PRETZI PFK-WL-WHT

PRETZI 55" Coffee Bar Cabinet with LED Lights User Manual

Model: PFK-WL-WHT | Brand: PRETZI

1. INTRODUCTION

This manual provides detailed instructions for the assembly, operation, and maintenance of your PRETZI 55" Coffee Bar Cabinet with LED Lights. Please read all instructions carefully before assembly and use to ensure proper function and safety. Keep this manual for future reference.

2. SAFETY INFORMATION

For your safety and to prevent damage to the product, please adhere to the following guidelines:

- Ensure proper mounting to avoid tipping.
- Do not exceed weight limits on shelves. The top tier supports up to 50 lbs, and the second tier supports up to 180 lbs.
- Keep the cabinet away from direct heat sources and excessive moisture.
- Use appropriate safety gear during assembly, such as gloves.
- Always lift with assistance when moving heavy components.

3. PACKAGE CONTENTS

Before beginning assembly, verify that all parts are present and undamaged. Refer to the included parts list in your packaging. Typical components include:

- Cabinet panels (top, bottom, sides, back)
- Sliding barn doors and track hardware
- Adjustable shelves and shelf pins
- Wine glass rack

- Wine bottle rack inserts
- RGB LED light strip with remote control and power adapter
- Assembly hardware (screws, dowels, cam locks, etc.)
- Assembly instructions manual

4. ASSEMBLY INSTRUCTIONS

Assembly is required for this product. All parts are numbered for your convenience. Follow the step-by-step instructions provided in the separate assembly guide included in your package. It is recommended to have two people for assembly to ensure stability and ease of construction.

4.1. Product Dimensions Overview

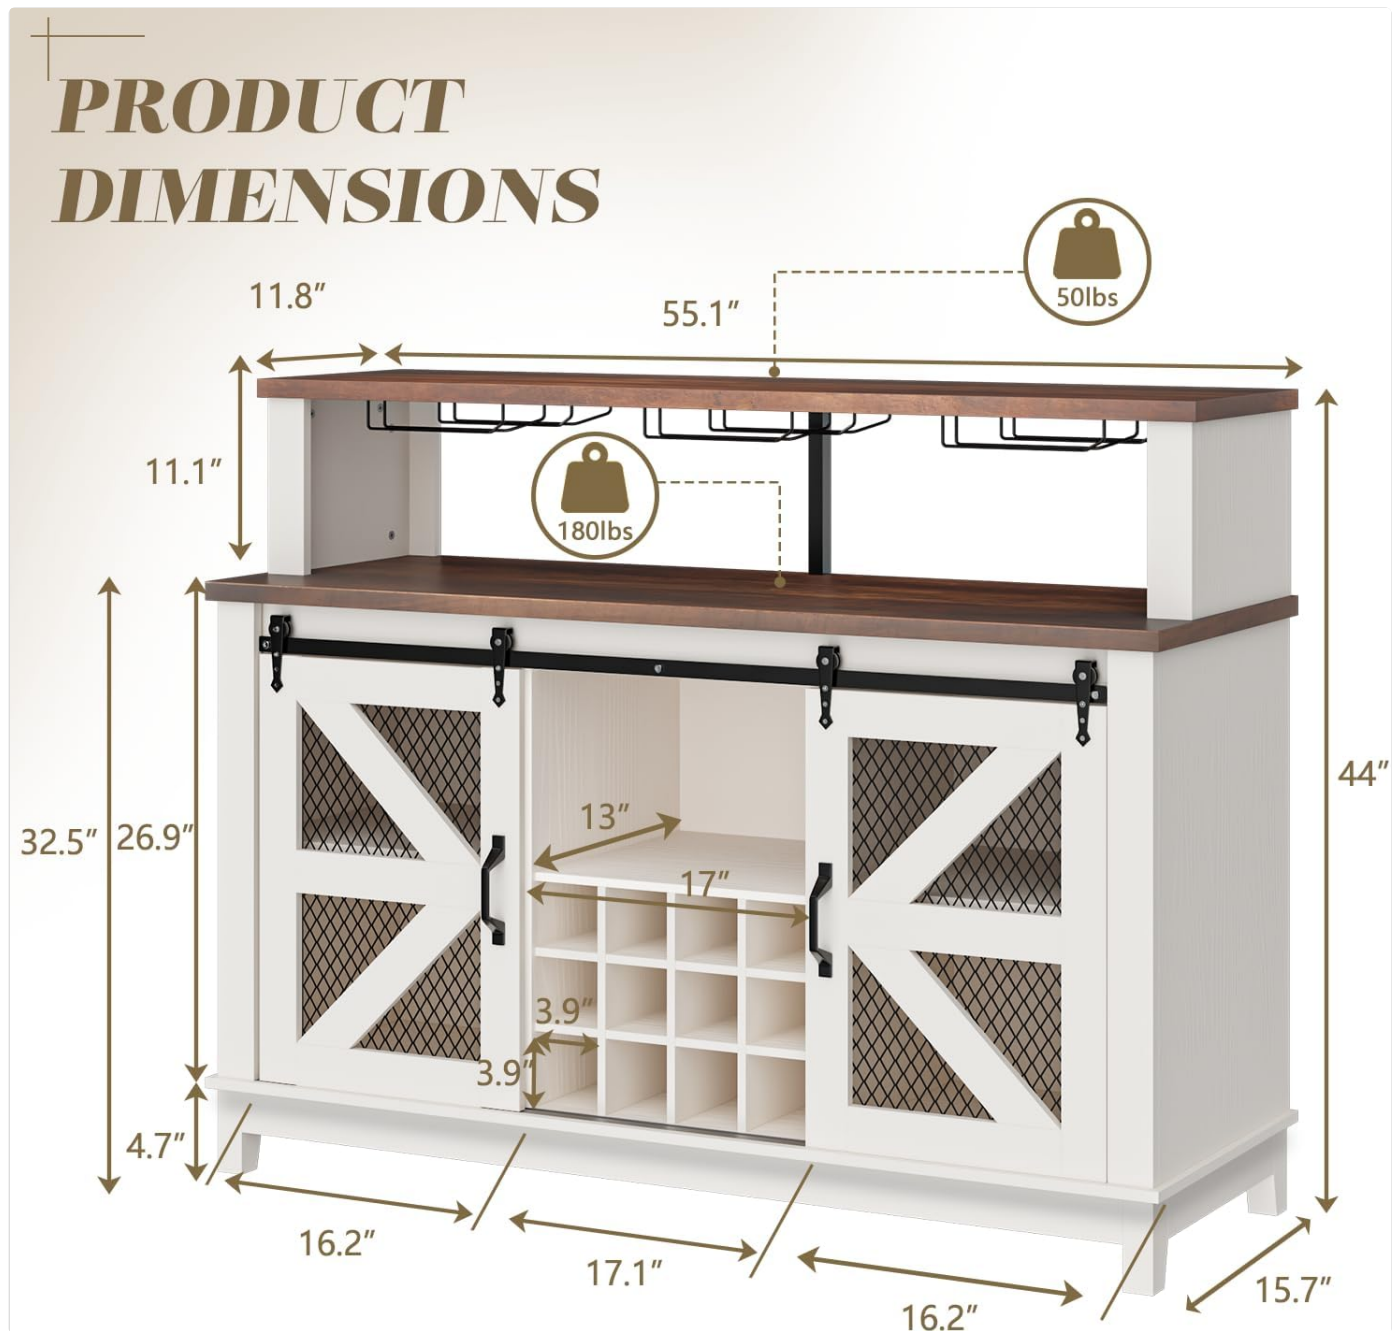

Image 4.1: This diagram illustrates the overall dimensions of the cabinet, including the two-tier tabletop, internal shelf spacing, and the wine rack section. Key measurements are provided for planning your space.

4.2. Adjustable Shelf Installation

Image 4.2: The cabinet features adjustable shelves. Insert the provided shelf pins into the desired pre-drilled holes (labeled 1, 2, 3 in the image) to customize the shelf height according to your storage needs.

4.3. Sliding Barn Door Assembly

Image 4.3: Attach the sliding track above the main cabinet section. The barn doors are designed to slide smoothly along this track, allowing flexible access to the storage compartments. Ensure all rollers are securely fastened.

5. OPERATING INSTRUCTIONS

5.1. LED Lighting System

The integrated RGB LED light strip provides customizable illumination. Connect the LED strip to the power adapter and plug it into a standard electrical outlet. The lights can be controlled via a mobile application or the included remote control.

- **Mobile App Control:** Download the designated app (refer to the LED light instruction sheet for app name and QR code). Pair your device via Bluetooth. The app allows access to 60,000 color options, adjustable brightness, various dynamic modes, and music synchronization features.
- **Remote Control:** Use the provided remote to power the lights on/off, change colors, adjust brightness, and select preset modes. Ensure the remote has a clear line of sight to the LED receiver.

Image 5.1: The LED lighting system offers various customization options through both a mobile app and a remote control, allowing you to set the mood with different colors and effects.

5.2. Sliding Doors

The barn-style sliding doors operate on a smooth track. To open or close a compartment, gently slide the door along the track using the handle. The doors can be positioned to cover either the left or right storage area, or centered to reveal the wine rack.

5.3. Storage Organization

The cabinet offers diverse storage solutions:

- **Two-Tier Tabletop:** The upper and lower tabletops provide ample space for coffee makers, cups, and decorative items.
- **Wine Glass Rack:** The integrated metal rack can hold 9-18 wine glasses, depending on their size.
- **Wine Bottle Rack:** The central section features a 12-slot wine rack for organized bottle storage.
- **Adjustable Shelves:** The enclosed cabinets behind the sliding doors contain adjustable shelves for flexible storage

of various items.

Image 5.2: The large desktop provides generous space for coffee essentials and other items.

LARGE DESKTOP STORAGE SPACE

Image 5.3: An overview of the cabinet's various storage zones, including open and closed compartments, the wine rack, and the glass holders.

6. MAINTENANCE

To maintain the appearance and longevity of your coffee bar cabinet:

- Wipe surfaces with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals.
- Promptly clean up spills to prevent staining or damage to the wood finish.
- Periodically check and tighten any loose hardware to ensure structural integrity.
- Keep the sliding door tracks clean and free of debris for smooth operation.

7. TROUBLESHOOTING

- **Missing Parts or Damaged Components:** If any parts are missing or damaged upon arrival, do not proceed with

assembly. Contact customer support immediately for assistance.

- **LED Lights Not Working:** Ensure the power adapter is securely plugged into both the LED strip and a working electrical outlet. Check the remote control battery and ensure it has a clear line of sight to the receiver. If using the app, verify Bluetooth connection.
- **Sliding Doors Sticking:** Inspect the sliding track for any obstructions or debris. Ensure the track is clean and the rollers are properly aligned.
- **Cabinet Instability:** Verify that all screws and fasteners are tightened according to the assembly instructions. Ensure the cabinet is placed on a level surface.

8. SPECIFICATIONS

Feature	Detail
Brand	PRETZI
Model Number	PFK-WL-WHT
