ADORNEVE ADORNEVE Bunk Bed 006

ADORNEVE Full Over Twin Bunk Bed with Storage, LED Lights, and Safety Features - Instruction Manual

Model: ADORNEVE Bunk Bed 006

1. PRODUCT OVERVIEW

The ADORNEVE Full Over Twin Bunk Bed is designed to maximize space efficiency while providing comfortable sleeping arrangements and integrated storage solutions. This metal loft bed features a full-size upper bunk and a twin-size lower bunk, making it suitable for various room configurations. It includes eight fabric storage drawers, open storage shelves, and integrated LED lighting for enhanced functionality and ambiance.

2. SAFETY INFORMATION

Adherence to safety guidelines is crucial for the safe use of this bunk bed. Please read and understand all warnings before assembly and use.

- **Weight Limits:** Do not exceed the weight limit of 450 lbs for the upper bunk and 400 lbs for the lower bunk.
- **Guardrail:** The upper bed is equipped with a 13.4-inch high guardrail. Ensure it is properly installed and maintained to prevent falls.
- **Anti-Tipping Device:** Securely fasten the bed to the wall using the provided anti-tipping device to enhance stability and prevent accidental tipping.

- **Ladder Safety:** The ladder is designed with soft foam pads for comfortable and safe climbing. Always use the ladder when accessing the upper bunk.
- **Mattress Size:** Use only mattresses of the specified size and thickness to ensure proper guardrail height and safety.

3. INCLUDED COMPONENTS

Before beginning assembly, verify that all components listed below are present and undamaged. If any parts

are missing or damaged, please contact customer service for assistance.

- 1 x Bunk Bed Frame
- 8 x Fabric Drawers
- 1 x LED Light Strips
- 2 x Storage Shelves
- 22 x Steel Slats
- 1 x Storage Headboard
- 3 x Guardrails (MDF boards + high-density iron mesh)
- 1 x Installation Manual
- 1 x Easy Assemble Tools

4. SETUP AND ASSEMBLY INSTRUCTIONS

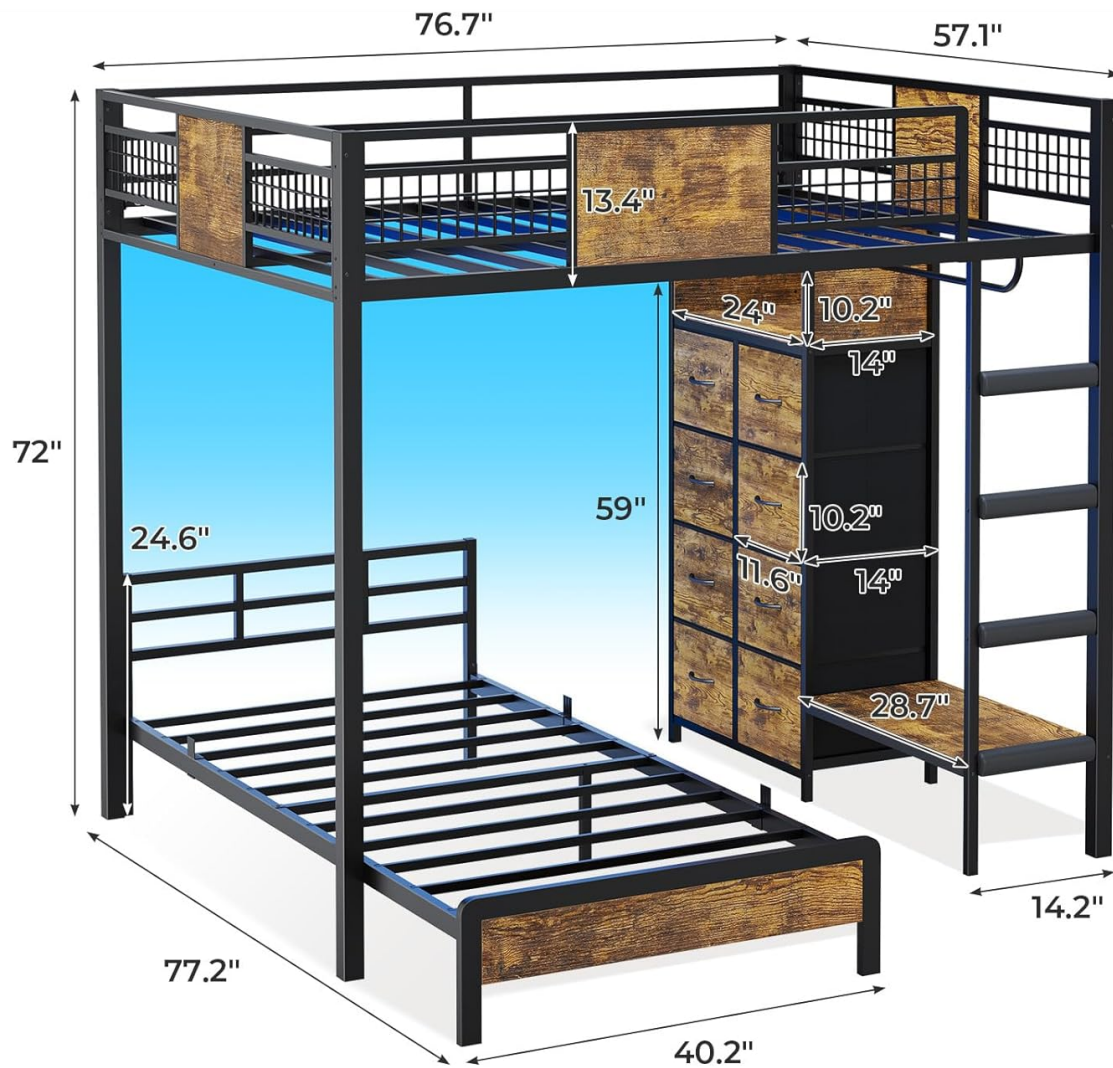

The ADORNEVE Bunk Bed is designed for straightforward assembly. A detailed installation manual with numbered parts and easy-to-use tools is included in the packaging. We recommend two adults for assembly to ensure safety and efficiency.

1. **Preparation:** Clear a spacious area for assembly. Unpack all components and lay them out, comparing them with the parts list in the included manual.
2. **Frame Assembly:** Follow the step-by-step instructions in the manual to assemble the main metal frame of the bunk bed. Ensure all bolts and screws are tightened securely.
3. **Slats Installation:** Install the steel slats into the designated slots. The buckle design ensures a firm fit and reduces noise.
4. **Storage and Ladder:** Attach the storage shelves, fabric drawers, and the ladder according to the manual. Ensure the ladder is stable and the foam pads are correctly positioned.
5. **Safety Devices:** Install the 13.4-inch high guardrail on the upper bunk and the anti-tipping device to secure the bed to the wall.
6. **LED Lights:** Install the LED light strips in the designated area.

5. OPERATING INSTRUCTIONS

5.1 LED Lights Operation

The integrated RGB LED lights can be controlled via a remote control or a dedicated smartphone application. This allows for customization of lighting to suit various preferences.

- **Color Selection:** Choose from over 60,000 colors.
- **Blinking Modes:** Select from 29 different blinking modes.
- **Music Synchronization:** The built-in microphone allows the LED lights to change color and rhythm according to sound and music. Sensitivity is adjustable.
- **Timing Function:** Set schedules for the lights to turn on or off.
- **Brightness Adjustment:** Customize the light intensity.

5.2 Storage Features

The bunk bed offers extensive storage options to help keep the room organized.

- **8 Large Fabric Drawers:** These drawers are suitable for storing books, documents, clothes, toys, and other personal items.
- **Open Storage Shelves:** Two open shelves provide quick access to frequently used items or decorative displays.
- **Hanging Rail:** A dedicated hanging rail on the side allows for organizing clothes, scarves, or other hangable items.
- **Under-bed Space:** The design allows for additional storage underneath the lower bunk.

6. MAINTENANCE

Regular maintenance helps ensure the longevity and safety of your bunk bed.

- **Cleaning:** Wipe down metal surfaces with a soft, damp cloth. Avoid abrasive cleaners that may damage the finish. Fabric drawers can be spot cleaned as needed.
- **Check Connections:** Periodically inspect all bolts, screws, and connections to ensure they remain tight. Re-tighten if necessary.
- **Guardrail and Ladder:** Ensure the guardrail and ladder are always securely attached and free from damage.
- **LED Lights:** Keep the LED light strips clean and free from dust.

7. TROUBLESHOOTING

If you encounter any issues with your ADORNEVE Bunk Bed, please refer to the following common solutions or contact customer service.

- **Wobbling or Instability:** Ensure all bolts and screws are fully tightened. Verify that the anti-tipping device is correctly installed and secured to the wall. Uneven flooring can also contribute to wobbling; consider using furniture pads to level the bed.
- **Noise (Squeaking):** Check all connections and tighten any loose hardware. The embedded slat design is intended to minimize noise, but loose connections can still cause squeaking.
- **LED Lights Not Working:** Check the power connection and ensure the remote control or app is properly paired. Refer to the LED light strip's specific instructions for further troubleshooting.
- **Damaged or Missing Parts:** If your item arrives damaged, scratched, or with missing parts, please contact ADORNEVE customer service immediately for free replacements or a partial refund.

8. SPECIFICATIONS
