3. PRODUCT OVERVIEW AND FEATURES

The Dekala SRWW-S Smart Sunrise Alarm Clock is designed to enhance your waking and sleeping experience with a range of smart features.

Image: Dekala SRWW-S Smart Sunrise Alarm Clock with wireless charging.

Key Features:

- **Sunrise & Sunset Simulation:** Gradually brightens or dims to simulate natural light cycles, aiding in gentle waking and peaceful sleep.
- **Dual Alarms:** Set two independent alarms with customizable schedules for individual days or combinations.
- **Natural Sounds:** Choose from 7 natural sounds for alarms or relaxation.
- **Wireless Charging Station:** Integrated 3-in-1 charging for smartphones, smartwatches, and wireless earbuds. Includes a Type-C port for additional device charging.
- **Smart Control:** Operate via the Smart Life App or voice commands through Alexa and Google Home (2.4G Wi-Fi required).
- **Touch Display:** Intuitive touch controls for easy adjustments.
- **Snooze Function:** Allows for 5-20 minute snooze intervals, up to 6 times.
- **Sleep Aid Functions:** Features white noise, soothing sounds, and a countdown timer for sleep.

4. SETUP GUIDE

1. **Power Connection:** Connect the provided power adapter to the clock and plug it into a power outlet. The clock display will illuminate.
2. **Attach Smartwatch Charging Dock:** If using, carefully attach the smartwatch charging dock to the designated port on the back of the alarm clock.
3. **Download the App:** Scan the QR code in the quick start guide (or search "Smart Life" in your app store) to download the Smart Life application on your smartphone.
4. **Connect to Wi-Fi:**

   - Ensure your smartphone is connected to a **2.4GHz Wi-Fi network**. The device does not support 5GHz networks.
   - Open the Smart Life App, register or log in.
   - Follow the in-app instructions to add the Dekala SRWW-S device. The clock should automatically sync time and calendar settings from your phone upon successful connection.

5. OPERATING INSTRUCTIONS

5.1 Setting Alarms

The clock supports two independent alarms. Alarms can be set and managed via the touch display or the Smart Life App.

- **Via App:** Open the Smart Life App, select your device, and navigate to the alarm settings. Here you can set alarm times, days of the week, sound, volume, and light intensity.
- **Via Touch Display:** Refer to the quick start guide for specific touch panel controls to set alarms directly on the device.

Image: Dual Alarms and Snooze Function.

5.2 Sunrise & Sunset Simulation

The sunrise simulation gradually increases brightness from 0-120 minutes before your set alarm time, mimicking a natural sunrise. The sunset simulation reverses this process for a gentle wind-down.

- **Activation:** Enable and customize sunrise/sunset duration and maximum brightness through the Smart Life App.
- **Natural Sounds:** Pair the sunrise simulation with one of the 7 natural sounds for a complete wake-up experience.
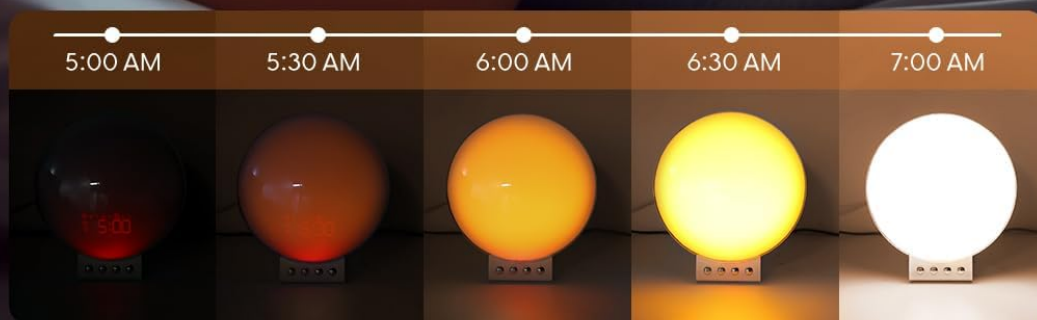

Image: Gradual Sunrise and Natural Sounds.

5.3 Natural Sounds and Sleep Aids

The clock offers a variety of sounds and lighting options to personalize your sleep and wake routines.

- **7 Natural Sounds:** Includes options like Rain, Bonfire, Night Whispers, Yoga, Zen, White Noise, Pink Noise, and Brown Noise.
- **White Noise & Soothing Sounds:** Utilize these for relaxation or to mask disruptive noises.
- **Countdown Timer:** Set a timer (0-90 minutes) for lights and sounds to gradually fade out as you fall asleep.
- **Lighting Modes:** Choose from auto-dim warm soft lighting or rhythmic lighting for various moods or activities.

Image: Personalized Sleep Routine with Sounds and Lights.

5.4 Wireless Charging

The integrated charging station supports Qi-compatible devices.

- **Smartphone Charging:** Place your Qi-compatible smartphone on the designated charging pad.
- **Smartwatch Charging:** Place your compatible smartwatch on the attached charging dock.
- **Earbud Charging:** Place your wireless earbuds case on the designated charging area.
- **Type-C Port:** Use the Type-C port on the back to charge an additional device via cable.
- **Compatibility:** Compatible with iPhone 8 and newer, Samsung Galaxy S22 and newer, Galaxy Watch 4/5/6/7, Apple Watch 8/9/10/Ultra, and AirPods 3/4/Pro. Supports charging with most cases.

5.5 Smart Voice and App Control

Control your alarm clock remotely using the Smart Life App or integrate with voice assistants.

- **Smart Life App:** Customize alarm times, sunrise/sunset duration, sounds, light colors, and brightness.
- **Voice Control:** Connect the Smart Life App to Amazon Alexa or Google Home for hands-free control. Example commands: "Alexa, turn on the light," "Hey Google, set alarm for 7 AM."

5.6 Different Scene Displays

The versatile lighting and sound features make the clock suitable for various environments and activities.

Image: Versatile Use in Different Scenes.

6. MAINTENANCE

- **Cleaning:** Wipe the device with a soft, dry cloth. Do not use abrasive cleaners or solvents.
- **Power:** Disconnect the power adapter before cleaning or if the device will not be used for an extended period.
- **Environment:** Keep the device away from water, high humidity, and extreme temperatures.

7. TROUBLESHOOTING

Problem	Possible Cause / Solution
Cannot connect to Wi-Fi / App issues	◦ Ensure your router is broadcasting a 2.4GHz Wi-Fi signal. The device does not support 5GHz. ◦ Move the alarm clock closer to your Wi-Fi router during setup. ◦ Restart your router and the alarm clock. ◦ Verify the Wi-Fi password entered in the app is correct.
Wireless charging not working	◦ Ensure your device is Qi-compatible. ◦ Check if the device is properly centered on the charging pad. ◦ Remove any thick phone cases that might interfere with charging. ◦ Ensure the alarm clock is powered on.
Display appears blurry	The display is designed with a translucent front cover, which can give a diffused or slightly blurry appearance. This is a characteristic of the product design.
Alarm not sounding or light not activating	◦ Verify the alarm is enabled and set correctly in the app or on the device. ◦ Check the volume settings for the alarm sound. ◦ Ensure the device is powered on.

8. SPECIFICATIONS

Feature	Detail
Brand	Dekala
Model Number	SRWW-S
Product Dimensions	15 x 3.81 x 18.8 cm
Weight	860 g
Display Type	Digital
