

Atheewon S10

Atheewon S10 Smartwatch User Manual

Model: S10

Brand: Atheewon

1. INTRODUCTION

The Atheewon S10 Smartwatch is a versatile and robust device designed for both men and women, offering a wide range of features for fitness tracking, communication, and daily convenience. With its military-grade durability, IP68 water resistance, and comprehensive health monitoring, the S10 is an ideal companion for active lifestyles.

2. WHAT'S IN THE BOX

- Smartwatch (x1)
- Black Strap (x1)
- Magnetic Charger (x1)
- User Manual (x1)

3. SETUP

3.1 Initial Charging

Before first use, fully charge your Atheewon S10 Smartwatch using the provided magnetic charger. Connect the charger to a USB power source and align the magnetic pins with the charging points on the back of the watch. A full charge typically takes approximately 2 hours.

3.2 App Installation and Pairing

1. Scan the QR code in the manual or on the watch screen to download the **GloryFit** app from your smartphone's app store (compatible with iOS and Android).
2. Open the GloryFit app and create an account or log in.
3. Navigate to the 'Device' section in the app and select 'Add Device'.
4. Ensure your watch's Bluetooth is enabled and your phone's Bluetooth is on. The app will search for nearby devices.
5. Select 'S10' from the list of found devices to initiate pairing. Confirm the pairing request on both your phone and the smartwatch.
6. Follow any on-screen prompts to complete the binding process.

Your browser does not support the video tag.

Video: This video demonstrates the unboxing, initial setup, and pairing process of a similar smartwatch model (Blackview W50Pro) with a smartphone app. It shows how to connect the watch, select language, and bind it to the app, which is relevant for the Atheewon S10 setup.

3.3 Personal Information Setup

After pairing, complete your personal profile in the GloryFit app (e.g., date of birth, gender, height, weight) to ensure accurate health and fitness data tracking.

4. OPERATING INSTRUCTIONS

4.1 Basic Navigation

- **Touchscreen:** Swipe left/right, up/down to navigate menus and access features. Tap to select.
- **Side Buttons:** Use the physical buttons on the side for quick access to functions like power on/off, back, or specific sport modes.

4.2 Bluetooth Calling

The S10 supports dual-mode Bluetooth 5.4 for stable and clear calls. Once paired, you can answer, make, and end calls directly from your watch using the built-in 60 dB speaker and noise-cancelling microphone.

Your browser does not support the video tag.

Video: This video showcases the C29 Rugged Smart Watch, demonstrating its AI voice assistant, Bluetooth call functionality, and durability features like scratch and impact resistance, which are also present in the Atheewon S10.

4.3 Message Notifications & Voice Assistant

Receive notifications for SMS, Facebook, WhatsApp, Twitter, TikTok, and other platforms directly on your watch. The integrated voice assistant allows for convenient control of your phone.

4.4 Customizing Watch Faces

The 1.39-inch TFT HD display (360x360 resolution, 60 Hz refresh rate) offers a smooth visual experience. Choose from over 200 online watch faces via the GloryFit app or create your own custom watch face using your photos.

4.5 Other Useful Functions

- **Music Control:** Control music playback on your smartphone.
- **Photo Control:** Remotely trigger your phone's camera.
- **Weather Forecasts:** Get real-time weather updates.
- **Breathing Training:** Guided breathing exercises for relaxation.
- **Alarm, Stopwatch, Timer:** Standard timekeeping functions.
- **Flashlight:** Use the watch screen as a light source.
- **Find Phone:** Locate your paired smartphone.
- **Sedentary Reminder:** Alerts you to move after periods of inactivity.
- **Raise to Wake:** Screen activates when you raise your wrist.

5. HEALTH MONITORING

The Atheewon S10 provides 24-hour real-time health monitoring, tracking key parameters to help you understand and improve your well-being.

5.1 Heart Rate Monitoring

Continuously monitors your heart rate throughout the day. View detailed heart rate data in the GloryFit app.

Image: Smartwatch and smartphone showing continuous heart rate monitoring data.

5.2 Sleep Tracking

Monitors your sleep quality, including deep sleep, light sleep, and wake times. Access detailed sleep reports via the GloryFit app to intelligently adjust your lifestyle.

7.1 Water Resistance

The S10 Smartwatch is IP68 rated, meaning it is resistant to dust and can withstand immersion in water up to 1.5 meters for 30 minutes. It is suitable for daily use, showering, and swimming, but not for diving or high-pressure water activities.

7.2 Battery Life

With a 2-hour charging time, the S10 offers 5 to 7 days of daily use and up to 30 days of standby time, reducing the need for frequent charging.

8. SPECIFICATIONS

Feature	Detail
Model	S10
Display Size	1.39 inches
Display Resolution	360 x 360 pixels
Operating System	iOS, Android
Connectivity	Bluetooth 5.4

Battery Life (Standby)	30 days
Charging Time	2 hours
Weight	99 g
Special Features	Music Player, Notifications, Weather Forecasts, Touchscreen, Activity Tracker, Bluetooth Calls, Voice Assistant, Flashlight

9. TROUBLESHOOTING

- **Watch not turning on:** Ensure the watch is fully charged. Connect it to the magnetic charger and wait for the charging indicator to appear.
- **Unable to pair with phone:**
 - a. Ensure Bluetooth is enabled on both the watch and your smartphone.
 - b. Make sure the watch is within 0.5 meters of your phone during pairing.
 - c. Restart both the watch and your phone, then try pairing again.
 - d. Check if the GloryFit app has necessary permissions (Bluetooth, location).
- **Notifications not appearing:**
 - a. Verify that notifications are enabled in the GloryFit app for specific applications (e.g., SMS, WhatsApp).
 - b. Ensure your phone's notification access is granted to the GloryFit app.
 - c. Check if 'Do Not Disturb' mode is active on either your phone or watch.
- **Inaccurate health data:** Ensure the watch is worn snugly on your wrist, not too tight or too loose. Keep the sensor clean.
- **Short battery life:** Reduce screen brightness, disable unnecessary features, and limit continuous heart rate monitoring if not needed.

10. MAINTENANCE

- **Cleaning:** Regularly clean the watch and strap with a soft, dry cloth. For stubborn dirt, use a slightly damp cloth and mild soap, then rinse and dry thoroughly.

- **Charging:** Use only the provided magnetic charger. Avoid exposing the charging contacts to water or corrosive liquids.
- **Storage:** Store the watch in a cool, dry place when not in use. Avoid extreme temperatures.
- **Water Exposure:** While IP68 rated, prolonged exposure to hot water, steam, or chemicals (like detergents) can compromise water resistance.

11. WARRANTY AND SUPPORT

For warranty information, please refer to the documentation included with your purchase or contact Atheewon customer support. For further assistance, visit the official Atheewon website or contact their support team directly.
