SETUP

1. Initial Charging

Before first use, fully charge your smart watch. Connect the magnetic charger to the charging points on the back of the watch and plug the USB end into a compatible power source. A full charge typically takes approximately 2 hours.

2. App Download and Pairing

To unlock all features, download the **"Gloryfit"** app from your device's app store (compatible with Android 5.0+ and iOS 9.0+). Follow the in-app instructions to pair your watch.

1. Download the "Gloryfit" app from the App Store (iOS) or Google Play Store (Android).
2. Ensure your phone's Bluetooth is enabled.
3. Open the "Gloryfit" app and search for your device (T70, identified by ID-XXXX).
4. Confirm the pairing request on both your phone and the watch.

Figure 4: Smart Watch pairing process with the Gloryfit app.

3. Bluetooth Call Function Setup (for iOS 13.0 and below)

For older iOS versions, an additional step is required to enable the call function:

1. After initial pairing, swipe right on the watch screen to access the "Phone" function switch and turn it on.
2. Go to your phone's Bluetooth settings.
3. Find "T70 (ID-XXXX)" in the list of available devices and click to connect.
4. Once connected, you can answer and make calls directly from your watch.

OPERATING INSTRUCTIONS

1. Display and Customization

The Csasan T70 features a 1.91-inch HD full touch display with adjustable brightness. You can wake the screen by raising your wrist. Personalize your watch face by choosing from over 100 built-in options in the Gloryfit app, or use your own photos.

Figure 5: Watch face customization options.

2. Call and Message Functions

With the integrated speaker and microphone, you can answer and make Bluetooth calls directly from your wrist. The watch also supports full-network message push notifications from various social media and communication apps (e.g., Instagram, YouTube, Messenger, Gmail, Snapchat, Facebook, Twitter, WhatsApp). *Note: The smart watch cannot reply to messages.*

3. Sports Modes

The fitness tracker offers over 110 sports modes, including running, cycling, swimming, and general fitness activities. It tracks your steps, calories burned, and distance covered, helping you monitor your progress.

Figure 8: Overview of sports modes and activity tracking.

4. Health Monitoring

Equipped with a high-performance sensor, the watch provides 24/7 heart rate monitoring and automatic sleep tracking. It helps you understand your heart rate changes and sleep patterns (awake, light, and deep sleep). *Note: The data is for reference only and should not be used for medical diagnosis.*

5. Other Functions

The Csasan T70 Smart Watch includes a variety of useful functions:

- **Weather Forecast:** Get real-time weather updates.
- **Music Control:** Control music playback on your phone directly from the watch.
- **Sedentary Reminder:** Alerts you to move after periods of inactivity.
- **Stopwatch & Timer:** For precise timekeeping during activities.
- **Alarm Clock:** Set alarms for daily reminders.
- **Female Cycle Tracking:** Monitor menstrual cycles.
- **Find Phone:** Helps locate your paired smartphone.
- **Camera Remote Control:** Use your watch as a remote shutter for your phone's camera.

MAINTENANCE

1. Water Resistance

The Csasan T70 Smart Watch is IP68 waterproof, making it resistant to sweat and rain. It can be used during daily activities such as hand washing or exercising in light rain. *Important: Do not use the watch in hot water, saunas, or for prolonged immersion, as this may affect its waterproof integrity and lifespan.*

Figure 11: IP68 Waterproof feature.

2. Cleaning

Regularly clean your watch and strap with a soft, dry cloth. If necessary, use a slightly damp cloth and then dry thoroughly. Avoid using harsh chemicals or abrasive materials.

3. Battery Care

To prolong battery life, avoid extreme temperatures. Charge the watch fully before long periods of inactivity. The watch offers a standby time of up to 30 days and an average usage time of 5-7 days.

TROUBLESHOOTING

If you encounter issues with your Csasan T70 Smart Watch, please refer to the following common solutions:

- **Watch not turning on:** Ensure the watch is fully charged. Connect it to the charger and wait a few minutes before attempting to power it on.
- **Bluetooth connection issues:**
    - Ensure Bluetooth is enabled on both your phone and the watch.
    - Make sure the watch is within the Bluetooth range of your phone.
    - Restart both the watch and your phone.
    - Forget the device in your phone's Bluetooth settings and re-pair it through the Gloryfit app.
- **Notifications not appearing:**
    - Check app notification permissions in your phone's settings and within the Gloryfit app.
    - Ensure the Gloryfit app is running in the background.
- **Inaccurate health data:** Ensure the watch is worn snugly on your wrist, not too tight or too loose. Clean the sensor on the back of the watch.
- **Screen unresponsive:** Try restarting the watch by pressing and holding the side button. If unresponsive, allow the battery to drain completely and then recharge.

If the issue persists, please contact customer support for further assistance.

SPECIFICATIONS

Feature	Detail
