BAOFENG DM32/UV32

BAOFENG DM32/UV32 Radio Holster Instruction Manual

INTRODUCTION

This manual provides detailed instructions for the proper setup, operation, and maintenance of your BAOFENG DM32/UV32 Radio Holster. Designed for durability and convenience, this holster ensures secure and accessible carrying of your compatible walkie-talkie.

Widely Application

The BAOFENG DM32/UV32 Radio Holster is suitable for a wide range of professional and recreational activities, providing hands-free convenience.

PRODUCT OVERVIEW

Key Features

- **Compatibility:** Accurately matched with BAOFENG UV-32/DM-32 walkie-talkie models for a secure fit.
- **Durable Material:** Constructed from high-quality plastic, resistant to falling and wear, suitable for harsh outdoor environments.
- **Convenient Back Clip:** Easily attaches to belts, backpacks, or tactical vests, freeing up hands.
- **Easy Access:** Designed for quick removal and re-insertion of the radio.

Durable and wear-resistant, protecting the walkie talkie

The holster is made from robust plastic, ensuring long-term protection for your walkie-talkie.

PACKAGE CONTENTS

Verify that all items are present in your package:

- 1X Holster Case
- 1X Belt Clip

Note: The intercom back clip needs to be used in combination with the Holster Case.

The package includes the holster case and a detachable belt clip.

SETUP AND INSTALLATION

1. Attaching the Belt Clip to the Holster

1. Align the belt clip with the designated slot on the back of the holster case.
2. Slide the belt clip into place until it securely locks. Ensure it is firmly attached to prevent accidental detachment.

Belt clip

Detail of the belt clip, showing its robust design for secure attachment.

2. Inserting the Radio into the Holster

1. Hold the holster with the opening facing upwards.
2. Carefully slide your BAOFENG UV-32 or DM-32 walkie-talkie into the holster.
3. Ensure the radio is fully seated within the holster, with buttons and display remaining accessible.

Compatible with UV-32/DM-32 Walkie Talkie

The holster is designed for a precise fit with BAOFENG UV-32 and DM-32 models, ensuring full functionality while secured.

3. Attaching the Holster to Your Belt or Gear

1. With the radio securely in the holster, position the belt clip over your belt, backpack strap, or tactical vest.
2. Press the clip firmly to ensure it engages with your gear. The locking safety device helps prevent accidental detachment.

Locking safety device

**Easy to operate,
easy to hang and
carry on the belt.**

The holster can be easily attached to a belt, allowing for convenient and hands-free carrying.

OPERATION

Using the Holster

The holster allows for quick and easy access to your radio. To use the radio, simply lift it out of the holster. To return it, slide it back into the case. The design ensures that the radio's buttons and display remain accessible for operation while it is holstered.

Various views of the radio securely held within the holster, demonstrating its ergonomic design.

MAINTENANCE

Cleaning and Care

- To clean the holster, wipe it with a damp cloth. Avoid using harsh chemicals or abrasive cleaners, as these may damage the plastic material.
- Ensure the holster is dry before re-inserting your radio.
- Regularly inspect the belt clip for any signs of wear or damage to ensure secure attachment.

TROUBLESHOOTING

Common Issues

- **Radio feels loose in the holster:** Ensure your radio model is specifically the BAOFENG UV-32 or DM-32. The holster is designed for these models. If the fit is still loose, ensure the radio is fully inserted.
- **Holster detaches from belt:** Verify that the belt clip is properly engaged with your belt or gear.

Ensure the locking mechanism on the clip is fully secured. Avoid excessive force or snagging that could dislodge the clip.
