

LIGE FV18

LIGE Smart Watch FV18 User Manual

Comprehensive instructions for your LIGE Smart Watch FV18

1. PRODUCT OVERVIEW

The LIGE Smart Watch FV18 is a versatile wearable device designed to enhance your daily life with health monitoring, fitness tracking, and smart communication features. It features a 1.47-inch HD display, IP68 water resistance, and supports Bluetooth calls.

Image 1.1: LIGE Smart Watch FV18 with interchangeable straps.

2. SETUP GUIDE

2.1 Unboxing and Components

Upon opening the package, you will find the following items:

- 1 x LIGE Smart Watch FV18
- 1 x Stainless Steel Mesh Strap
- 1 x Silicone Strap
- 1 x Magnetic Charging Cable
- 1 x User Manual

Video 2.1: Unboxing the LIGE Smart Watch FV18 and its components.

2.2 Attaching the Straps

The LIGE Smart Watch FV18 comes with two interchangeable straps. To attach a strap, align the pins on the strap with the holes on the watch body and slide them into place until they click securely. To remove, pull the small lever on the strap pin and gently detach.

2.3 App Download and Installation

To utilize all features of your smart watch, download the **GloryFit** application on your smartphone. You can find the app by:

1. Scanning the QR code provided in the user manual or on the watch display.
2. Searching for "GloryFit" in the Apple App Store (for iOS) or Google Play Store (for Android).

Follow the on-screen instructions to install the app.

Image 2.2: Guide for downloading and installing the GloryFit app.

2.4 Device Pairing

After installing the GloryFit app, follow these steps to pair your smart watch:

1. Ensure your phone's Bluetooth is enabled.
2. Open the GloryFit app and navigate to the "Device" section.
3. Tap "Add Device" or "Select device" and allow location permissions if prompted.
4. The app will search for nearby devices. Select "QS-50(ID-5B05)" or a similar identifier for your LIGE Smart Watch FV18.
5. Confirm the pairing request on both your phone and the watch.

2.5 Notification and Contact Synchronization

To receive notifications and make calls directly from your watch:

- **Notifications:** In the GloryFit app, go to "Device" > "Push message" and grant "Notification access" to GloryFit. Then, enable notifications for desired applications (e.g., WhatsApp, Facebook, Instagram).
- **Contacts:** In the GloryFit app, go to "Device" > "Bluetooth call with watch" > "Address Book" to synchronize up to 100 contacts from your phone to the watch.

3. OPERATING INSTRUCTIONS

3.1 Basic Navigation

The LIGE Smart Watch FV18 features a full touchscreen display. Swipe left, right, up, or down to navigate

through menus, access quick settings, and view different functions. Press the side button to return to the home screen or wake the device.

3.2 Making and Answering Calls

Once paired via Bluetooth, you can manage calls directly from your watch:

- **Answering Calls:** When a call comes in, tap the green icon on your watch to answer.
- **Making Calls:** Access the call menu on your watch to dial numbers or select from synchronized contacts. The watch uses its built-in speaker and microphone for clear communication.

Image 3.1: Smart Bluetooth Call feature on the LIGE Smart Watch FV18.

3.3 Receiving Notifications

After enabling notification access in the GloryFit app, your watch will display real-time alerts for incoming calls, SMS messages, and various app notifications (e.g., Facebook, WhatsApp, TikTok).

Receive Various Notifications

Notify you of incoming calls and messages in real time, so you don't have to worry about missing important moments.

Image 3.2: The watch receives notifications from various social media and messaging apps.

3.4 Health Monitoring

The watch is equipped with optical sensors for continuous health tracking:

- **Heart Rate:** Monitors your heart rate throughout the day.
- **Blood Oxygen (SpO2):** Measures your blood oxygen saturation levels.
- **Sleep Tracking:** Analyzes your sleep patterns, including deep sleep, light sleep, and awake times.
- **Activity Tracking:** Records steps taken, distance covered, and calories burned.

Image 3.3: 24/7 Health Management features including Heart Rate, Sleep Tracking, and Blood Oxygen.

3.5 Sports Modes

The watch supports over 70 sports modes to track your workouts. Select your activity from the watch menu or the GloryFit app to record real-time data such as duration, heart rate, and calories burned.

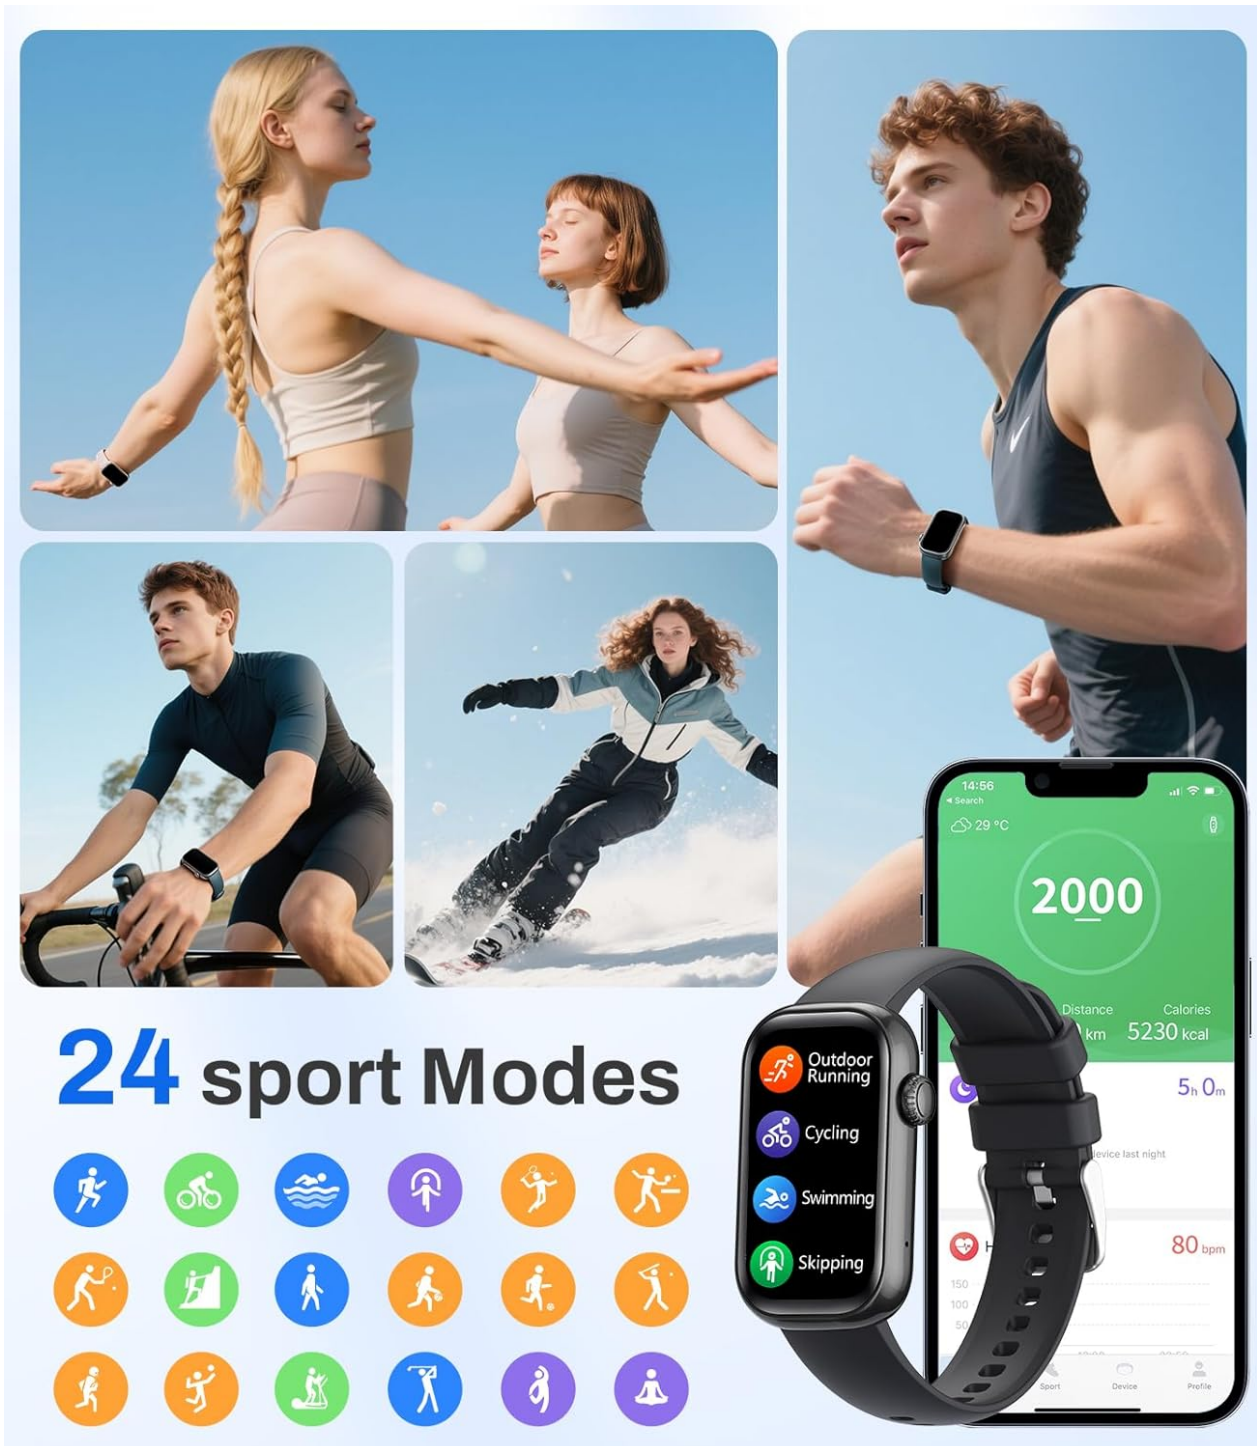

Image 3.4: The watch offers a wide range of sports modes for tracking physical activities.

Video 3.5: Demonstrating health tracking and various sports modes on the LIGE Smart Watch FV18.

3.6 Customizing Watch Faces

Personalize your watch with over 165 selectable watch faces available through the GloryFit app. You can also upload your own photos to create custom dials.

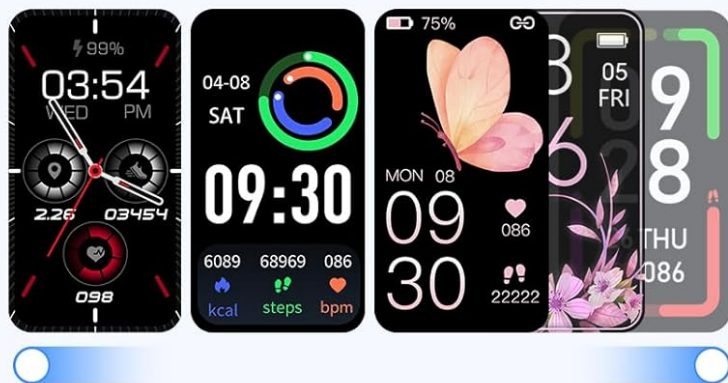

Image 3.6: A selection of watch faces and options for custom backgrounds.

3.7 Music and Camera Control

Control your smartphone's music playback and camera shutter directly from your watch when connected via Bluetooth.

3.8 Find Phone Feature

If your phone is misplaced, use the "Find Phone" feature on your watch to make your phone ring, helping you locate it.

4. MAINTENANCE

4.1 Charging the Device

Connect the magnetic charging cable to the charging points on the back of the watch and a USB power source. A full charge takes approximately 2 hours. The watch provides 5-10 days of typical usage and up to 20 days in standby mode.

The advertisement is divided into two main sections. The top section, titled 'IP68 Waterproof', features a black smartwatch with a black strap splashing in water. The watch screen displays '04-08 SAT', '09:30', and various health metrics like '6089 kcal', '68969 steps', and '086 bpm'. To the right of the watch are four blue circular icons: two water droplets for 'Sweat', a hand being washed for 'Wash', a shower head for 'Bath', and a rain cloud for 'Rain'. The bottom section, titled 'Long Battery Life', shows the same smartwatch with a green battery icon and a yellow lightning bolt, with the word 'Recharge' below it. A large blue arc with '20DAYS' written on it surrounds the watch. To the left of the watch are three light blue boxes: '2 Hours Charging time', '3-5 Days Average usage', and '20 Days Power-saving mode'.

IP68 Waterproof

- Sweat
- Wash
- Bath
- Rain

Long Battery Life

- 2 Hours Charging time
- 3-5 Days Average usage
- 20 Days Power-saving mode

Image 4.1: Information on IP68 water resistance and battery life.

4.2 Water Resistance

The LIGE Smart Watch FV18 is IP68 certified, meaning it is resistant to dust and can withstand splashes, rain, and sweat. It is **not suitable** for swimming, diving, or use in saunas or hot showers, as steam and hot water can compromise the seals.

Video 4.2: Demonstrating the durability and water resistance of the LIGE Smart Watch FV18.

4.3 Cleaning and Care

To maintain your watch, regularly clean the watch body and straps with a soft, dry cloth. If necessary, use a slightly damp cloth for the silicone strap. Avoid using harsh chemicals or abrasive materials.

5. TROUBLESHOOTING

If you encounter issues with your LIGE Smart Watch FV18, please refer to the following common solutions:

- **Watch not turning on:** Ensure the watch is fully charged. Connect it to the magnetic charger for at least 30 minutes.
- **Cannot pair with phone:**
 - Ensure Bluetooth is enabled on your phone and the watch is within range.
 - Restart both your phone and the watch.
 - Check if the GloryFit app has necessary permissions (location, Bluetooth).
 - Try unpairing and re-pairing the device through the GloryFit app.
- **Notifications not received:**
 - Verify that "Notification access" is granted to GloryFit in your phone's settings.
 - Ensure specific app notifications are enabled within the GloryFit app.
 - Check if "Do Not Disturb" mode is active on either your phone or watch.
- **Inaccurate health data:** Ensure the watch is worn snugly on your wrist, not too tight or too loose. Clean the sensor on the back of the watch regularly.
- **Short battery life:** Reduce screen brightness, disable unnecessary notifications, or limit continuous heart rate monitoring to extend battery life.

6. SPECIFICATIONS

Feature	Detail
Model	FV18
Display Size	1.47 Inches IPS HD (172 x 320 pixels)
Connectivity	Bluetooth 5.2
Battery Capacity	300 mAh
