2. Safety Information

WARNING: May cause burns if used for extended periods or with high heat settings. Do not use if you have certain medical conditions without consulting a doctor. Keep electrical cords away from water and do not submerge the massager in water. Always follow the instructions provided in the user manual for safe and effective use.

3. Product Features

- **Multifunctional Massage:** Features deep kneading shiatsu massage, air compression, and soothing heat.
- **Customizable Settings:** 3 kneading intensities (Low/Medium/High/Off), 3 air squeeze intensities (Low/Medium/High/Off), 3 heat levels (104°F/122°F/131°F), and 3 timer options (15/20/30 minutes). Each function can be adjusted independently or in combination.
- **Remote Control:** Wireless remote for convenient operation without bending.
- **Foot Size Compatibility:** Accommodates feet up to men's size 13.
- **Enhanced Material:** Upgraded water-resistant ABS material for durability and easy cleaning.
- **Portable Design:** Lightweight at 5.6 lbs for easy movement and storage.

- **Hygienic:** Machine-washable foot sleeves for easy maintenance.

4. Setup

1. Place the foot massager on a flat, stable surface.
2. Ensure the power adapter is securely connected to the massager's power input port.
3. Plug the power adapter into a suitable electrical outlet. The power indicator light will blink, indicating standby mode.
4. Sit comfortably and place your feet into the foot chambers.

5. Operating Instructions

5.1 Power On/Off

- Press the 'Power' button on the control panel or remote to turn the massager on. It will automatically start with default settings (low kneading, air pressure, heat, and 15-minute timer).
- Press the 'Power' button again to turn the massager off.

5.2 Adjusting Massage Modes

- **Kneading:** Press the 'Knead' button to cycle through Low, Medium, High, or Off intensity levels.
- **Air Compression:** Press the 'Air' button to cycle through Low, Medium, High, or Off intensity levels.

- **Heat:** Press the 'Heat' button to cycle through 104°F, 122°F, 131°F, or Off temperature settings.

5.3 Setting the Timer

- Press the 'Timer' button to select a massage duration of 15, 20, or 30 minutes. The massager will automatically shut off once the selected time has elapsed.

6. Maintenance

6.1 Cleaning

- The foot sleeves inside the massager are machine-washable. Unzip the sleeves from the foot chambers and wash them according to fabric care instructions.
- Wipe the exterior of the massager with a damp cloth. Do not use abrasive cleaners or submerge the unit in water.

6.2 Storage

- When not in use, store the massager in a cool, dry place away from direct sunlight.
- Its compact design (14.9" L x 12.6" W x 6.3" H) allows for easy storage under furniture or in closets.

Figure 6: Features like washable foot covers and non-slip pads for easy maintenance and stability.

7. Troubleshooting

- **Red light blinks after plugging in:** This indicates normal standby mode. Press the 'Power' button to activate the massager.
- **Highly pain-sensitive users:** The rollers primarily knead the arch area, and toes/heels receive gentler acupressure. All functions have 3 intensity levels (L/M/H); first-time use is recommended at the lowest intensity.
- **Can I use or turn off specific functions alone?** Yes, you can turn on/off each function separately or combine them. For example, use massage only without heating in summer, or as a foot warmer in winter.

8. Specifications

- **Product Dimensions:** 11.3 x 6.1 x 13.3 inches
- **Item Model Number:** KF7
- **Item Weight:** 5.6 Pounds
- **Manufacturer:** KNQZE
- **Power Source:** Corded Electric
- **Material:** Plastic

9. Warranty and Support

The KNQZE Foot Massager comes with a 1-year warranty. Free replacement is provided for any damage within 1 year. For customer support, please refer to the contact information provided in your product packaging or on the manufacturer's official website.
