SAFETY GUIDELINES

Important Safety Information:

- Suitable for ages: 36 months and up.

- Adult supervision is required to reduce the risk of injury.
- Do not use on public roads, near motor vehicles, on steep slopes or steps.
- Avoid use in swimming pools or other bodies of water.
- Ensure all components are securely fastened before each use.

PACKAGE CONTENTS

Verify that all items are present in the box:

- Electric Wiggle Car (main body)
- Charger
- User Manual (this document)

ASSEMBLY INSTRUCTIONS

The Gotrax WG1 Electric Wiggle Car is designed for easy assembly, typically taking about 5 minutes. Follow these steps:

1. **Attach the Handlebar:** Secure the handlebar to the front of the car using the provided screws.
2. **Install the Rear Wheel Set:** Fix the rear wheel set to the base of the car with screws.
3. **Connect the Wires:** Plug the wheel's wire into the motor adapter cable.

Once these steps are completed, the wiggle car is ready for use after initial charging.

Built for 3+ Adventurers!

Perfect for Kids Aged 3+ to Play with.

OPERATING INSTRUCTIONS

The Gotrax WG1 Electric Wiggle Car offers an engaging and interactive riding experience for children.

Controls and Features:

- **Pedal Throttle:** The car is activated by a pedal throttle, providing intuitive control for acceleration.
- **360° Swivel Wheels:** The unique 360° swivel wheels allow for sharp turns and drifting, enhancing balance and motor skills.
- **Music Speaker:** Features built-in songs and music with two modes. Adjust volume and switch songs for varied riding excitement.
- **Light-Up Rear Wheels:** Colorful flash LED lights on the rear wheels add visual appeal and improve visibility.
- **Battery Display:** A clear battery display indicates the current charge level, helping you know when to recharge.

180° Rotating Handlebar

Turn, Spin & Glide Safely! Perfect for Tiny Riders to Master Control

CHARGING THE BATTERY

The Gotrax WG1 is powered by a 12V safe lead-acid rechargeable battery. For optimal performance and longevity, follow these charging guidelines:

- Use only the included charger.
- The charging port is typically located near the power switch on the underside of the vehicle.
- A full charge provides up to 120 minutes of continuous ride time under a 110lbs load (lighter loads may result in longer playtime).
- The battery display will indicate when charging is needed.
- The quick-replace design allows for easy battery swaps if a spare is available (spare battery not included).

MAINTENANCE

To ensure the longevity and safe operation of your Gotrax WG1 Electric Wiggle Car, regular maintenance is

recommended:

- Regularly inspect all screws and fasteners to ensure they are tight.
- Keep the vehicle clean by wiping it with a damp cloth. Avoid using harsh chemicals.
- Store the vehicle in a dry place away from direct sunlight and extreme temperatures.
- Charge the battery fully before long-term storage and recharge every 3 months to maintain battery health.
