6. MAINTENANCE

To ensure the longevity and hygiene of your ZDEER Smart Oral Spray device and its refills:

- **Device Cleaning:** Regularly wipe the exterior of the device with a clean, damp cloth. Avoid submerging the device in water.
- **Pod Storage:** Store unused refill pods in a cool, dry place away from direct sunlight.
- **Disposal:** Dispose of empty refill pods according to local regulations.

7. TROUBLESHOOTING

If you encounter issues with your ZDEER Smart Electric Oral Spray Refill or device, consider the following:

- **No Mist Dispensed:** Ensure the refill pod is correctly and fully inserted into the device. Check if the device itself is charged and functioning correctly (refer to your ZDEER Smart Oral Spray device manual for device-specific troubleshooting).
- **Weak Mist:** A weak mist may indicate a low charge in the device or an almost empty refill pod. Replace the

pod if necessary or charge the device.

- **Flavor Issues:** If the flavor seems off, ensure the pod is not expired and has been stored correctly.

For persistent issues, please contact ZDEER customer support.
