### General Assembly Steps:

1. **Prepare Your Workspace:** Ensure a clean, well-lit area to prevent loss of small parts.
2. **Follow Numbered Bags:** Open the bags according to the numbers specified in the instruction manual. Each bag corresponds to a specific section of the build.
3. **Assemble the Base:** Begin by constructing the botanical base, including the branches and camellia flowers, as detailed in the manual.
4. **Construct the Cardinal:** Proceed to build the Northern Cardinal model, paying close attention to the details of the head, body, and wings.
5. **Combine Components:** Once both the base and the cardinal are complete, carefully attach the cardinal to its perch on the botanical base.

### Maintenance:

To maintain the appearance of your model, gently dust it with a soft, dry cloth as needed. Avoid using harsh chemicals or abrasive materials, which may damage the plastic bricks.

### TROUBLESHOOTING

---

#### Missing or Damaged Parts:

If you find any missing or damaged parts, please contact JAKI customer support with your product model number and a description of the issue. Do not attempt to force ill-fitting parts, as this may cause damage.

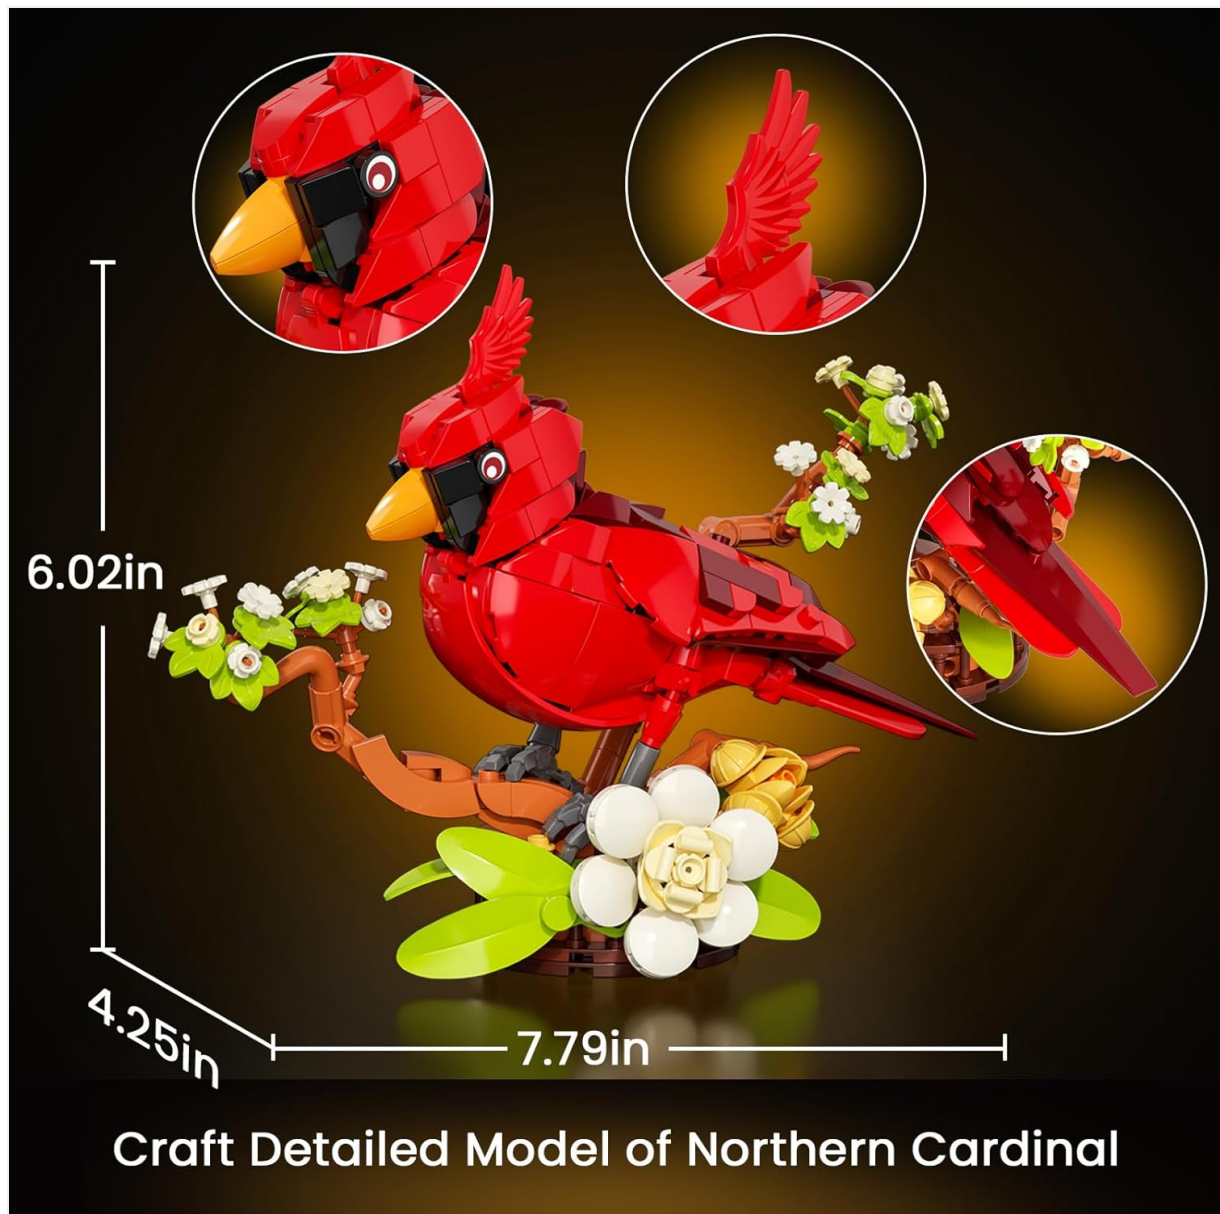

#### Difficulty with Assembly:

Refer to the instruction manual carefully. Ensure you are using the correct pieces for each step and that they are oriented correctly. The included brick separator tool can assist in disassembling incorrectly placed bricks.
