4.2 Power On/Off

- **Power On:** Open the charging case, and the headphones will automatically power on.
- **Power Off:** Place the headphones back into the charging case and close the lid. They will automatically power off and begin charging.

4.3 Bluetooth Pairing

The S19 headphones use Bluetooth 5.3 for a stable and efficient connection.

1. Ensure the headphones are charged.
2. Open the charging case. The headphones will enter pairing mode automatically (indicated by flashing LED lights on the earbuds).
3. On your device (smartphone, tablet, computer), go to Bluetooth settings.

4. Search for available devices and select "YYK-S19" (or similar, check your device's display).
5. Once connected, the headphone LEDs will stop flashing, and your device will confirm the connection.

The headphones will automatically reconnect to the last paired device when removed from the case, if Bluetooth is enabled on the device.
