iSunirm XH-PSDBH-47CXL-B

iSunirm Gaming Desk Instruction Manual

Model: XH-PSDBH-47CXL-B

PRODUCT OVERVIEW

The iSunirm Gaming Desk is designed for an enhanced gaming and work experience, offering a robust structure, integrated features, and ample storage. This desk includes a monitor stand, reversible storage shelves, built-in LED lighting, and a power strip with USB charging ports.

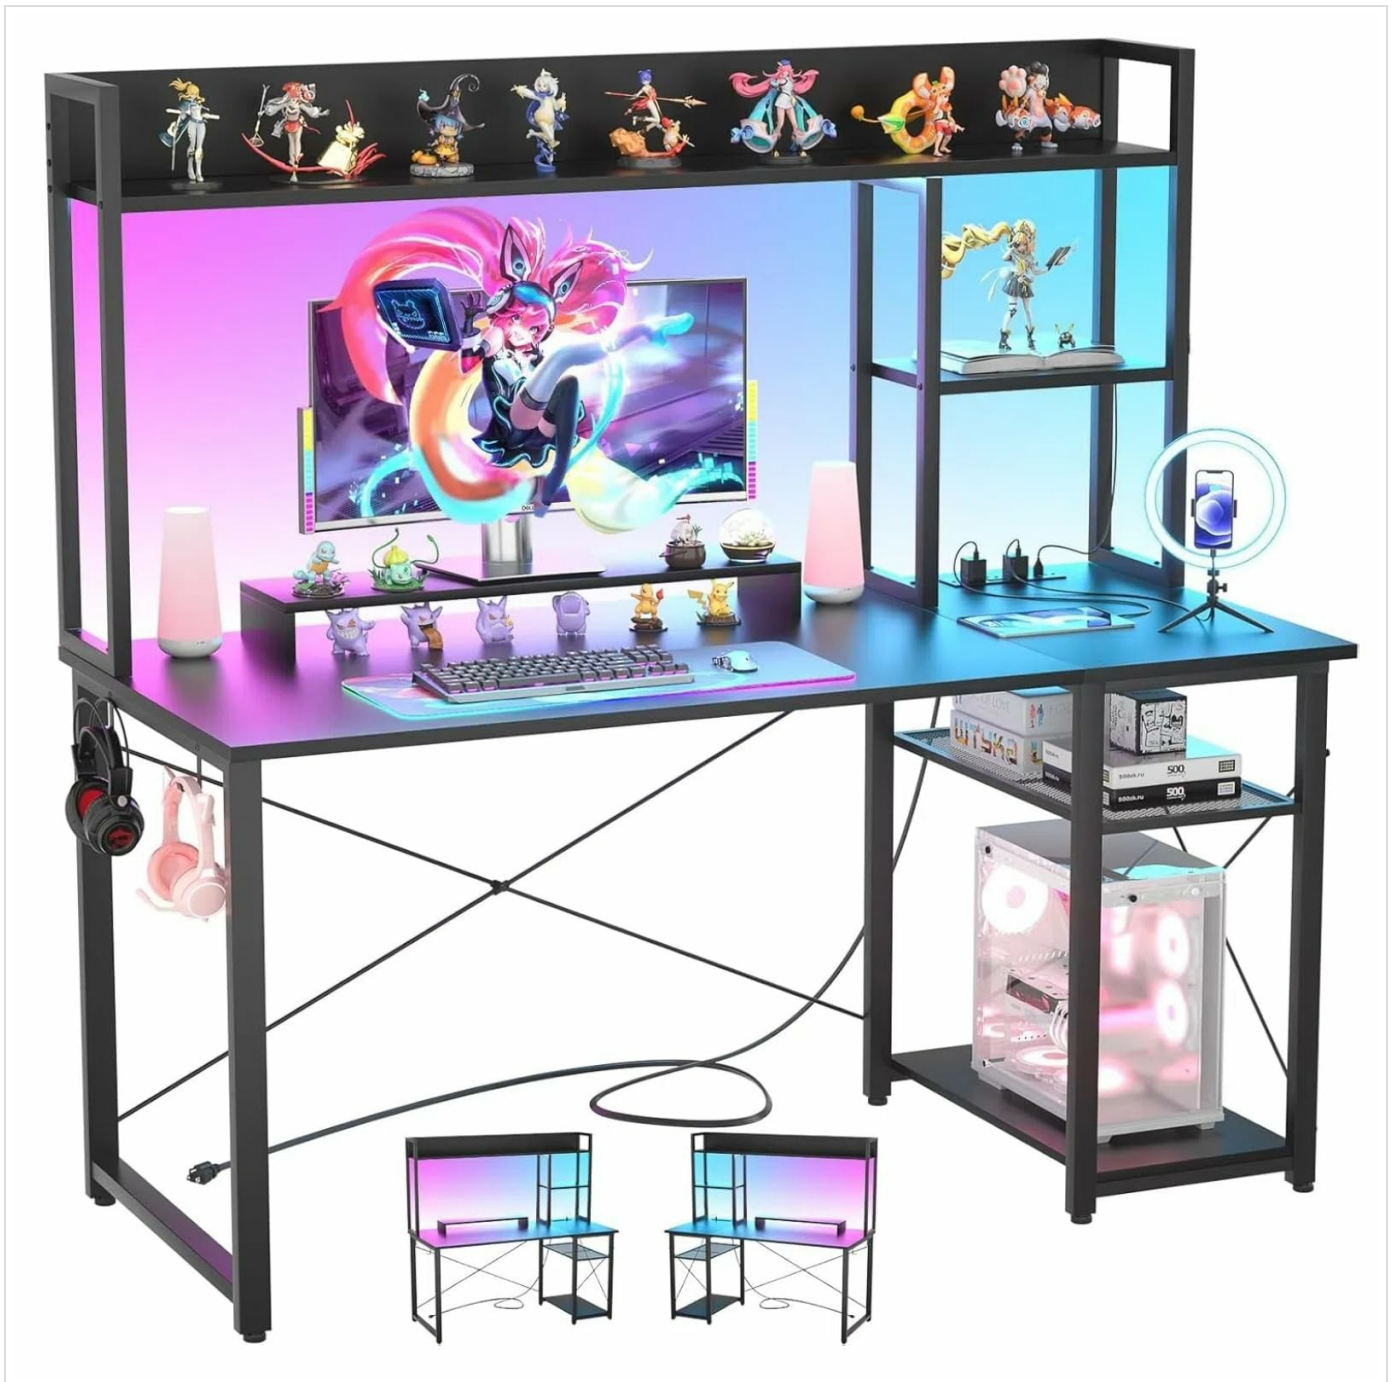

Image: Overall dimensions of the iSunirm Gaming Desk, showing a width of 120 cm, depth of 50 cm, and total height of 147 cm, including the monitor stand and upper shelves.

- **Dimensions:** 120 cm (Length) x 50 cm (Width) x 147 cm (Height)
- **Material:** High-quality MDF panel and metal frame
- **Special Features:** Integrated RGB LED lights, 2 AC outlets, 2 USB ports, monitor stand, reversible storage shelves
- **Color:** Black

SAFETY INFORMATION

Please read all safety warnings and instructions carefully before assembly and use. Failure to follow these instructions may result in injury or damage to the product.

- Ensure all components are securely fastened during assembly. An improperly assembled desk may be unstable.
- Do not overload the desk or shelves. Refer to specifications for weight limits.
- Keep liquids away from electrical outlets and USB ports to prevent electric shock.

- Place the desk on a flat, stable surface to prevent tipping.
- Keep small parts away from children during assembly.

PACKAGE CONTENTS

Verify that all parts are present before beginning assembly. If any parts are missing or damaged, contact customer support.

Part	Description	Quantity
Desk Panels	Main desktop, monitor stand, shelf panels	Various
Metal Frame Components	Legs, support bars, X-bars	Various
Power Strip Unit	Integrated outlets and USB ports	1
LED Strip Lights	RGB LED lighting for shelves	1 set
Hardware Kit	Screws, bolts, Allen wrench (assembly tools included)	1 set
Instruction Manual	Assembly guide	1

Note: While assembly tools are included, a Phillips head screwdriver may be helpful for some steps.

SETUP AND ASSEMBLY

Follow these steps carefully to assemble your iSunirm Gaming Desk. It is recommended to have two people for assembly.

1. **Unpack Components:** Lay out all parts on a clean, soft surface to prevent scratches. Identify each part using the provided parts list.
2. **Assemble the Main Frame:** Attach the desk legs to the main desktop panel using the provided screws. Ensure all connections are firm but do not overtighten initially.
3. **Install Crossbars:** Secure the X-shaped crossbars to the back of the desk frame for added stability.
4. **Attach Monitor Stand:** Mount the monitor stand to the main desktop.
5. **Assemble Storage Shelves:** Construct the upper storage shelves and attach them to the desk frame. Note that these shelves are reversible, allowing for left or right side configuration.
6. **Integrate Power Strip:** Install the power strip unit into its designated slot on the desk. Connect the power cable.
7. **Apply LED Lights:** Adhere the RGB LED strip lights to the designated area on the storage rack. Connect them to the power source.
8. **Final Tightening:** Once all components are in place, carefully tighten all screws and bolts.

OPERATING INSTRUCTIONS

Power Outlets and USB Ports

The desk features an integrated power strip with 2 AC outlets and 2 USB ports for convenient charging and powering of devices.

- Plug the desk's main power cable into a standard wall outlet.
- Use the AC outlets (10-240V) for devices like monitors, PCs, or lamps.
- Use the USB ports (5V/2A) to charge smartphones, tablets, or other USB-powered accessories.

LED Lighting System

The RGB LED strip lights offer customizable illumination for your gaming setup.

- Connect the LED strip to its power source as per assembly instructions.
- Control the LED lights using the provided remote control or a compatible mobile application (if applicable).
- Adjust colors, brightness, and lighting modes to create your desired ambiance.

Monitor Stand and Ergonomics

The elevated monitor stand helps maintain an ergonomic posture.

- Place your monitor on the elevated stand to raise it to eye level.
- This design helps reduce neck and back strain during prolonged use.

MAINTENANCE

Proper maintenance will ensure the longevity and appearance of your iSunirm Gaming Desk.

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners that may damage the finish.
- **Spills:** Clean up spills immediately to prevent staining or damage to the wood panel.
- **Hardware Check:** Periodically check all screws and bolts to ensure they remain tight. Retighten if necessary.
- **Electrical Components:** Ensure the power strip and LED lights are kept dry and free from dust. Do not attempt to repair electrical components yourself.

TROUBLESHOOTING

Problem	Possible Cause	Solution
Desk is wobbly/unstable	Loose screws or uneven surface.	Ensure all assembly screws are tightened. Place the desk on a level surface. Adjust leveling feet if present.
LED lights not working	Power connection issue, faulty strip, or remote battery.	Check if the LED strip is properly connected to power. Ensure the main desk power cable is plugged in. Replace remote control batteries.
Power outlets/USB ports not working	Desk not plugged in, circuit breaker tripped, or faulty unit.	Verify the desk's main power cable is securely plugged into a working wall outlet. Check your home's circuit breaker. If issues persist, contact customer support.
Missing parts during assembly	Packaging error.	Carefully re-check all packaging materials. If parts are genuinely missing, contact customer support with your purchase details.
