

CROSSIO 52-inch Tiffany Ceiling Fan with Light User Manual

Model: 727376377450

INTRODUCTION

This manual provides detailed instructions for the installation, operation, and maintenance of your CROSSIO 52-inch Tiffany Ceiling Fan with Light. Please read this manual thoroughly before installation and retain it for future reference.

The CROSSIO Ceiling Fan combines elegant design with practical utility, featuring a sophisticated Tiffany-style lampshade. It includes remote and app control for stepless LED dimming, 4 retractable blades, 6 fan speeds, and a quiet motor. This unit provides both illumination and air circulation.

SAFETY INFORMATION

Always follow basic safety precautions when installing and operating electrical appliances to reduce the risk of fire, electric shock, and personal injury.

- Ensure the power is turned off at the circuit breaker before installation or maintenance.
- All electrical wiring must be performed by a qualified electrician in accordance with local codes and regulations.
- Mount the fan to a ceiling joist or support structure capable of supporting the fan's weight (approximately 39 pounds).
- Do not bend the blade holders during installation, balancing, or cleaning.
- Keep hands clear of the fan blades when the fan is operating.
- This product is designed for indoor use only.

SETUP AND INSTALLATION

Assembly is straightforward with all necessary parts included. Installation videos are available for additional guidance.

Dimensions and Mounting

The fan extends to a 52-inch diameter when blades are deployed. When not in use, the blades retract to a compact 22.4 inches. The total height can be adjusted to 19.7 inches or 22.6 inches depending on the downrod used.

OPERATING INSTRUCTIONS

The fan can be controlled via the included remote control or a mobile application. A wall switch (not included) can also be used for basic power control.

Image: Overview of the three control methods: mobile app, remote control, and wall switch (not included).

Fan Speed Control

The fan features 6 adjustable speeds. Use the remote or app to select your desired airflow intensity.

Image: Depiction of fan speed levels, from gentle to strong, suitable for various activities.

Retractable Blades

The fan blades automatically retract when the fan is turned off and extend when the fan is turned on, maintaining a sleek appearance when not in use.

UNIQUE TIFFANY LAMPSHADE

Image: Comparison of the fan with blades retracted (off) and extended (on).

Lighting Control

The integrated LED light offers versatile control:

- **Color Temperature Adjustment:** Adjust from warm white (800K) to cool white (6500K).
- **Stepless Dimming:** Fine-tune brightness to match your mood or activity.

RETRACTABLE BLADES

Year-Round Comfort (Dual Rotation Modes)

The fan features dual rotation modes to optimize airflow for different seasons:

- **Downdraft Mode (Summer):** Creates a cooling breeze.
- **Updraft Mode (Winter):** Circulates warm air gently.

Timer Function

Utilize the remote control or mobile app to set timer functions for automatic fan operation.

MAINTENANCE

Regular maintenance ensures optimal performance and longevity of your ceiling fan.

- Cleaning:** Dust the fan blades and motor housing periodically with a soft, damp cloth. Do not use abrasive cleaners or solvents.
- Light Fixture:** Clean the Tiffany lampshade gently with a soft, dry cloth. Avoid harsh chemicals that could damage the glass.
- Blade Balance:** If the fan wobbles, ensure all blade screws are tightened. Refer to the installation guide for balancing kit instructions if necessary.
- Electrical Connections:** Periodically check all electrical connections for tightness. Ensure power is off before checking.

TROUBLESHOOTING

If you encounter issues with your fan, refer to the following common solutions:

- Fan Does Not Start:** Check if the power supply is connected and the circuit breaker is on. Ensure the remote control batteries are functional.
- Light Does Not Work:** Verify the light switch is on. Check if the LED module is properly connected.
- Remote Control Not Responding:** Replace the remote control batteries. Ensure there are no obstructions between the remote and the fan receiver.
- Excessive Noise:** Ensure all mounting screws are tight. Check that the blades are securely attached and not warped.
- Fan Wobbles:** Confirm the fan is securely mounted to the ceiling support. Check for any loose blade screws.

For persistent issues, please contact customer support.

PRODUCT SPECIFICATIONS

Feature	Specification
Brand	CROSSIO
Model Name	727376377450
Size	52 inches (D52")
Product Dimensions	52 x 52 x 22 inches (extended)
Item Weight	39 pounds
Material	Glass, Iron, Metal, Plastic, Stainless Steel
Color	Brown (fixture), Multicolor (lampshade)

Light Source Type	LED
Light Color Temperature	800K (Warm White) to 6500K (Cool White)
Control Method	Remote, APP
Number of Fan Speeds	6
Blade Type	Retractable Acrylic Blades
Motor Type	DC Quiet Motor
Installation Type	Semi Flush Mount
Voltage	120 Volts (AC)
Indoor/Outdoor Usage	Indoor
Assembly Required	Yes
