SETUP

1. Charging the Earbuds and Case

Before first use, fully charge the earbuds and charging case. Place the earbuds into the charging case and close the lid. Connect the USB-C charging cable to the charging port on the case and the other end to a USB power source (e.g., computer, wall adapter).

- The LED display on the charging case indicates the battery level.

- A full charge for the case takes approximately 0.5 hours.
- The earbuds provide up to 8 hours of listening time on a single charge, with an additional 36 hours from the charging case.

Long-Lasting Listening Experience

2. Bluetooth Pairing

To pair your PAXA Clipbuds7 with a device:

1. Ensure the earbuds are charged and inside the charging case.
2. Open the charging case lid. The earbuds will automatically enter pairing mode, indicated by a flashing LED light on the earbuds (if applicable, refer to specific LED indicators in the quick start guide).
3. On your device (smartphone, tablet, laptop), go to Bluetooth settings and turn Bluetooth on.
4. Search for "Clipbuds7" in the list of available devices and select it to connect.
5. Once connected, the earbuds will indicate successful pairing (e.g., a voice prompt or solid LED light).

The earbuds will automatically reconnect to the last paired device when taken out of the case, if Bluetooth is enabled on the device.
