4. SETUP AND ASSEMBLY

Your YESHOMY Vanity Desk requires assembly. A detailed manual of installation and usage, along with a tool kit, is included in the package. Please follow the step-by-step instructions provided in the included assembly manual carefully.

Assembly Tips:

- Unpack all components and verify against the parts list in the assembly manual.
- Assemble the desk in the room where it will be used to avoid moving a heavy, assembled unit.
- Use the provided tool kit. While power tools may speed up assembly, exercise caution to prevent overtightening screws and damaging the engineered wood material.
- Ensure all connections are secure before proceeding to the next step.

5. OPERATING INSTRUCTIONS

5.1 Mirror Lights Operation

The vanity mirror is equipped with 10 lights offering 3 color modes and adjustable brightness. The lights are controlled via a remote control.

- **Changing Color Modes:** Press the 'Change Color' button on the remote to cycle through Cool White, Warm White, and Warm Yellow light settings.
- **Adjusting Brightness:** Use the 'Enhanced Brightness' (+) and 'Dimish Brightness' (-) buttons on the remote to increase or decrease the light intensity.

6. MAINTENANCE AND CARE

Proper care will extend the life and appearance of your vanity desk.

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners that could damage the finish.
- **Mirror Care:** Use a glass cleaner specifically designed for mirrors and a lint-free cloth to prevent streaks.
- **Electrical Components:** Ensure the vanity is unplugged before cleaning around the power outlets or lights. Do not spray liquids directly onto electrical components.
- **Drawer Maintenance:** Periodically check drawer slides for smooth operation. If drawers become stiff, a small amount of silicone lubricant can be applied to the slides.
- **General Protection:** Use coasters or protective mats under hot items or liquids to prevent damage to the desktop surface.

7. TROUBLESHOOTING

If you encounter any issues with your vanity desk, please refer to the following common troubleshooting

steps:

- **Lights Not Working:**

- Ensure the vanity is properly plugged into a working wall outlet.
- Check the connection of the light power cord to the vanity's power strip.
- Verify that the remote control batteries are functional.

- **Power Outlets Not Functioning:**

- Confirm the main power cord is securely plugged into a live wall outlet.
- Test the wall outlet with another device to ensure it is working.
- Avoid overloading the outlets with high-power devices simultaneously.

- **Drawers Sticking or Not Closing Smoothly:**

- Check for any obstructions inside the drawer or along the slides.
- Ensure the drawer slides are properly aligned and not bent.
- Verify that the drawer is not overloaded, causing it to sag.

- **Desk Wobbles:**

- Ensure all assembly screws and fasteners are tightened securely.
- Place the desk on a flat, even surface.

If these steps do not resolve the issue, please contact customer support for further assistance.
