CUBIMANA 3-in-1 Bird's Nest Building Toy Instruction Manual

Brand: CUBIMANA

Model: SC8831

1. INTRODUCTION

This manual provides comprehensive instructions for assembling and maintaining your CUBIMANA 3-in-1 Bird's Nest Building Toy. This 646-piece set allows for the construction of three distinct models: a hummingbird and flower scene, a North American cardinal with a nest, and a goldfinch in a botanical setting. The set is designed to offer an engaging building experience for individuals aged 6 years and up.

2. SAFETY INFORMATION

Please read and adhere to the following safety guidelines:

- **Choking Hazard - Small Parts:** This product contains small parts and is not suitable for children under 3 years of age. Adult supervision is recommended during assembly, especially for younger builders.
- Keep all packaging materials away from children to prevent suffocation.
- Ensure all pieces are securely connected during assembly to prevent accidental detachment and potential hazards.

3. SETUP AND ASSEMBLY

The CUBIMANA 3-in-1 Bird's Nest Building Toy comes with all necessary components and a detailed instruction manual to guide you through the assembly process. Each model can be built individually, and pieces are organized to facilitate construction.

3.1 Unboxing and Part Organization

Upon opening the box, you will find individually packaged and numbered bags containing the building blocks. It is

recommended to open bags sequentially as indicated in the instruction manual to avoid mixing pieces prematurely.

4. OPERATING AND INTERACTION

Once assembled, the CUBIMANA Bird's Nest Building Toy offers interactive features:

- **Movable Parts:** The cardinal model features movable wings and a head that can rotate slightly, allowing for dynamic posing.
- **Interchangeable Designs:** The set is designed as 3-in-1, meaning you can disassemble one model and use the pieces to build another. Keep all unused pieces organized if you plan to switch between models.
- **Nest Features:** The cardinal's nest allows the bird to be removed, and the egg, flowers, and branch elements can be repositioned.

5. MAINTENANCE

To ensure the longevity and appearance of your building toy, follow these maintenance tips:

- **Cleaning:** Dust the assembled models regularly with a soft, dry cloth. For deeper cleaning, gently wipe with a damp cloth and mild soap, then rinse and air dry thoroughly. Avoid harsh chemicals.
- **Storage:** When not on display, store disassembled pieces in a cool, dry place away from direct sunlight to prevent discoloration or warping. Keep small parts in sealed bags or containers to prevent loss.
- **Handling:** Handle assembled models with care to prevent accidental breakage of delicate connections.

6. TROUBLESHOOTING

Encountering issues during assembly or with the finished model? Consider the following:

- **Missing Pieces:** Double-check all packaging and surrounding areas. If a piece is genuinely missing, contact CUBIMANA customer support.
- **Difficulty Connecting Pieces:** Ensure pieces are correctly oriented and aligned as per the instructions. Apply firm, even pressure. The included brick separator can help if pieces are too tight or need to be re-positioned.
- **Model Instability:** Review the assembly steps for the unstable section to ensure all connections are secure and no steps were missed.
