ANGLE DESIGN, FITS IN THE CORNER SPACE PERFECTLY

Assembly Video Guide

Your browser does not support the video tag.

Video: This video demonstrates the assembly process of a similar plant stand with grow lights, providing visual guidance for putting together the structure and installing the lighting components.

OPERATING THE RGB LIGHTS

The integrated RGB grow lights provide full-spectrum lighting essential for plant growth. The lights are remote-controlled, allowing for easy adjustment of brightness, color modes, and timing.

16 Color Choices LED Strip Lights

Image: The plant stand with its RGB lights displaying multiple color options, accompanied by an image of the remote control used to manage the lighting modes and brightness.

Light Control Features:

- Multiple Lighting Modes and Colors:** Choose from various colors and modes to suit different plant needs and aesthetic preferences.
- Adjustable Brightness:** Fine-tune the light intensity to provide optimal conditions for your plants.
- Timer Function:** Set the lights to turn on and off automatically for specific durations (e.g., 3, 9, or 12 hours) to ensure consistent light exposure.

Maintenance

To ensure the longevity and appearance of your plant stand, follow these maintenance guidelines:

- Cleaning:** Wipe down the MDF boards and metal frame with a soft, damp cloth. Avoid abrasive cleaners.
- Water Resistance:** The MDF boards have a waterproof finish, making them resistant to minor spills. However, promptly wipe away any standing water to prevent damage.

- **Light Care:** Ensure the RGB light strips are kept clean and free from dust to maintain optimal performance.

TROUBLESHOOTING

Stability Issues:

- Ensure all screws are tightened securely during assembly.
- Place the stand on a flat, even surface. The anti-tip design and weight-balanced base are designed for superior stability.
- Distribute plants and decorative items evenly across the shelves to maintain balance.

RGB Lights Not Functioning:

- Check if the power adapter is securely plugged into a working electrical outlet.
- Verify that the remote control's battery is functional.
- Ensure all connections between the light strips and the main power cable are secure.

SPECIFICATIONS

Feature	Detail
Brand	BELLEZE
Model Number	014-HG-44806-NA
Shape	L Shape
Product Dimensions (L x W x H)	32.3 x 32.3 x 66 inches
Item Weight	36.8 pounds
Material	Manufactured Wood (MDF)
Color	Nature
Assembly Required	Yes
Included Components	Corner Shelf, Manual
Batteries Required	No
UPC	192928071023
