## FAHREN P80

# FAHREN P80 Wireless CarPlay Adapter User Manual

Model: P80

## 1. INTRODUCTION

The FAHREN P80 Wireless CarPlay Adapter provides seamless integration of your iPhone with your car's infotainment system, converting wired CarPlay to wireless. This adapter utilizes advanced 5.8GHz WiFi and Bluetooth 5.3 for fast and stable connectivity, ensuring a smooth and responsive user experience. It eliminates the need for cables, offering convenience and a clutter-free car interior.

## 2. WHAT'S IN THE BOX

- FAHREN P80 Wireless CarPlay Adapter
- USB-A to USB-C Adapter
- USB-A Extension Cable
- User Manual

## 4. SETUP AND INSTALLATION

---

Follow these steps to set up your FAHREN P80 Wireless CarPlay Adapter:

1. **Connect the Adapter:** Plug the FAHREN P80 adapter into your car's main USB or USB-C port. Use the provided USB-A to USB-C adapter or extension cable if necessary.
2. **Enable Bluetooth and Wi-Fi:** On your iPhone, ensure both Bluetooth and Wi-Fi are turned on.
3. **Pair with Adapter:** Go to your iPhone's Bluetooth settings and find the device named "WirelessDongle-XXX" (where XXX is a unique identifier). Select it to pair.
4. **Confirm Pairing:** A pairing request will appear on your iPhone. Confirm the code and allow contacts and favorites sync if prompted.
5. **Activate CarPlay:** Once paired, your car's screen should automatically display the CarPlay interface.

## 5. OPERATING INSTRUCTIONS

Once connected, the FAHREN P80 adapter allows you to use CarPlay wirelessly. The system will automatically reconnect to your iPhone when the car starts after the initial setup.

- **Automatic Reconnection:** After the first successful connection, the adapter will automatically connect to your iPhone within 3-5 seconds each time you start your vehicle.
- **Control Methods:** You can control CarPlay using your car's original controls, including the touch screen, OEM knob, and steering wheel controls.
- **Voice Control:** Utilize Siri voice commands for navigation, calls, music playback, and more.

# Keep Original Control

Freely choose the control method

“Hey.Siri...”

“Call Ali”

“Drive Home”

“Play Music”

**NOTE: For security reasons, the use of video apps such as YouTube, Netflix, Hulu, and Instagram is not officially supported through CarPlay.**

## 6. FEATURES

- **Ultra-Fast & Seamless Connectivity:** Advanced 5.8GHz WiFi and Bluetooth 5.3 for quick initial connection (5-10 seconds) and automatic reconnection (3-5 seconds).

- **Stable Transmission:** Eliminates cable clutter and ensures a consistent, stable connection for navigation, music, calls, and Siri.
- **Efficient Cooling & Compact Durability:** All-metal housing with integrated thermal control technology prevents overheating. Space-saving mini design keeps your car interior neat.
- **Original Car Control Support:** Maintains compatibility with your car's existing control devices (voice, touch screen, knob, steering wheel).
- **Dual-Core A7 Chip:** Enhanced performance for faster transmission speeds, quicker response times, improved connection stability, and efficient cooling.

## 7. TROUBLESHOOTING

If you encounter issues with your FAHREN P80 Wireless CarPlay Adapter, please try the following common troubleshooting steps:

- **No Connection:**

- Ensure the adapter is securely plugged into a functional USB port in your car.
- Verify that your iPhone's Bluetooth and Wi-Fi are both enabled.
- Check if the "WirelessDongle-XXX" device is visible and selected in your iPhone's Bluetooth settings.
- Restart your iPhone and your car's infotainment system.

- **Lag or Disconnections:**

- Ensure there are no other devices interfering with the Bluetooth or Wi-Fi signal.
- Try moving your iPhone closer to the adapter if possible.
- Check for any available firmware updates for the adapter (refer to the manufacturer's website or contact support).

- **CarPlay Not Launching:**

- Confirm your car model and year are compatible with wired CarPlay.
- Ensure your iPhone is running a compatible iOS version (iOS 10+).
- If your car has multiple USB ports, try connecting the adapter to a different port.

If these steps do not resolve the issue, please contact FAHREN customer support for further assistance.
