HOMCOM Buffet Sideboard Instruction Manual

Model: 83B-197V80WT | Brand: HOMCOM

Overview Safety Assembly Operation Maintenance Specifications Support

1. Product Overview

Thank you for choosing the HOMCOM Buffet Sideboard. This elegant and functional storage unit is designed to enhance your dining room, kitchen, or living space. Featuring a white lacquer finish with a vintage pine wood top, it offers extensive storage options with four soft-close doors and adjustable interior shelves.

2. Safety Information

Please read and understand all safety instructions before assembly and use to prevent injury or damage to the product.

- **Maximum Load Capacity:** Do not exceed the recommended maximum load of 47 kg (total) and 15 kg (top surface). Overloading can cause instability and damage.
- **Anti-Tip Device:** Ensure the anti-tip device is correctly installed and secured to a wall stud to prevent the sideboard from tipping over, especially in households with children or pets.
- **Non-Slip Feet:** The sideboard is equipped with non-slip feet. Ensure they are properly positioned to prevent floor scratches and provide stability.
- **Assembly:** Assemble the unit on a soft, clean surface to avoid scratching. Ensure all screws and fasteners are tightened securely before use.
- **Placement:** Place the sideboard on a level surface to ensure stability.

3. Assembly Instructions

The HOMCOM Buffet Sideboard requires assembly. Please follow the detailed instructions provided in the assembly manual included in your package. It is recommended to have two people for assembly.

3.1. Package Contents

Before starting, verify that all components are present and undamaged. The package typically includes:

- Sideboard panels (top, bottom, sides, back)
- Four doors with soft-close hinges
- Adjustable shelves
- Hardware kit (screws, dowels, anti-tip device, non-slip feet)
- Assembly manual

3.2. Assembly Steps

1. Unpack all components and lay them out on a clean, soft surface.
2. Follow the step-by-step diagrams in the included assembly manual.
3. Attach the soft-close hinges to the doors and the main cabinet structure as indicated.
4. Install the adjustable shelf supports at your desired height before placing the shelves.
5. Secure the anti-tip device to the back of the sideboard and then to a wall stud using appropriate hardware.
6. Ensure all connections are tight and the unit is stable before use.

4. Operating Instructions

The HOMCOM Buffet Sideboard is designed for straightforward use, offering versatile storage and convenient features.

4.1. Soft-Close Doors

The four doors are equipped with a soft-close system. This mechanism allows the doors to close gently and silently, preventing slamming and reducing the risk of finger pinching. To open, simply pull the raised edge of the door. To close, push the door gently, and the soft-close mechanism will engage.

Image 4.1: Illustration of the soft-close hinge mechanism, ensuring quiet and safe door closure.

4.2. Adjustable Shelves

The interior of the sideboard features adjustable shelves, allowing you to customize the storage space according to your needs. To adjust a shelf:

1. Empty the shelf completely.
2. Carefully lift the shelf and remove it from its supports.
3. Relocate the shelf supports to the desired height holes.
4. Place the shelf back onto the supports, ensuring it is level and secure.

4.3. Top Surface Usage

The top surface provides a generous area for displaying decorative items, placing small appliances like coffee makers or microwaves, or serving food. Ensure the weight placed on the top does not exceed 15 kg.

5. Maintenance

The HOMCOM Buffet Sideboard is constructed from engineered wood with a melamine coating, making it easy to maintain.

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid using abrasive cleaners, harsh chemicals, or excessive moisture, as these can damage the finish.
- **Spills:** Clean up spills immediately to prevent staining or damage to the wood and lacquer finish.
- **Inspection:** Periodically check all screws and fasteners to ensure they remain tight. Retighten if necessary to maintain structural integrity.
- **Sunlight Exposure:** Avoid prolonged exposure to direct sunlight, which can cause fading or discoloration over time.

6. Troubleshooting

If you encounter any issues with your HOMCOM Buffet Sideboard, refer to the following common solutions:

- **Wobbly Unit:** Ensure the sideboard is placed on a level surface. Check and tighten all assembly screws. If the floor is uneven, use shims under the non-slip feet for stability.
- **Doors Not Closing Properly:** Check the alignment of the hinges. Adjust the screws on the hinges to ensure the doors are properly aligned and the soft-close mechanism functions correctly.
- **Scratches on Floor:** Ensure the non-slip feet are securely attached and in contact with the floor. If missing or damaged, contact customer support for replacements.
- **Missing Parts:** If any parts are missing upon unboxing, refer to the assembly manual for the parts list and contact HOMCOM customer support with the specific part numbers.

7. Product Specifications
