PARTPHONER PATI026AZ1 Shoe Storage Cabinet User Manual

Model: PATI026AZ1 | Brand: PARTPHONER

1. INTRODUCTION

Thank you for purchasing the PARTPHONER PATI026AZ1 Shoe Storage Cabinet. This freestanding unit features two flip drawers and a rustic brown finish, designed to organize your footwear efficiently while complementing your home decor. This manual provides essential information for safe assembly, operation, and maintenance of your new shoe cabinet.

2. SAFETY INFORMATION

Please read and understand all safety instructions before assembly and use. Failure to follow these instructions may result in injury or damage to the product.

- **Anti-Tipping Device:** It is mandatory to fix the shoe cabinet to the wall using the provided anti-tipping device to prevent accidental tipping, especially in households with children or pets. This ensures stability and safety.
- Keep all small parts and packaging materials away from children.
- Ensure all connections are secure before use. Periodically check and tighten fasteners as needed.
- Do not overload the drawers or shelves.
- Place the cabinet on a flat, stable surface.

6. MAINTENANCE

Proper care will extend the life and appearance of your shoe cabinet.

- **Cleaning:** Wipe the surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners, which can damage the engineered wood finish.
- **Spills:** Immediately wipe up any spills to prevent moisture damage to the engineered wood.
- **Fasteners:** Periodically check all screws and bolts to ensure they remain tight. Retighten as necessary.
- **Light Care:** For the LED Motion Light, follow the manufacturer's instructions for charging and battery replacement (if applicable).

7. TROUBLESHOOTING

If you encounter any issues with your shoe cabinet, refer to the following common solutions:

- **Drawers not closing smoothly:** Check for any obstructions inside the drawer mechanism. Ensure all assembly screws are tightened correctly and that the cabinet is on a level surface.

- **Cabinet feels unstable:** Verify that the anti-tipping device is securely installed and fastened to the wall. Ensure all leg connections are tight.
- **LED Motion Light not working:** Check if the light needs charging. Ensure it is placed in an area where motion can be detected and that its settings are correctly configured. Refer to the light's specific manual.
- **Missing parts or assembly difficulties:** Double-check the included instruction manual. If parts are genuinely missing or you require further assistance, contact customer support.
